(collectively, ComEd) tendered for filing its rates which set forth ComEd's costs of providing transmission and scheduling services to the Alliance Regional Transmission Organization (Alliance RTO). ComEd requests an effective date of the later of December 15, 2001, the date the

Alliance RTO intends to commence operations, or the actual date on which the Alliance RTO commences operations.

Copies of the filing were served upon ComEd's jurisdictional customers, Alliance RTO Companies, and upon the affected state commissions.

12. Virginia Electric and Power Company

[Docket No. ER01-2993-000]

Take notice that on August 31, 2001, Virginia Electric and Power Company, doing business as Dominion Virginia Power (Dominion Virginia Power or the Company), tendered for filing its proposed rates for transmission service and certain ancillary services within the Dominion Virginia Power pricing zone of the Alliance Regional Transmission Organization (Alliance RTO). Dominion Virginia power requests that these rates take effect on the date on which the Alliance RTO Open Access Transmission Tariff (OATT) takes effect, which is expected to be December 15, 2001.

Copies of the filing were served upon the public utility's jurisdictional customers, all wholesale requirements customers of the Company and the Virginia State Corporation Commission and the North Carolina Utilities Commission; and a list of recipients of this transmittal letter, which includes all customers who have executed service agreements under the Company's OATT.

Comment date: September 21, 2001, in accordance with Standard Paragraph E at the end of this notice.

13. Arizona Public Service Company; El Paso Electric Company; Public Service Company of New Mexico; Southern California Edison Company

[Docket No. ER01-2994-000]

Take notice that on August 31, 2001, Arizona Public Service Company, El Paso Electric Company, Public Service Company of New Mexico, and Southern California Edison Company (collectively, the ANPP Switchyard Jurisdictional Participants), each tendered for filing with the Federal Energy Regulatory Commission (Commission) an ANPP Hassayampa Switchyard Interconnection Agreement for each of Duke Energy Arlington Valley, LLC, Pinnacle West Energy Corporation, Mesquite Power, LLC, Harquahala Generating Company, LLC, and Gila Bend Power Partners, LLC.

Comment date: September 21, 2001, in accordance with Standard Paragraph E at the end of this notice.

14. American Electric Power Corporation On behalf of: Appalachian Power Company; Columbus Southern Power Company; Indiana Michigan Power Company; Kentucky Power Company; Kingsport Power Company; Ohio Power Company; Wheeling Power Company

[Docket No. ER01-2995-000]

Take notice that on August 31, 2001, American Electric Power Service Corporation, on behalf of Appalachian Power Company, Columbus Southern Power Company, Indiana Michigan Power Company, Kentucky Power Company, Kingsport Power Company, Ohio Power Company, and Wheeling Power Company (collectively AEP) filed with the Federal Energy Regulatory Commission (Commission) proposed changes for electric transmission rates.

AEPSC requests an effective date of December 15, 2001 or the Transmission Service Date of the Alliance RTO, whichever is later.

Copies of the transmittal letter to AEP's filing have been served upon AEP's transmission customers and copies of the complete filing have been served on the public service commissions of Indiana, Kentucky, Michigan, Ohio, Tennessee, Virginia and West Virginia.

Comment date: September 21, 2001, in accordance with Standard Paragraph E at the end of this notice.

15. Wisconsin Electric Power Company

[Docket No. ER01-2996-000]

Take notice that on August 31, 2001, Wisconsin Electric Power Company (Wisconsin Electric) tendered for filing with the Federal Energy Regulatory Commission (Commission or FERC), a fully executed Second Revised Power Sale Agreement, designated as Second Revised Rate Schedule FERC No. 90, between Wisconsin Electric and Wisconsin Public Power Inc. The changes to the Revised Power Sales Agreement include: increasing the future power supply commitments under the agreement, setting the charged rates for a five-year period, establishing a rate structure for a period following the five-year period and extending the term of the agreement.

Copies of the filing have been sent to Wisconsin Public Power Inc., the Public Service Commission of Wisconsin and the Michigan Public Service Commission.

16. The Dayton Power and Light Company

[Docket No. ER01-2997-000]

Take notice that on August 31, 2001, The Dayton Power and Light Company

(Dayton) submitted a filing with the Federal Energy Regulatory Commission (Commission or FERC), in support of new rates for jurisdictional transmission and ancillary services. Dayton states that the filing is made for the purposes of implementing in relevant part the Commission's orders on the Alliance Regional Transmission Organization (ARTO) and effecting the transition from the provision of services by Dayton using its own facilities under its Open Access Transmission Tariff (Tariff) (designated by the Commission as Dayton's FERC Electric Tariff, Original Volume No. 5) to the provision of new services on a regional basis by the ARTO. Dayton states that the filing provides the Dayton-specific cost of service and other data that support in relevant part the rates for service under the ARTO tariff being filed concurrently with Dayton's filing. Dayton states that a copy of this filing has been served on all customers under its current Tariff and the Public Utilities Commission of Ohio.

Comment date: September 21, 2001, in accordance with Standard Paragraph E at the end of this notice.

17. Illinois Power Company

[Docket No. ER01-2999-000]

Take notice that on August 31, 2001, Illinois Power Company (Illinois Power) tendered for filing with the Federal Energy Regulatory Commission (Commission), proposed rate changes for wholesale electric transmission rates. The proposed changes seek to recover a total of \$38.3 million in revenue in 2001, a 54.8 percent increase in revenues from jurisdictional sales and service based on the 12-month period ending December 31, 2000, as compared to current rates under Illinois Power's open access transmission tariff (OATT).

In order to meet the Alliance Regional Transmission Organization's (Alliance RTO) proposed operational date of on or about December 15, 2001, the transmission owners participating in the Alliance RTO (Alliance Companies), including Illinois Power, are submitting contemporaneously with this filing, a Section 205 filing to establish the transmission rates for the Alliance RTO. In that filing, the Alliance Companies are submitting the rates to be charged under the approved non-pancaked rate structure that provides for zonal rates for loads in the zone, and a single regional through and out rate.

Copies of the filing were served upon all affected customers under Illinois Power's OATT and upon the Illinois Commerce Commission.

Comment date: September 21, 2001, in accordance with Standard Paragraph E at the end of this notice.

Standard Paragraph

E. Any person desiring to be heard or to protest such filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions or protests should be filed on or before the comment date. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection. This filing may also be viewed on the web at <http://www.ferc.gov> using the "RIMS" link, select "Docket#" and follow the instructions (call 202-208-2222 for assistance). Comments, protests and interventions may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site under the "e-Filing" link.
