

complete coat that aids in survival in the intestine and environment.

The proposed use of general criteria for designating strains of *E. coli* as risk group 1 agents is not intended to eliminate the need for case-by-case consideration of the potential effects of a biological agent on those who may be exposed to it (Section II-A-2 of the NIH Guidelines) and any general criteria will be subject to reevaluation and change in light of evidence that a strain meeting those criteria is associated with disease in healthy adult humans.

Proposed Amendments to the NIH Guidelines

For the reasons stated above, it is proposed to amend Appendix B-I, Risk Group (RG1) Agents, to state:

Appendix B-I. Risk Group (RG1) Agents

RG1 agents are not associated with disease in healthy adult humans. Examples of RG1 agents include asporogenic *Bacillus subtilis* or *Bacillus licheniformis* (see Appendix C-IV-A, *Bacillus subtilis* or *Bacillus licheniformis* Host-Vector Systems, Exceptions); adeno-associated virus (AAV) types 1 through 4; and recombinant AAV constructs, in which the transgene does not encode either a potentially tumorigenic gene product or a toxin molecule and are produced in the absence of a helper virus. A strain of *Escherichia coli* (see Appendix C-II-A, *Escherichia coli* K-12 Host Vector Systems, Exceptions) is an RG1 agent if it (1) does not possess a complete lipopolysaccharide (i.e., lacks the O antigen and has a "rough" colony morphology); and (2) does not carry any active virulence factor (e.g., toxins) or colonization factors and does not carry any genes encoding these factors.

Those agents not listed in Risk Groups (RGs) 2, 3 and 4 are not automatically or implicitly classified in RG1; a risk assessment must be conducted based on the known and potential properties of the agents and their relationship to agents that are listed.

Dated: August 3, 2001.

Ruth L. Kirschstein,

Acting Director, National Institutes of Health.

BILLING CODE 4140-01-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Substance Abuse and Mental Health Services Administration

Continuation of the Cooperative Agreement for the State Treatment Outcomes and Performance Pilot Studies Enhancement Technical Assistance Center

AGENCY: Center for Substance Abuse Treatment, Substance Abuse and Mental Health Services Administration, HHS.

ACTION: Continuation of the cooperative agreement with the State Treatment Outcomes and Performance Pilot Studies Enhancement Technical Assistance Center Grantee, Johnson, Bassin and Shaw, Incorporated, for one year.

SUMMARY: This notice is to inform the public of the Substance Abuse and Mental Health Services Administration (SAMHSA), Center for Substance Abuse Treatment's (CSAT) planned award to Johnson, Bassin and Shaw (JBS), Inc., to continue to serve as the Technical Assistance Center for the State Treatment Outcomes and Performance Pilot Studies Enhancement (TOPPS II) cooperative agreement program for one year. An additional year of support is needed to provide detailed statistical analyses of the final data set, to develop comprehensive written reports laying out the complete final analyses and results, and to translate the results into written and oral forms that can be understood and used by the substance abuse treatment field. In fiscal year 2001, CSAT plans to make approximately \$380,000 available for the award to JBS, Inc. The award will be made if the application is scored by the initial review group and concurred with by the CSAT National Advisory Council.

Eligibility for the cooperative agreement is limited to JBS, Inc., Only JBS, Inc., may apply because they have served as the Technical Assistance Center for the multi-site study during the past 2+ years of data collection. They developed the necessary infrastructure for the collection, analysis and dissemination of TOPPS II project data, and have experience working with the current 16 TOPPS II single State agency grantees. JBS, Inc., designed and maintains the TOPPS II database, collects and cleans the grantees' admission and discharge data, and is currently receiving and processing follow-up data. It would be an impediment to the orderly conduct of the study if there were a disruption in

data collection and analyses. JBS, Inc., has hired competent and capable staff with experience in conducting large, prospective, multi-site, substance abuse services performance and outcome studies. The incumbent works collaboratively with Federal and State staff, and members of the TOPPS II Steering Committee to facilitate the development of the TOPPS II data collection protocols, and to develop instruments and protocols for performance and outcome measurement, data quality management, secondary data analysis, statistical analysis and technical report writing.

Because of the incumbent's experience with this initiative, JBS, Inc., is uniquely positioned to guide the overall effort and to integrate the work of the TOPPS II study sites into a conceptual whole. To compete this announcement otherwise, would be duplicative and inefficient. Therefore, the eligibility for a continuation cooperative agreement with SAMHSA/CSAT is being limited to the incumbent, JBS, Inc.

Authority: The cooperative agreement with JBS, Inc., will be made under the authority of section 1935 (b)(1)(C) of the Public Health Service Act, as amended. The Catalog of Federal Domestic Assistance number is 93.238.

CONTACT: Hal Krause, CSAT, SAMHSA, Rockwall II, Suite 880, 5600 Fishers Lane, Rockville, MD 20857; telephone (301) 443-0488; e-mail: hkrause@samhsa.gov.

Dated: August 7, 2001.

Richard Kopanda,

Executive Officer, SAMHSA.

BILLING CODE 4162-20-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Substance Abuse and Mental Health Services Administration

Fiscal Year (FY) 2002 Funding Opportunities

AGENCY: Substance Abuse and Mental Health Services Administration, HHS.

ACTION: Notice of funding availability.

SUMMARY: The Substance Abuse and Mental Health Services Administration (SAMHSA) Center for Substance Abuse Treatment (CSAT) announces the availability of funds for grants for the following activity. This notice is not a complete description of the activity; potential applicants must obtain a copy of the Guidance for Applicants (GFA), including Part I, A Cooperative

Agreement for a Comprehensive Program for Substance Abusing Adults Involved with the Justice System to be Rehabilitated, Provide Restitution to the

Community, and have Certain Privileges Restored, and Part II, General Policies and Procedures Applicable to all SAMHSA Applications for

Discretionary Grants and Cooperative Agreements, before preparing and submitting an application.

Activity	Application deadline	Est. funds FY 2001	Est. number of awards	Project period
Rehabilitation & Restitution	November 5, 2001	\$2 million	Two	5 years.

The actual amount available for the award may vary, depending on unanticipated program requirements and the number and quality of applications received. Amounts may also vary based on appropriations. SAMHSA's policies and procedures for peer review and Advisory Council review of grant and cooperative agreement applications were published in the **Federal Register** (Vol. 58, No. 126) on July 2, 1993.

General Instructions: Applicants must use application form PHS 5161-1 (Rev. 7/00). The application kit contains the two-part application materials (complete programmatic guidance and instructions for preparing and submitting applications), the PHS 5161-1 which includes Standard Form 424 (Face Page), and other documentation and forms. Application kits may be obtained from: National Clearinghouse for Alcohol and Drug Information (NCADI), P.O. Box 2345, Rockville, MD 20847-2345, Telephone: 1-800-729-6686.

The PHS 5161-1 application form and the full text of the activity are also available electronically via SAMHSA's World Wide Web Home Page: <http://www.samhsa.gov>

When requesting an application kit, the applicant must specify the particular activity for which detailed information is desired. All information necessary to apply, including where to submit applications and application deadline instructions, are included in the application kit.

Purpose

The Substance Abuse and Mental Health Services Administration's Center for Substance Abuse Treatment announces the availability of funds for cooperative agreements for Program Rehabilitation and Restitution. These cooperative agreements will study the effectiveness of a sophisticated, multi-system program for certain non-violent substance abusing ex-felons to: Improve treatment retention and outcome; reduce the stigma of past substance abuse and non-violent criminal activity by, among other things, increasing the number and percentage of persons who have their non-violent felony records sealed; reduce criminal activity, which

reduces victimization; and assist program clients in becoming more fully functioning citizens of the United States.

This cooperative agreement program has been announced in response to the increasingly serious problem of non-violent substance abusing persons becoming involved with the criminal justice system, with that involvement resulting in short and long term consequences detrimental to the substance abuser, her or his family, and society. Funds are primarily available for system coordination, case management and evaluation; only a limited amount can be used for direct services as defined in the announcement.

Funding is limited to applicants in States that have laws permitting the sealing of the records of most convicted, first-time non-violent ex-felons within five years of the end of post-release supervision. This restriction is essential to the basic programmatic concepts being implemented and evaluated. Consequently, CSAT needs to place programs in States where the time period before possible sealing of records is the shortest. Further, time periods longer than five years are not acceptable given the fact the maximum permissible grant award period is five years.

Eligibility

Applications may be submitted by units of State or local government, Indian Tribes, and tribal organizations, and by public and private domestic nonprofit entities such as community-based organizations and faith-based organizations.

Availability of Funds

Subject to the availability of funds, it is estimated that \$2,000,000 will be available to support two awards under this program in fiscal year 2002.

Period of Support

Support may be requested for a period of up to five years. Annual awards will be made subject to continued availability of funds and progress achieved. After the five year period, depending upon the availability of funds, supplemental awards, for purposes of supporting evaluation, may

become available. The applicant should not request supplemental awards in their applications responding to this announcement.

Criteria for Review and Funding

General Review Criteria

Competing applications requesting funding under this activity will be reviewed for technical merit in accordance with established PHS/SAMHSA peer review procedures. Review criteria that will be used by the peer review groups are specified in the application guidance material.

Award Criteria for Scored Applications

Applications will be considered for funding on the basis of their overall technical merit as determined through the peer review group and the appropriate National Advisory Council review process. Availability of funds will also be an award criteria. Additional award criteria specific to the programmatic activity may be included in the application guidance materials.

Catalog of Federal Domestic Assistance Number

93.230

Program Contact

For questions concerning program issues, contact: Bruce Fry, Division of Practice and Systems Development, CSAT/SAMHSA, Rockwall II, Suite 740, 5600 Fishers Lane, Rockville, MD 20857, (301) 443-0128, E-mail: Bfry@samhsa.gov.

For questions regarding grants management issues, contact: Kathleen Sample, Division of Grants Management, OPS/SAMHSA, Rockwall II, 6th floor, 5600 Fishers Lane, Rockville, MD 20857, (301) 443-9667, E-Mail: ksample@samhsa.gov.

Public Health System Reporting Requirements

The Public Health System Impact Statement (PHSIS) is intended to keep State and local health officials apprised of proposed health services grant and cooperative agreement applications submitted by community-based nongovernmental organizations within their jurisdictions.

Community-based nongovernmental service providers who are not transmitting their applications through the State must submit a PHSIS to the head(s) of the appropriate State and local health agencies in the area(s) to be affected not later than the pertinent receipt date for applications. This PHSIS consists of the following information:

a. A copy of the face page of the application (Standard form 424).

b. A summary of the project (PHSIS), not to exceed one page, which provides:

(1) A description of the population to be served.

(2) A summary of the services to be provided.

(3) A description of the coordination planned with the appropriate State or local health agencies.

State and local governments and Indian Tribal Authority applicants are not subject to the Public Health System Reporting Requirements. Application guidance materials will specify if a particular FY 2002 activity is subject to the Public Health System Reporting Requirements.

PHS Non-Use of Tobacco Policy Statement

The PHS strongly encourages all grant and contract recipients to provide a smoke-free workplace and promote the non-use of all tobacco products. In addition, Public Law 103-227, the Pro-Children Act of 1994, prohibits smoking in certain facilities (or in some cases, any portion of a facility) in which regular or routine education, library, day care, health care, or early childhood development services are provided to children. This is consistent with the PHS mission to protect and advance the physical and mental health of the American people.

Executive Order 12372

Applications submitted in response to the FY 2002 activity listed above are subject to the intergovernmental review requirements of Executive Order 12372, as implemented through DHHS regulations at 45 CFR Part 100. E.O. 12372 sets up a system for State and local government review of applications for Federal financial assistance. Applicants (other than Federally recognized Indian tribal governments) should contact the State's Single Point of Contact (SPOC) as early as possible to alert them to the prospective application(s) and to receive any necessary instructions on the State's review process. For proposed projects serving more than one State, the applicant is advised to contact the SPOC of each affected State. A current listing

of SPOCs is included in the application guidance materials. The SPOC should send any State review process recommendations directly to: Division of Extramural Activities, Policy, and Review, Substance Abuse and Mental Health Services Administration, Parklawn Building, Room 17-89, 5600 Fishers Lane, Rockville, Maryland 20857.

The due date for State review process recommendations is no later than 60 days after the specified deadline date for the receipt of applications. SAMHSA does not guarantee to accommodate or explain SPOC comments that are received after the 60-day cut-off.

Dated: August 7, 2001.

Richard Kopanda,

Executive Officer, SAMHSA.

BILLING CODE 4162-20-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-4650-N-56]

Notice of Proposed Information Collection: Comment Request; Designation of Round III Empowerment Zones and Renewal Communities

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: The proposed information collection requirement described below will be submitted to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

DATES: *Comment Due Date:* October 12, 2001.

ADDRESSES: Interested persons are invited to submit comments regarding this proposal. Comments should refer to the proposal by name and/or OMB Control Number and should be sent to: Reports Liaison Officer, Shelia E. Jones, Department of Housing and Urban Development, 451 7th Street, SW., Room 7230, Washington, DC 20410.

FOR FURTHER INFORMATION CONTACT: Judith Mize at (202) 708-6339 x4167 (this is not a toll-free number) for copies of the proposed forms and other available information.

SUPPLEMENTARY INFORMATION: The Department will submit the proposed information collection to OMB for review, as required by the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35, as amended).

This Notice is soliciting comments from members of the public and affecting agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) Enhance the quality, utility, and clarity of the information to be collected; and (4) Minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

This Notice also lists the following information:

Title of Proposal: Designation of Round III Empowerment Zones and Renewal Communities.

OMB Control Number, if applicable: 2506-0173.

Description of the need for the information and proposed use: This interim rule governs the designation of Round III Empowerment Zones (EZs) and Renewal Communities (RCs) nominated by States and local governments. The designation of an area as an EZ or an RC provides special Federal income tax treatment as an incentive for businesses to be located within the area. This rule lays the foundation for designations to be made in response to applications submitted in response to the Notice Inviting Applications published in the **Federal Register**.

Agency form numbers, if applicable: None.

Members of the affected public: State, Local or Tribal Government.

Estimation of the total number of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: An estimation of the total numbers of hours needed to prepare the information collection is 9,360, number of respondents is 200, frequency of response is 1, and the hours per response on an average is 45.

Status of the proposed information collection: Reinstatement, without change.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.
