AGENCIES: Department of Defense (DoD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

SUPPLEMENTARY INFORMATION:

A. Background

This rule proposes to amend the FAR to clarify the use of the term “United States,” when used in a geographic

sense. The term “United States” is defined in FAR 2.101 to include the 50 States and the District of Columbia. Where a wider area of applicability is intended, the term is redefined in the appropriate part or subpart of the FAR, or supplemented by listing the additional areas of applicability each time the term is used. This rule corrects and updates references to the United States throughout the FAR by considering the statutory basis, if any, for the references, and the following issues:

1. There is no longer a Trust Territory of the Pacific Islands. This Trust was fully terminated October 1, 1994, resulting in the formation of the Republic of the Marshall Islands (October 21, 1986), the Federated States of Micronesia (November 3, 1986), and the Republic of Palau (October 1, 1994), that have Compacts of Free Association with the United States. Only the Commonwealth of the Northern Mariana Islands (November 3, 1986) is still under the sovereignty of the United States. Laws that applied within the former Trust Territories by virtue of the Trusteeship Agreement are no longer applicable to independent areas.

2. The meaning of the term “possessions” is no longer as encompassing as it used to be and should not include the various unincorporated territories and commonwealths. The rule removes the definition of “possessions” and adds a new definition of “outlying areas” at FAR 2.101 that includes the commonwealths of Puerto Rico and the Northern Mariana Islands, the territories of American Samoa, Guam, the U.S. Virgin Islands, and the minor outlying islands of the United States.

The Councils’ primary purpose in proposing these amendments is to clarify the use of the term “United States” in the FAR. However, in developing these amendments, it became clear that other changes should be made to improve the readability of the FAR and conform it to the new FAR Drafting Guide and the White House memorandum, Plain Language in Government Writing, dated June 1, 1998.

This is not a significant regulatory action and, therefore, was not subject to review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

B. Regulatory Flexibility Act

The Councils do not expect this proposed rule to have a significant economic impact on a substantial

number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the rule primarily standardizes terminology and clarifies existing meaning. The Councils do not intend for the rule to make policy changes. An Initial Regulatory Flexibility Analysis has, therefore, not been performed. We invite comments from small businesses and other interested parties. The Councils will consider comments from small entities concerning the affected FAR Parts in accordance with 5 U.S.C. 610. Interested parties must submit such comments separately and should cite 5 U.S.C. 601, *et seq.* (FAR case 1999–400), in correspondence.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the proposed changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

List of Subjects in 48 CFR Parts 2, 3, 4, 5, 6, 8, 9, 14, 19, 22, 23, 25, 26, 28, 29, 31, 35, 36, 42, 47, 52, and 53:

Prescribed by GSA-FAR (48 CFR) 53.228(e)

DRAFT**INSTRUCTIONS**

1. Individual sureties on bonds executed in connection with Government contracts must complete and submit this form with the bond. (See 48 CFR 28.203, 53.228(e).) The surety must have the completed form notarized.
2. No corporation, partnership, or other unincorporated association or firm, as such, is acceptable as an individual surety. Likewise, members of a partnership are not acceptable as sureties on bonds that a partnership or an association, or any co-partner or member thereof, is the principal obligor. However, stockholders of corporate principals are acceptable provided (a) their qualifications are independent of their stockholdings or financial interest therein, and (b) that the fact is expressed in the affidavit of justification. An individual surety will not include any financial interest in assets connected with the principal on the bond that this affidavit supports.
3. United States citizenship is a requirement for individual sureties for contracts and bonds executed in the United States. However, only a permanent resident of the place of execution of the contract and bond is required for individual sureties in any outlying area of the United States or foreign country.
4. All signatures of the affidavit submitted must be originals. Affidavits bearing reproduced signatures are not acceptable. An authorized person must sign the bond. Any person signing in a representative capacity (e.g., an attorney-in-fact) must furnish evidence of authority if that representative is not a member of a firm, partnership, or joint venture, or an officer of the corporation involved.

GENERAL INSTRUCTIONS

DRAFT

1. This report is not required from small business.
2. This report is not required for commercial items for which a commercial plan has been approved, nor from large businesses in the Department of Defense (DOD) Test Program for Negotiation of Comprehensive Subcontracting Plans. The Summary Subcontract Report (SF 295) is required for contractors operating under one of these two conditions and should be submitted to the Government in accordance with the instructions on that form.
3. This form collects subcontract award data from prime contractors/subcontractors that: (a) hold one or more contracts over \$500,000 (over \$1,000,000 for construction of a public facility); and (b) are required to report subcontracts awarded to Small Business (SB), Small Disadvantaged Business (SDB), Women-Owned Small Business (WOSB), HUBZone Small Business (HUBZone SB), Veteran-Owned Small Business (VOSB) and Service-Disabled Veteran-Owned Small Business concerns under a subcontracting plan. For the Department of Defense (DOD), the National Aeronautics and Space Administration (NASA), and the Coast Guard, this form also collects subcontract award data for Historically Black Colleges and Universities (HBCUs) and Minority Institutions (MIs).
4. This report is required for each contract containing a subcontracting plan and must be submitted to the administrative contracting officer (ACO) or contracting officer if no ACO is assigned, semi-annually during contract performance for the periods ended March 31st and September 30th. A separate report is required for each contract at contract completion. Reports are due 30 days after the close of each reporting period unless otherwise directed by the contracting officer. Reports are required when due, regardless of whether there has been any subcontracting activity since the inception of the contract or since the previous report.
5. Only subcontracts involving performance in the U.S. or its outlying areas should be included in this report.
6. Purchases from a corporation, company, or subdivision that is an affiliate of the prime/subcontractor are not included in this report.
7. Subcontract award data reported on this form by prime contractors/subcontractors shall be limited to awards made to their immediate subcontractors. Credit cannot be taken for awards made to lower tier subcontractors.

SPECIFIC INSTRUCTIONS

BLOCK 2: For the Contractor Identification Number, enter the nine-digit Data Universal Numbering System (DUNS) number that identifies the specific contractor establishment. If there is no DUNS number available that identifies the exact name and address entered in Block 1, contact Dun and Bradstreet Information Services at 1-800-333-0505 to get one free of charge over the telephone. Be prepared to provide the following information: (1) Company name; (2) Company address; (3) Company telephone number; (4) Line of business; (5) Chief executive officer/key manager; (6) Date the company was started; (7) Number of people employed by the company; and; (8) Company affiliation.

BLOCK 4: Check only one. Note that all subcontract award data reported on this form represents activity since the inception of the contract through the date indicated in this block.

BLOCK 5: Check whether this report is a "Regular," "Final," and/or "Revised" report. A "Final" report should be checked only if the contractor has completed the contract or subcontract reported in Block 7. A "Revised" report is a change to a report previously submitted for the same period.

BLOCK 6: Identify the department or agency administering the majority of subcontracting plans.

BLOCK 7: Indicate whether the reporting contractor is submitting this report as a prime contractor or subcontractor and the prime contract or subcontract number.

BLOCK 8: Enter the name and address of the Federal department or agency awarding the contract or the prime contractor awarding the subcontract.

BLOCK 9: Check the appropriate block to indicate whether indirect costs are included in the dollar amounts in blocks 10a through 14. To ensure comparability between the goal and actual columns, the contractor may include indirect costs in the actual column only if the subcontracting plan included indirect costs in the goal.

BLOCKS 10a through 15: Under "Current Goal," enter the dollar and percent goals in each category (SB, SDB, WOSB, VOSB, and HUBZone SB) from the subcontracting plan approved for this contract. (If the original goals agreed upon at contract award have been revised as a result of contract modifications, enter the original goals in Block 16. The amounts entered in Blocks 10a through 15 should reflect the revised goals.) Under "Actual Cumulative," enter actual subcontract achievements (dollar and percent) from the inception of the contract through the date of the report shown in Block 4. In cases where indirect costs are included, the amounts should include both direct awards and an appropriate prorated portion of indirect awards.

BLOCK 10a: Report all subcontracts awarded to SBs including subcontracts to SDBs, WOSBs, VOSBs and HUBZone SBs. For DOD, NASA, and Coast Guard contracts, include subcontracting awards to HBCUs and MIs.

BLOCK 10b: Report all subcontracts awarded to large businesses (LBs).

BLOCK 10c: Report on this line the total of all subcontracts awarded under this contract (the sum of lines 10a and 10b).

BLOCKS 11 through 15: Each of these items is a subcategory of Block 10a. Note that in some cases the same dollars may be reported in more than one block (e. g., SDBs owned by women or veterans).

BLOCK 11: Report all subcontracts awarded to SDBs (including women-owned, veteran-owned, and HUBZone SB SDBs). For DOD, NASA, and Coast Guard contracts, include subcontract awards to HBCUs and MIs.

BLOCK 12: Report all subcontracts awarded to Women-Owned firms (including SDBs, VOSB's, and HUBZone SBs owned by women).

BLOCK 13 (For contracts with DoD, NASA, and Coast Guard): Report all subcontracts with HBCUs/MIs. Complete the column under "Current Goal" only when the subcontracting plan establishes a goal.

BLOCK 14: Report all subcontracts awarded to HUBZone SBs (including women-owned, veteran-owned, and SDB HUBZone SBs).

BLOCK 15: Report all subcontracts awarded to VOSBs including Service-Disabled VOSBs (include VOSBs that are also SDBs, WOSBs and HUBZone SBs).

BLOCK 16: Enter a short narrative explanation if (a) SB, SDB, WOSB, VOSBs, or HUBZone SB accomplishments fall below that which would be expected using a straight-line projection of goals through the period of contract performance; or (b) if this is a final report, any one of the three goals was not met.

DEFINITIONS

1. Direct Subcontract Awards are those that are identified with the performance of one or more specific Government contract(s).

2. Indirect costs are those which, because of incurrence for common or joint purposes, are not identified with specific Government contracts; these awards are related to Government contract performance but remain for allocation after direct awards have been determined and identified to specific Government contracts.

DISTRIBUTION OF THIS REPORT

For the Awarding Agency or Contractor:

The original copy of this report should be provided to the contracting officer at the agency or contractor identified in Block 8. For contracts with DOD, a copy should also be provided to the Defense Logistics Agency (DLA) at the cognizant Defense Contract Management Area Operations (DCMAO) office.

For the Small Business Administration (SBA):

A copy of this report must be provided to the cognizant Commercial Market Representative (CMR) at the time of a compliance review. It is NOT necessary to mail the SF 294 to SBA unless specifically requested by the CMR.

GENERAL INSTRUCTIONS

DRAFT

1. This report is not required from small businesses.
2. This form collects subcontract award data from prime contractors/subcontractors that: (a) hold one or more contracts over \$500,000 (over \$1,000,000 for construction of a public facility); and (b) are required to report subcontracts awarded to Small Business (SB), Small Disadvantaged Business (SDB), Women-Owned Small Business (WOSB), Veteran-Owned Small Business (VOSB), Service-Disabled Veteran-Owned Small Business, and HUBZone Small Business (HUBZone SB) concerns under a subcontracting plan. For the Department of Defense (DOD), the National Aeronautics and Space Administration (NASA), and the Coast Guard, this form also collects subcontract award data for Historically Black Colleges and Universities (HBCUs) and Minority Institutions (MIs).
3. This report must be submitted semi-annually (for the six months ended March 31st and the twelve months ended September 30th) for contracts with the Department of Defense (DOD) and annually (for the twelve months ended September 30th) for contracts with civilian agencies, except for contracts covered by an approved Commercial Plan (see special instructions in right-hand column). Reports are due 30 days after the close of each reporting period.
4. This report may be submitted on a corporate, company, or subdivision (e.g., plant or division operating on a separate profit center) basis, unless otherwise directed by the agency awarding the contract.
5. If a prime contractor/subcontractor is performing work for more than one Federal agency, a separate report shall be submitted to each agency covering only that agency's contracts, provided at least one of that agency's contracts is over \$500,000 (over \$1,000,000 for construction of a public facility) and contains a subcontracting plan. (Note that DOD is considered to be a single agency; see next instruction.)
6. For DOD, a consolidated report should be submitted for all contracts awarded by military departments/agencies and/or subcontracts awarded by DOD prime contractors. However, DOD contractors involved in construction and related maintenance and repair must submit a separate report for each DOD component.
7. Only subcontracts involving performance in the U.S. or its outlying areas should be included in this report.
8. Purchases from a corporation, company, or subdivision that is an affiliate of the prime/subcontractor are not included in this report.
9. Subcontract award data reported on this form by prime contractors/subcontractors shall be limited to awards made to their immediate subcontractors. Credit cannot be taken for awards made to lower tier subcontractors.

Do not include awards made in support of commercial business unless "Commercial" is checked in Block 8 (see Special Instructions for Commercial Plans in right hand column). Report only those dollars subcontracted this fiscal year for the period indicated in Block 4.

BLOCK 10a: Report all subcontracts awarded to SBs including subcontracts to SDBs, WOSBs, VOSBs, and HUBZone SBs. For DOD, NASA, and Coast Guard contracts, include subcontracting awards to HBCUs and MIs.
