AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice of public meeting.

SUMMARY: The Colorado River Basin Salinity Control Advisory Council (Council) was established by the Colorado River Basin Salinity Control Act of 1974 (Public Law 93-320) (Act) to receive reports and advise Federal agencies on implementing the Act. In accordance with the Federal Advisory Committee Act, the Bureau of Reclamation announces that the Council will meet as detailed below.

DATES: The Advisory Council will conduct its annual meeting November 7, 2001. The meeting will begin at 10 a.m. and recess at 1 p.m.; it will reconvene briefly the following day at about 1 p.m.

To the extent that time permits, the Council chairman may allow public presentation of oral statements at the meeting. If you want to make an oral statement, written notice must be provided to David Trueman at the address listed below at least 5 days prior to the meeting. Any written comments received will be provided to the Advisory Council members at the meeting.

Any member of the public may file written statements with the Council before, during, or up to 30 days after the meeting, in person or by mail.

ADDRESSES: The meeting will be held in Conference Room B of the Arizona Department of Water Resources Building, 500 North Third Street, Phoenix, Arizona.

Send written comments and requests to make oral presentations to David Trueman, Bureau of Reclamation, Upper Colorado Regional Office, 125 South State Street, Room 6107, Salt Lake City, Utah 84138-1102; faxogram (801) 524-5499; e-mail at: dtrueman@uc.usbr.gov.

FOR FURTHER INFORMATION CONTACT: David Trueman, telephone (801) 524-3753.

SUPPLEMENTARY INFORMATION: The meeting of the Council is open to the public. To the extent that time permits,

the Council chairman may allow public presentation of oral statements at the meeting. See the **DATES** and **ADDRESSES** sections above for information on how to submit written comments and/or make oral statements. Any written comments received will be provided to the Advisory Council members at the meeting.

Agenda

The purpose of the meeting will be to discuss the accomplishments of Federal agencies and make recommendations on future activities to control salinity. Council members will be briefed on the status of salinity control activities and receive input for drafting the Council's annual report. The Department of the Interior, the Department of Agriculture, and the Environmental Protection Agency will each present a progress report had a schedule of activities on salinity control in the Colorado River Basin. The Council will discuss salinity control activities and the content of their report.

Public Disclosure Statement

Our practice is to make comments, including names and home addresses of respondents, available for public review. Individual respondents may request that we withhold their home address from public disclosure, which we will honor to the extent allowable by law. There also may be circumstances in which we would withhold a respondent's identity from public disclosure, as allowable by law. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comment. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or business, available for public disclosure in their entirety.

Dated: October 4, 2001.

John W. Keys III,

Commissioner, Bureau of Reclamation.

Bureau of Reclamation

Notice of Realty Action—Competitive Bulk Sale of Federal Land

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice of realty action, competitive bulk sale of federal land.

SUMMARY: The tracts of land described below have been identified for sale and transfer out of Federal ownership under the Public Law 105-277 Title X-Canyon Ferry Reservoir, Montana Act of October 22, 1998, as amended November 29, 1999, and October 27, 2000. The purpose of this notice is to solicit letters of interest from parties wishing to bid on and to purchase 265 recreation home sites at Canyon Ferry Reservoir, Montana.

DATES: For a period of 90 days from the publication of this notice in the **Federal Register**, interested parties may request notification of future sale dates, and may request a copy of the bid package from the Montana Area Office, Bureau of Reclamation.

ADDRESSES: Address all requests concerning this notice to Montana Area Office, Bureau of Reclamation, Attention: Susan Stiles, Realty Specialist, P.O. Box 30137, Billings, MT 59107-0137.

FOR FURTHER INFORMATION CONTACT: Susan Stiles at (406) 247-7316.

SUPPLEMENTARY INFORMATION: The subject property is located along the north half of the east and west shores of Canyon Ferry Reservoir, about 20 miles east of Helena, Montana. The property is described as cabin site Lots 1 through 36, Lots 38 through 266, and drainfield and septic site lots D-1 through D-8, Sections 2, 11, 12, 13, 15, 22, 23, 26, Township 10 North, Range 1 West, P.M., Canyon Ferry Reservoir, Lewis and Clark County, Montana, comprising approximately 163.73 acres, more or less. The Bureau of Reclamation currently leases these lots out for seasonal cabin site use to private parties.

On October 21, 1998, Title X of Public Law 105-277, The Canyon Ferry Reservoir, Montana Act, required that the Secretary of Interior sell, for the appraised fair market value, 265 cabin sites located at Canyon Ferry Reservoir to private parties. It is anticipated that the appraisal of the cabin sites will be completed by the end of 2001, and that the Bureau of Reclamation will offer the cabin sites for sale in Spring 2002. Interested parties will be informed of the exact sale dates once they have been established.

As required by the Canyon Ferry Reservoir, Montana Act, the cabin sites will initially be offered as an entire block of land to the highest bidder, which requires a prospective buyer to purchase all 265 cabin sites at not less than their appraised fair market value. In addition to the sale price, the purchaser will also be required to reimburse the Bureau of Reclamation for

all its administrative costs in connection with the sale process. Included in the bid package, interested parties will receive instructions in how to submit their sealed bids to the Bureau of Reclamation, the amount of the minimum bid required (appraised value), an estimate of the administrative costs to be paid, along with other pertinent sales information.

Pursuant to the Canyon Ferry Reservoir, Montana Act, the Canyon Ferry Recreation Association (CFRA) shall have the right to match the highest bid and purchase the properties at a price equal to the amount of the highest bid. If CFRA does not match the highest bid, then the Canyon Ferry Reservoir, Montana Act requires that the cabin sites be sold to the high bidder. The purchaser is then required by the Canyon Ferry Reservoir, Montana Act to give each cabin site lessee an option either to purchase their cabin site at its appraised fair market value, or to continue leasing their cabin site from the purchaser up through August 2014. As a condition to the bulk sale, it will be the sole responsibility of the successful bidder to negotiate the sale or lease of the individual tracts to the current lessees.

In the event there is not a qualified high bidder, then Reclamation will offer to sell the cabin sites to the current lessees at their fair market value, at a later date as determined by the Bureau of Reclamation. The Bureau of Reclamation may at any time during the course of the sale, accept or reject any and all offers, or remove any land or interest in land from the sale at its sole discretion.

Resource clearances consistent with the National Environment Policy Act requirements have been completed. An Environmental Assessment pertaining to the proposed sale is available upon request from the Montana Area Office. The patent and quitclaim deed issued for the land sold will be subject to easement or rights-of-way existing or of record in favor of the public or third parties, as well as the condition set forth in the Canyon Ferry Reservoir, Montana Act, and mineral and other reservations by the United States.

Easements granted—The purchaser(s) will be granted easements for: (A) Vehicular access to each lot, (B) access to and use of 1 dock per lot, and (C) access to and use of all boathouses, ramps, retaining walls, and other improvements for which access is provided in the leases as of the date of enactment of the Canyon Ferry Reservoir, Montana Act.

Improvements—Each cabin site is encumbered with a cabin or home, and

may include other structures such as sheds, garages, boathouses, fences, retaining walls, wells, and septic systems. These improvements are privately owned by the current lessees and therefore not included in the fair market value of the property and they are not included in this sale. The United States and the Bureau of Reclamation, hereby absolves itself of any responsibility or liability of any nature whatsoever in connection with said improvements which are owned by the current lessees.

Dated: October 3, 2001.

Susan Kelly,

Area Manager, Montana Area Office, Bureau of Reclamation.

DEPARTMENT OF JUSTICE

Drug Enforcement Administration

Lawrence C. Agee, M.D.; Revocation of Registration

On January 25, 2001, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration (DEA), issued an Order to Show Cause (OTSC) by certified mail to Lawrence C. Agee, M.D., notifying him of an opportunity to show cause as to why the DEA should not revoke his DEA Certificate of Registration, BA0922903, pursuant to 21 U.S.C. 824(a)(3), and deny any pending applications for renewal or modification of such registration pursuant to 21 U.S.C. 823(f), on the grounds that Dr. Agee is not licensed in California, the jurisdiction in which he practices. The order also notified Dr. Agee that should no request for hearing be filed within 30 days, his right to a hearing would be deemed waived.

The OTSC was sent to Dr. Agee at his DEA registered premises in Auburn, California. Subsequently, on February 16, 2001, the letter was returned by the U.S. Postal Service, marked "attempted, not known" and "not at this address."

The DEA Sacramento District Office then contacted the California Medical Board and obtained its address of record for Dr. Agee in Rocklin, California. The OTSC was then sent by certified mail to Dr. Agee at this address. On April 18, 2001, this second letter was also returned to DEA, marked "not deliverable as addressed," and "unable to forward," and "moved left no address."

DEA has received no further information regarding the whereabouts of Dr. Agee, nor any information from

anyone purporting to represent him in this matter. Therefore, the Administrator, finding that (1) 30 days having passed since the attempted delivery of the Order to Show Cause at Dr. Agee's last known address, and (2) no request for a hearing having been received, concludes that Dr. Agee is deemed to have waived his right to a hearing. Following a complete review of the investigative file in this matter, the Administrator now enters his final order without a hearing pursuant to 21 CFR 1301.43 (d) and (e), and 1301.46 (2001).

The Administrator finds as follows: Dr. Agee currently possesses DEA Certificate of Registration BA0922903, issued to him in California. By Decision and Order effective October 11, 2000, the Medical Board of California adopted the Proposed Decision of the Division of Medical Quality, Medical Board of California, Department of Consumer Affairs, that Dr. Agee's Physician and Surgeon Certificate be suspended for an indefinite period. Therefore, the Administrator concludes that Dr. Agee is not currently licensed or authorized to handle controlled substances in California.

The DEA does not have the statutory authority pursuant to the Controlled Substances Act to issue or to maintain a registration if the applicant or registrant is without state authority to handle controlled substances in the state in which he or she practices. See 21 U.S.C. 823(f), and 824(a)(3). This prerequisite has been consistently upheld in prior DEA cases. See Graham Travers Schuler, M.D., 65 FR 50,570 (2000); Romeo J. Perez, M.D., 62 FR 16,193 (1997); Demetris A. Green, M.D., 61 FR 60,728 (1996); Dominick A. Ricci, M.D., 58 FR 51,104 (1993).

In the instant case, the Administrator finds the Government has presented evidence demonstrating that Dr. Agee is not authorized to practice medicine in California, and therefore, the Administrator infers that Dr. Agee is also not authorized to handle controlled substances in California, the State in which he holds his DEA Certificate of Registration.

Accordingly, the Administrator of the Drug Enforcement Administration pursuant to the authority vested in him by 21 U.S.C. 823 and 824 and 28 CFR 0.100(b) and 0.104, hereby orders that the DEA Certificate of Registration BA0922903 previously issued to Lawrence C. Agee, M.D., be, and it hereby is, revoked. The Administrator hereby further orders that any pending applications for renewal or modification of said registration be, and hereby are, denied. This order is effective November 19, 2001.
