BILLING CODE 4910-15-U

DEPARTMENT OF VETERANS AFFAIRS

38 CFR Part 21

RIN 2900-AK06

Montgomery GI Bill—Active Duty

AGENCIES: Department of Veterans Affairs.

ACTION: Final rule.

SUMMARY: This document amends the educational assistance regulations of the Department of Veterans Affairs (VA). The amendments reflect statutory changes contained in the Veterans Millennium Health Care and Benefits Act of 1999 and statutory interpretations. This document also makes changes for the purpose of clarification.

DATES: *Effective Date:* July 30, 2001.

Applicability Date: The changes are applied retroactively to November 30, 1999, to conform to statutory requirements. For more information concerning the date of applicability, see the **SUPPLEMENTARY INFORMATION** section.

FOR FURTHER INFORMATION CONTACT:

William G. Susling, Jr., Assistant Director for Policy and Program Development, Education Service (225), Veterans Benefits Administration, Department of Veterans Affairs, 202-273-7187.

SUPPLEMENTARY INFORMATION: This document amends the educational assistance regulations found in 38 CFR part 21, subpart K, regarding the Montgomery GI Bill—Active Duty (ch. 30, title 38, United States Code) (MGIB).

The regulations are amended by expanding the definition of a “program of education” to include a preparatory course for a test that is required or used for admission to an institution of higher education or to a graduate school. This would allow individuals who are eligible for the MGIB to receive benefits

for taking a residence course designed to prepare the individual for such tests as the ACT Admissions test (ACT) and the Law School Admissions Test (LSAT). The regulations are also amended to provide that when an enlisted service member or warrant officer attends officer training school, and then is discharged to accept a commission as an officer, the enlisted period of active duty and first period of active duty as a commissioned officer may be combined for determining eligibility for the MGIB. These changes are made to reflect statutory changes made by the Veterans Millennium Health Care and Benefits Act of 1999 (Pub. L. 106-117). Also, as indicated in the text portion of this document, we are amending 38 CFR 21.7020 to include definitions of the terms “institution of higher education” and “graduate school”. We believe these definitions reflect the statutory intent. The changes made by this final rule are effective from the date of publication but the changes are applied retroactively to November 30, 1999, the date of enactment of the applicable statutory provisions discussed above.

Administrative Procedure Act

Under 5 U.S.C. 553, there is a basis for dispensing with a 30-day delay of the effective date since the changes made by this final rule are restatements of statute, interpretive rules, and nonsubstantive changes for the purpose of clarity.

Paperwork Reduction Act

This document contains no provisions constituting a collection of information under the Paperwork Reduction Act (44 U.S.C. 3501-3520).

Unfunded Mandates

The Unfunded Mandates Reform Act requires, at 2 U.S.C. 1532, that agencies prepare an assessment of anticipated costs and benefits before developing any rule that may result in an expenditure by State, local, or tribal governments, in the aggregate, or by the private sector, of \$100 million or more in any given year. This rule would have no consequential effect on State, local, or tribal governments.

Executive Order 12866

This document has been reviewed by the Office of Management and Budget under Executive Order 12866.

Regulatory Flexibility Act

The Secretary of Veterans Affairs hereby certifies that this final rule will not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory

Flexibility Act, 5 U.S.C. 601-612. This final rule will not cause educational institutions to make changes in their activities and has minuscule monetary effects, if any. Pursuant to 5 U.S.C. 605(b), this final rule, therefore, is exempt from the initial and final regulatory flexibility analyses requirements of §§ 603 and 604.

(The Catalog of Federal Domestic Assistance number for program that this final rule affects is 64.124.)
