

On May 24, 1999, we issued a final scope ruling finding that, effective October 26, 1998, pasta in packages weighing or labeled up to (and including) five pounds four ounces is within the scope of the countervailing duty order. (See May 24, 1999, memorandum from John Brinkman to Richard Moreland, which is on file in the Central Records Unit ("CRU") in Room B-099 of the main Commerce building.)

### Background

On June 1, 2001, the Department initiated a sunset review of the countervailing duty orders on pasta from Turkey, pursuant to section 751(c) of the Act (66 FR 29771). The Department received a notice of intent to participate on behalf of New World Pasta, American Italian Pasta Company, Borden Foods Corporation, and Dakota Growers Pasta Company (collectively, "the domestic interested parties"), on June 15, 2001, within the applicable deadline specified in section 351.218(d)(1)(i) of the Sunset Regulations. Pursuant to section 771(9)(C) of the Act, the domestic interested parties claimed interested party status as producers of certain pasta. In addition, the domestic interested parties assert that most of the domestic interested parties participated in the original investigation and the scope clarification proceeding.<sup>1</sup> On June 29, 2001, we received a request for extension of time to file substantive responses and rebuttal comments from the domestic interested parties.<sup>2</sup> The Department received a complete substantive response from the domestic interested parties on July 16, 2001. The Department did not receive substantive responses from any respondent interested party in this proceeding.<sup>3</sup> As a result, pursuant to 19 CFR

<sup>1</sup> See Substantive Response by the Domestic Industry, Sunset Review of the Countervailing Duty Order on Certain Pasta from Turkey, July 2, 2001, at 4.

<sup>2</sup> On June 29, 2001, the Department received a letter on behalf of the domestic interested parties regarding request for additional time to file substantive and rebuttal comments in this sunset review. On June 29, 2001, the Department granted the extension to the domestic parties and to all participants. Pursuant to 19 CFR 351.302(b), the deadline for all parties filing substantive responses was extended to July 16, 2001.

Pursuant to 19 CFR 351.218(d)(4), the time for filing rebuttal comments was therefore extended to July 23, 2001 for all parties. In this review, no rebuttal briefs were filed.

<sup>3</sup> On June 20, 2001, the Department received a letter from the Government of Turkey ("GOT") regarding its interest in participating in the sunset proceeding regarding the countervailing duty order on certain pasta from Turkey. However, the Department did not receive a substantive response from the GOT.

351.218(e)(2)(ii)(C), the Department determined to conduct an expedited, 120-day, sunset review of the countervailing duty order on pasta from Turkey.<sup>4</sup>

### Analysis of Comments Received

All issues raised by parties to this sunset review are addressed in the Issues and Decision Memorandum ("Decision Memorandum") from Jeffrey A. May, Director, Office of Policy, Import Administration, to Faryar Shirzad, Assistant Secretary for Import Administration, dated October 1, 2001, which is hereby adopted by this notice. The issues discussed in the Decision Memorandum include the likelihood of continuation or recurrence of countervailing subsidies and the net subsidy likely to prevail were the order revoked. Parties can find a complete discussion of all issues raised in this review and the corresponding recommendations in this public memorandum, which is on file in the Central Records Unit, room B-099, of the main Commerce building. In addition, a complete version of the Decision Memorandum can be accessed directly on the Web at <http://ia.ita.doc.gov/frn>, under the heading "October 2001." The paper copy and electronic version of the Decision Memorandum are identical in content.

### Final Results of Review

We determine that revocation of the countervailing duty order on pasta from Turkey would likely lead to continuation or recurrence of a countervailable subsidy at the rates listed below:

TURKEY	
Manufacturer/producer/exporters	Net Countervailable subsidy
Filiz .....	3.87
Maktas .....	13.12
Oba .....	15.82
All Other (manufacturers/producers/exporters) .....	9.70

### Nature of the Subsidies

Five of the programs included in the calculations of the net countervailable subsidy likely to prevail if the order were revoked fall within the definition of an export subsidy under Article 3.1(a) of the Subsidies Agreement. They are: Pre-Shipment Export Loans, Pasta

This notice serves as the only reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305 of the Department's regulations. Timely notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This five-year ("sunset") review and notice are in accordance with sections 751(c), 752, and 777(i)(1) of the Act.

Dated: October 1, 2001.
