Preliminary Results of Review

In accordance with 19 CFR 351.221(b)(4)(i), we calculated an individual subsidy rate for each producer/exporter subject to this administrative review. For the period January 1, 1999 through December 31, 1999, we preliminarily determine the net subsidy rates for producers/exporters under review to be those specified in the chart shown below. If the final results of this review remain the same as these preliminary results, the Department intends to instruct the Customs Service ("Customs") to assess countervailing duties at these net subsidy rates. Because the rates for Beslen and Filiz are zero, we plan to instruct Customs to liquidate entries from these companies during the POR without regard to countervailing duties.

The Department also intends to instruct Customs to collect cash deposits of estimated countervailing duties at these rates on the FOB value of all shipments of the subject merchandise from the producers/exporters under review that are entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review.

Company	Ad valorem rate (percent)
Beslen Makarna Gida Sanayi ve Ticaret A.S. and Beslen Pazarlama Gida Sanayi ve Ticaret A.S	0.00

Company	Ad valorem rate (percent)
Filiz Gida Sanayi ve Ticaret A.S	0.00
Maktas Makarnacilik ve Ticaret A.S	10.76
Pastavilla Makarnacilik Sanayi ve Ticaret A.S	1.77

The calculations will be disclosed to the interested parties in accordance with 19 CFR 351.224(b).

For companies that were not named in our notice initiating this administrative review, the Department has directed Customs to assess countervailing duties on all entries between January 1, 1999 and December 31, 1999 at the rates in effect at the time of entry.

For all non-reviewed firms, we will instruct Customs to collect cash deposits of estimated countervailing duties at the most recent company-specific or country-wide rate applicable to the company. Accordingly, the cash deposit rates that will be applied to non-reviewed companies covered by this order are those established in the *Notice of Countervailing Duty Order: Certain Pasta ("Pasta") From Turkey*, 61 FR 38546 (July 24, 1996) or the company-specific rate published in the most recent final results of an administrative review in which a company participated. These rates shall apply to all non-reviewed companies until a review of a company assigned these rates is requested.

Background

Section 401(a) of Public Law (Pub.L.) 105-83, as amended by Pub.L. 106-113, established the Environmental Improvement and Restoration Fund. Twenty percent of the interest proceeds from this fund, which contains one half of the amount awarded to the United States in the case, *United States v.*

Alaska, 521 U.S. 1 (1997) is used by the Department of Commerce to finance fisheries and marine research in the Bering Sea, North Pacific Ocean, and Arctic Ocean. These research activities are administered by the North Pacific Research Board. The remaining 80 percent of the interest earned from this fund is used by Bureau of Land Management, Fish and Wildlife Service, National Park Service, and USDA Forest Service to address maintenance backlogs.

Recent changes to the Board's original legislation detailed in Pub.L. 106-554, empower 5 members of the 20-member Board to make all decisions of the Board, including grant recommendations.
