[Docket No. ER01-1755-000]

Constellation Power Source, Inc.; Notice of Issuance of Order

July 25, 2001.

Constellation Power Source, Inc. (CPS) submitted for filing a market-based rate schedule allowing eligible independent power producers (IPPs) to sell energy and/or capacity to CPS at market-based rates for resale. CPS also requested waiver of various Commission regulations for IPPs. In particular, CPS requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liability by eligible IPPs.

On June 5, 2001, pursuant to delegated authority, the Director, Division of Corporate Applications, Office of Markets, Tariffs and Rates, granted requests for blanket approval under Part 34, subject to the following:

Within thirty days of the date of the order, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by eligible IPPs should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).

Absent a request to be heard in opposition within this period, eligible IPPs are authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of the eligible IPPs, and compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of eligible IPP's issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is August 24, 2001.

Copies of the full text of the Order are available from the Commission's Public Reference Branch, 888 First Street, NE., Washington, DC 20426. On April 20, 2001, the Commission issued a notice of the application for a preliminary permit filed by Symbiotics, LLC., for the Hyrum Reservoir Project, to be located on the Bear River, in Cache County, Utah. The notice established June 19, 2001, as the deadline for filing motions to intervene.

On June 25, 2001, the Bear River Water Users Association (the Association) filed a late motion to intervene in the proceeding. On July 2, 2001, Symbiotics, LLC., filed a response to the motion to intervene, but does not oppose intervention by the Association.
