

abandonment provide copies of their protests only to the party or parties directly involved in the protest.

Persons who wish to comment only on the environmental review of this abandonment should submit an original and two copies of their comments to the Secretary of the Commission. Environmental commenters will be placed on the Commission's environmental mailing list, will receive copies of the environmental documents, and will be notified of meetings associated with the Commission's environmental review process. Environmental commenters will not be required to serve copies of filed documents on all other parties. However, the non-party commenters will not receive copies of all documents filed by other parties or issued by the Commission (except for the mailing of environmental documents issued by the Commission) and will not have the right to seek court review of the Commission's final order.

Comments, protests and interventions may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site under the "e-Filing" link.

If the Commission decides to set the application for a formal hearing before an Administrative Law Judge, the Commission will issue another notice describing that process. At the end of the Commission's review process, a final Commission order approving or denying abandonment will be issued.

David P. Boergers,
Secretary.

Pacific Gas and Electric Company, *et al.*; Electric Rate and Corporate Regulation Filings

August 28, 2001.

Take notice that the following filings have been made with the Commission:

1. Pacific Gas and Electric Company

[Docket No. ER01-2904-000]

Take notice that on August 23, 2001, Pacific Gas and Electric Company (PG&E) tendered for filing two agreements entitled Wholesale Distribution Tariff Service Agreement (Service Agreement) and Agreement for Parallel Operation—Nonutility-Owned Generation (PO) with Los Alamos Energy, LLC (Los Alamos), submitted pursuant to the PG&E Wholesale Distribution Tariff (WDT).

The Service Agreement permits PG&E to recover the ongoing costs associated with owning, operating and maintaining the Special Facilities. As detailed in the Service Agreement, PG&E proposes to charge Los Alamos a monthly Cost of Ownership Charge equal to the rates for distribution-level, customer-financed and distribution-level, utility-financed facilities in PG&E's currently effective Electric Rule 2, as filed with the California Public Utilities Commission (CPUC). PG&E's currently effective rates of 0.46% and 1.33%, respectively, for distribution-level, customer-financed and distribution-level, utility-financed Special Facilities are contained in the CPUC's Advice Letter 1960-G/1587-E, effective August 5, 1996, a copy of which is included as Attachment 2 of this filing.

Copies of this filing have been served upon Los Alamos, the California Independent System Operator Corporation and the California Public Utilities Commission.

Comment date: September 13, 2001, in accordance with Standard Paragraph E at the end of this notice.

2 Black Hills Corporation, d/b/a Black Hills Power, Inc.

[Docket No. ER01-2913-000]

Take notice that on August 23, 2001, Black Hills Corporation, d/b/a Black Hills Power, Inc., tendered for filing an executed Service Agreement for Non-Firm Point-to-Point Transmission Service with Cargill.

Black Hills Power, Inc. has requested that the executed Service Agreement become effective August 6, 2001.

Copies of the filing were provided to Cargill and to the regulatory commissions for the states of Montana, South Dakota and Wyoming.

Commendate: September 13, 2001, in accordance with Standard Paragraph E at the end of this notice.

3. Carolina Power & Light Company

[Docket No. ER01-2914-000]

Take notice that on August 23, 2001, Carolina Power & Light Company (CP&L) tendered for filing Service Agreements for Short-Term Firm and Non-Firm Point-to-Point Transmission Service with Duke Energy Trading and Marketing, L.L.C. Service to this Eligible Customer will be in accordance with the terms and conditions of the Open Access Transmission Tariff filed on behalf of CP&L.

CP&L is requesting an effective date of August 7, 2001 for the Service Agreements.

Copies of the filing were served upon the North Carolina Utilities Commission

ENVIRONMENTAL PROTECTION AGENCY

[FRL-7047-6]

Community Based In-Home Asthma Environmental Education and Management

AGENCY: Environmental Protection Agency.

ACTION: Request for grant proposals.

SUMMARY: Request for Proposals for Community Based In-Home Asthma Environmental Education and Management. This is an announcement of the availability of FY 2001 grant funds for the Environmental Protection Agency's (EPA) Indoor Environments Division/Office of Radiation and Indoor Air. Section 103(a)(1) of the Clean Air Act authorizes the Administrator to conduct and promote the coordination and acceleration of research, investigations, experiments, demonstrations, surveys and studies relating to the causes, effects (including health and welfare effects), extent, prevention, and control of air pollution by [(b)(3)] making grants to air pollution control agencies, to other public or nonprofit private agencies, institutions, and organizations, and to individuals, for purposes stated in 103(a)(1). The intended use of these funds is to support pilot studies of asthma education, including asthma management and indoor asthma trigger identification/mitigation, in existing community-based in-home environmental management or education programs. EPA is awarding these grants to support the recipients to conduct pilot studies of in-home asthma education and assess the effectiveness of their in-home approaches to educating children with asthma, their parents and/or primary care givers, and other people with asthma, including how to identify the indoor triggers to which the asthmatic(s) in the household may be sensitive, and how to mitigate them. EPA plans to award two grants of up to \$150,000.00 each, to two qualified
