SUPPLEMENTARY INFORMATION:

I. Abstract

The *Source Directory* of American Indian and Alaska Native owned and operated arts and crafts enterprises is a program of the Indian Arts and Crafts Board that promotes American Indian and Alaska Native arts and crafts. The *Source Directory* is a forty-one page full-color illustrated publication featuring fine examples of contemporary American Indian and Alaska Native art from the major cultural areas in the United States. The *Source Directory* also comes with a listing of American Indian and Alaska native owned and operated arts and crafts businesses. This listing is included as an insert in the back cover of the *Source Directory*.

The service of being listed in this publication is provided free-of-charge to members of federally recognized tribes. Businesses listed in the *Source Directory* include American Indian and Alaska Native artists and craftspeople, cooperatives, tribal arts and crafts enterprises, businesses privately-owned-and-operated by American Indian and Alaska native artists, designers, and craftspeople, and businesses privately owned-and-operated by American Indian and Alaska Native merchants who retail and/or wholesale authentic Indian and Alaska native arts and crafts. Business listings in the *Source Directory* are arranged alphabetically by State. The *Source Directory* may be ordered from the Superintendent of Documents, P.O. Box 371954, Pittsburgh, PA 15250-7954, for a cost of \$8.00 which includes shipping and handling. The business listings are also available on the Board's website located at "www.iacb.doi.gov".

The Director of the Board uses this information to determine whether an individual or business applying to be listed in the *Source Directory* meets the requirements for listing. The approved application will be printed in the *Source Directory*. The *Source Directory* is updated annually to include new businesses and to update existing information.

II. Method of Collection

To be listed in the *Source Directory*, interested individuals and businesses must submit: (1) A letter requesting an entry in the *Source Directory*, (2) a draft of their business information in a format like the other *Source Directory* listings, (3) a copy of the individual's or business owner's tribal enrollment card; and for businesses, proof that the business is

organized under tribal, state or federal law; and (4) a certification that the business is an American Indian or Alaska Native owned and operated cooperative, tribal enterprise, or nonprofit organization or that the owner of the enterprise is an enrolled member of a federally recognized American Indian tribe or Alaska Native group.

The following information is collected in a single-page form that is distributed by the Indian Arts and Crafts Board. Although listing in the *Source Directory* is voluntary, submission of this information is required for inclusion in the *Directory*.

Information collected	Reason for collection
Name of business, mailing address, city, zip code (highway location, Indian reservation, etc.), telephone number and e-mail address.	To identify the business to be listed in the <i>Source Directory</i> , and method of contact.
Type of organization	To identify the nature of the business entity.
Hours/season of operation.	To identify those days and times when customers may contact the business.
Internet website address.	To identify whether the business advertises and/or sells inventory online.
Main categories of products.	To identify the products that the business produces.
Retail or wholesale products.	To identify whether the business is a retail or wholesale business.
Mail order and/or catalog.	To identify whether the business has a mail order and/or catalog
Price list information, if applicable.	To identify the cost of the listed products.
For a cooperative or tribal enterprise, a copy of documents showing that the organization is formally organized under tribal, state or federal law.	To determine whether the business meets the eligibility requirement for listing in the <i>Source Directory</i> .
Signed certification that the business is an American Indian or Alaska native owned and operated cooperative, tribal enterprise, or nonprofit organization.	To obtain verification that the business is an American Indian or Alaska Native owned and operated business.
Copy of the business owner's tribal enrollment card.	To determine whether the business owner is an enrolled member of a federally-recognized tribe.

Information collected	Reason for collection
Signed certification that the owner of the business is a member of a federally recognized tribe.	To obtain verification that the business owner is an enrolled member of a federally recognized tribe.

The proposed use of the information: The information collected will be used by the Indian Arts and Crafts Board:

(a) to determine whether an individual or business meets the eligibility requirements for inclusion in the *Source Directory*, i.e., whether they are either an American Indian or Alaska Native owned and operated cooperative, tribal enterprise, or nonprofit organization, or an enrolled member of a federally-recognized American Indian tribe or Alaska Native group;

(b) to identify the applicant's business information to be printed in the *Source Directory*.

III. Data

(1) *Title:* Department of the Interior, Indian Arts and Crafts Board, *Source Directory* of American Indian and Alaska Native owned and operated arts and crafts businesses.

OMB Control Number: 1085-xxxx.

Estimated annual number of respondents: 100.

Frequency of response: Annual.

(2) Annual reporting and record keeping burden.

Total annual reporting per respondent: 15 minutes.

Total annual reporting: 25 hours.

(3) *Description of the need and use of the information:* Submission of this information is required to receive the benefit of being listed in the Indian Arts and Crafts Board *Source Directory*. The information is collected to determine the applicant's eligibility for the service and to obtain the applicant's name and business address to be printed in the publication.

IV. Request for Comments

The Department of the Interior invites comments on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(b) The accuracy of the agency's estimate of the burden of the collection and the validity of the methodology and assumptions used;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(d) Ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other collection techniques or other forms of information technology.

Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, disclose or provide information to or for a federal agency. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information, to search data sources, to complete and review the collection of information; and to transmit or otherwise disclose the information.

All written comments will be available for public inspection in Room 4004 of the Main Interior Building, 1849 C Street, NW., Washington, DC from 9 a.m. until 3 p.m., Monday through Friday, excluding legal holidays. A valid picture identification is required for entry into the Department of the Interior. The comments, names and addresses of commenters will be available for public view during regular business hours. If you wish us to withhold your personal information, you must state what personal information you want us to withhold prominently at the beginning of your comment. We will honor your request to the extent allowable by law.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid Office of Management and Budget control number.

Minerals Management Service

Preparation of an Environmental Assessment for TotalFinaElf Exploration and Production USA, Inc.'s (TotalFinaElf) and Williams Field Services—Gulf Coast Company, L.P. (Williams) Pipeline and Platform Applications (Canyon Express and Canyon Station Pipeline Applications)

AGENCY: Minerals Management Service, Interior.

ACTION: Preparation of an environmental assessment and notice of unlisted activities pursuant to 15 CFR 930.54.

Note: This FR Notice replaces the DEPARTMENT OF THE INTERIOR, Minerals Management Service FR Notice/Vol. 66, No. 119, Wednesday, June 20, 2001/Page 33109 for above subject

SUMMARY: The Minerals Management Service (MMS) is preparing an environmental assessment (EA) for a proposed deepwater project to develop and produce hydrocarbon reserves about 70 miles offshore Louisiana and about 90 miles south of Alabama in Mississippi Canyon Block 348 (Camden Hills Prospect), Mississippi Canyon Block 305 (Aconcagua Prospect), and DeSoto Canyon Blocks 133 and 177 and Mississippi Canyon Block 217 (Kings Peak Prospect) in the Central and Eastern Planning Areas. This Notice provides additional information about the proposed activities and replaces the Notice published on June 20, 2001.

FOR FURTHER INFORMATION CONTACT: Minerals Management Service, Gulf of Mexico OCS Region, 1201 Elmwood Park Boulevard, New Orleans, Louisiana 70123-2394, Mr. Alvin Jones, telephone (504) 736-1713.

SUPPLEMENTARY INFORMATION: This EA implements the tiering process outlined in 40 CFR 1502.20, which encourages agencies to tier environmental documents, eliminating repetitive discussions of the same issue. By use of tiering to the most recent final environmental impact statement (EIS) for the Gulf of Mexico Central Planning Area for Lease Sales 169, 172, 175, 178, and 182 and by referencing related environmental documents, this EA concentrates on environmental issues specific to the proposed action. This Notice also provides constructive notification of these activities pursuant to 15 CFR 930.54.

The MMS Gulf of Mexico Region received Pipeline Right-of-Way (ROW) Applications from TotalFinaElf E&P USA, Inc., that propose to construct, maintain, and operate pipelines and

umbilicals and produce the hydrocarbon reserves discovered in the Camden Hills field [Mississippi Canyon (MC) Block 348], the Aconcagua field (MC Block 305), and the Kings Peak field (MC Blocks 217 and 173; DeSoto Canyon (DC) Blocks 133 and 177). The Region also received a Right-of-Use and Easement application from Williams Field Services, Gulf Coast Company, L.P., for the installation and operation of a hydrocarbon processing platform located in Main Pass (MP) Block 261, which will receive production from the Camden Hills, Aconcagua, and Kings Peak fields. The combined Applications are referred to as the Canyon Express / Station Project. TotalFinaElf is the designated operator (DO) for the Canyon Express system, which includes the Camden Hills field [leased by Marathon Oil Company (DO)]; the Aconcagua field [leased by TotalFinaElf (DO)]; and the Kings Peak field, [leased by BP; (DO)]. The proposed Canyon Station processing platform would be installed and operated by Williams Field Services and would be within 100 km of the Breton National Wildlife Refuge. Between nine and eleven wells that were proposed under previously-approved Plans and Development Operations Coordination Documents will be operated by TotalFinaElf. Williams' proposed platform would receive gas and condensate from the Canyon Express Project and export the gas through four proposed export pipelines to four existing pipelines, all within MP Block 261. The Canyon Express/Station Project, which includes all export lines, flow lines, supply lines, jumpers, and umbilicals, consists of 32 individual pipeline segments to be permitted as ROW and lease-term pipelines and one host platform to be permitted as a Right-of-Use and Easement.

The Canyon Express ROW Applications consist of 28 ROW and lease-term pipeline segments. The lengths of pipeline segments range from 60 feet to over 55 miles. The water depth ranges from 7,265 feet in MC Block 348 to 299 feet at the proposed host platform in MP Block 261. TotalFinaElf will use a support base located in Fourchon, Louisiana, to support pipelaying activities associated with the Canyon Express Project. Some segments and portions of the proposed Canyon Express pipeline originate in and/or traverse six blocks in the Eastern Planning Area.

The Canyon Station Right-of-Use and Easement processing platform application consists of a processing platform and four export pipeline applications all within the Central
