The Nuclear Regulatory Commission has issued for public comment a proposed revision of a guide in its Regulatory Guide Series. The draft guide, temporarily identified by its task number, DG-1108 (which should be mentioned in all correspondence concerning this draft guide), is "Combining Modal Responses and Spatial Components in Seismic Response Analysis." This draft guide is a proposed Revision 2 of Regulatory Guide 1.92, and it is being revised to improve the guidance to licensees and applicants on methods acceptable to the NRC staff for combining modal responses and spatial components in seismic response analysis in the design and evaluation of nuclear power plant structures, systems, and components important to safety.

This draft guide has not received complete staff approval and does not represent an official NRC staff position.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review, Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension:

Rules 17Ad-6 and 17Ad-7, SEC File No. 270-151, OMB Control No. 3235-0291.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission

("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

- Rules 17Ad-6 and 17Ad-7: Recordkeeping requirements for transfer agents

Rule 17Ad-6 under the Securities Exchange Act of 1934 (15 U.S.C. 78b *et seq.*) requires every registered transfer agent to make and keep current records about a variety of information, such as: (1) Specific operational data regarding the time taken to perform transfer agent activities (to ensure compliance with the minimum performance standards in Rule 17Ad-2 (17 CFR 240.17Ad-2)); (2) written inquiries and requests by shareholders and broker-dealers and response time thereto; (3) resolutions, contracts or other supporting documents concerning the appointment or termination of the transfer agent; (4) stop orders or notices of adverse claims to the securities; and (5) all canceled registered securities certificates.

Rule 17Ad-7 under the Securities Exchange Act of 1934 (15 U.S.C. 78b *et seq.*) requires each registered transfer agent to retain the records specified in Rule 17Ad-6 in an easily accessible place for a period of six months to six years, depending on the type of record or document. Rule 17Ad-7 also specifies the manner in which records may be maintained using electronic, microfilm, and microfiche storage methods.

These recordkeeping requirements ensure that all registered transfer agents are maintaining the records necessary to monitor and keep control over their own performance and for the Commission to adequately examine registered transfer agents on an historical basis for compliance with applicable rules.

We estimate that approximately 1,000 registered transfer agents will spend a total of 500,000 hours per year complying with Rules 17Ad-6 and 17Ad-7. Based on average cost per hour of \$50, the total cost of compliance with Rule 17Ad-6 is \$25,000,000.

The retention period for the recordkeeping requirements under Rule 17Ad-6 is six months to one year. In addition, such records must be retained for a total of two to six years or for one year after termination of the transfer agency, depending on the particular record or document. The recordkeeping requirements under Rules 17Ad-6 and 17Ad-7 are mandatory to assist the Commission and other regulatory agencies with monitoring transfer agents and ensuring compliance with the rule. This rule does not involve the collection

of confidential information. Please note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

General comments regarding the above information should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503; and (ii) Michael E. Bartell, Associate Executive Director, Office of Information Technology, Securities and Exchange Commission, 450 5th Street, NW., Washington, DC 20549. Comments must be submitted to OMB within 30 days of this notice.

Dated: August 29, 2001.

Margaret H. McFarland,

Deputy Secretary.
