SECURITIES AND EXCHANGE COMMISSION

Issuer Delisting; Notice of Application To Withdraw From Listing and Registration; (Myers Industries, Inc., Common Stock, no par Value) From the American Stock Exchange LLC File No. 1-8524

November 15, 2001.

Myers Industries, Inc., an Ohio corporation ("Issuer"), has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to section 12(d) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 12d2-2(d) hereunder,² to withdraw its Common Stock, no par value ("Security"), from listing and registration on the American Stock Exchange LLC ("Amex" or "Exchange").

The Issuer stated in its application that it has met the requirements of Amex Rule 18 by complying with all applicable laws in effect in the State of Ohio, in which it is incorporated, and with the Amex's rules governing an issuer's voluntary withdrawal of a security from listing and registration. The Amex has in turn informed the Issuer that it does not object to the proposed withdrawal of the Issuer's Security from listing and registration on the Exchange.

The Board of Trustees ("Board") of the Issuer approved a resolution on September 19, 2000 to withdraw the Issuer's Security from listing on the Amex and to list such Security on the New York Stock Exchange, Inc. ("NYSE"), effective May 1, 2001. In making the decision to withdraw its Security from the Amex, the Board

considered the potential to increase institutional interest and the benefit to its capital structure by listing on the NYSE. The Issuer stated that trading in the Security on the Amex ceased on April 30, 2001, and trading in the Security began on the NYSE at the opening of business on May 1, 2001.

The Issuer's application relates solely to the withdrawal of the Security from listing and registration on the Amex and shall have no effect upon the Security's continued listing and registration on the NYSE under section 12(b) of the Act.³

Any interested person may, on or before December 10, 2001, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, DC 20549-0609, facts bearing upon whether the application has been made in accordance with the rules of the Amex and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁴

Secretary.

National Fuel Gas Company (70-9987)

National Fuel Gas Company ("National"), a registered holding company, 10 Lafayette Square, Buffalo, New York 14203, has filed an application-declaration under sections 32 and 33 of the Act and rule 53 under the Act.

National seeks an increase in its aggregate investment limit in exempt wholesale generators, as defined in section 32 of the Act, ("EWGs"), and foreign utility companies, as defined in section 33 of the Act, ("FUCOs"). By order of the Commission dated March 20, 1998 (HCAR No. 26847) as modified by order dated April 21, 2000 (HCAR No. 27170) ("1998 Order"), National and its subsidiaries are authorized to engage in a program of external financing, intrasystem financing and other related transactions for the period through December 31, 2002. Among other approvals granted, the Commission authorized National to: (i) Issue and sell additional long-term debt and equity securities not to exceed \$2 billion outstanding at any one time; (ii) issue and sell up to \$750 million principal amount of short-term debt in the form of commercial paper and borrowings under credit facilities; and (iii) guarantee securities of its subsidiaries and provide other forms of credit support with respect to obligations of its subsidiaries as may be necessary or appropriate to enable such subsidiaries to carry on in the ordinary course of business in an aggregate amount not to exceed \$2 billion outstanding at any one time.

National was also authorized in the 1998 Order to use the proceeds of authorized financing to invest in and enter into guarantees with respect to the obligations of EWGs and FUCOs, provided that its "aggregate investment" (as defined under rule 53 of the Act) in

EWGs and FUCOs does not exceed 50% of its consolidated retained earnings (as defined in rule 53), except for short-term borrowings by National to provide funds to the National System Money Pool, which may not be used to finance the acquisition of any interest in a FUCO or EWG. As of August 31, 2001, National's aggregate investment in EWGs and FUCOs was approximately \$130,074,000, or 22.3% of National's average consolidated retained earnings (\$583,737,000) for the four quarters ended June 30, 2001.

National is now requesting, under rule 53(c), authority to utilize the proceeds of financing and guarantees, as authorized under the 1998 Order or in any subsequent proceeding, to increase its "aggregate investment" in EWGs and FUCOs ("Exempt Projects") to \$750 million, which is equal to approximately 128% of National's average consolidated retained earnings for the four quarters ended June 30, 2001.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

Margaret H. McFarland,

Deputy Secretary.

November 15, 2001.

On August 2, 2001, the American Stock Exchange LLC filed with the Securities and Exchange Commission ("Commission"), pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² a proposed rule change that will, in the calendar year in which a company first lists, prorate the annual fee to reflect the portion of the year that the company has been listed, and make the annual fee payable in December based on the total number of outstanding shares at the time of original listing.

¹ 15 U.S.C. 78s(b)(1)

² 17 CFR 240.19b-4.

Register on August 22, 2001.³ The Commission received no comments on the proposal.

The Commission finds that the proposed rule exchange is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange⁴ and, in particular, the requirements of section 6 of the Act⁵ and the rules and regulations thereunder. The Commission finds specifically that the proposed rule change is consistent with section 6(b)(5) of the Act⁶ because it is designed to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

It is therefore ordered, pursuant to section 19(b)(2) of the Act⁷ that the proposed rule change (File No. SR-Amex-2001-58) be, and it hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁸
