

CFR 1105.6(c). However, the October 5 decision indicated that the City should make that showing in its application, rather than seeking a waiver. As noted, on October 22, 2001, the City filed a Combined Environmental and Historic Report and, on October 31, 2001, filed errata thereto. Questions concerning environmental issues may be directed to the Section of Environmental Analysis (SEA) at (202) 565-1552. [TDD for the hearing impaired is available at 1-800-877-8339.]

An environmental assessment (EA) (or environmental impact statement (EIS), if necessary) prepared by SEA will be served upon all parties of record and upon any agencies or other persons who commented during its preparation. Any other persons who would like to obtain a copy of the EA (or EIS) may contact SEA. EAs in these abandonment proceedings normally will be made available within 33 days of the filing of the application. The deadline for submission of comments on the EA will generally be within 30 days of its service. The comments received will be addressed in the Board's decision. A supplemental EA or EIS may be issued where appropriate.

Board decisions and notices are available on our Web site at [www.stb.dot.gov](http://www.stb.dot.gov).

Decided: November 27, 2001.

#### Proposed Extension of Information Collection; Comment Request

**AGENCY:** Office of the Comptroller of the  
Currency (OCC), Treasury.

**ACTION:** Notice and request for comment.

**SUMMARY:** The OCC, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on a continuing information collection, as required by the Paperwork Reduction Act of 1995. An agency may not conduct or sponsor, and a respondent is not required to respond to, an information collection unless it displays a currently valid OMB control number. The OCC is soliciting comment concerning its information collection titled, "(MA)—Loans in Areas Having Special Flood Hazards (12 CFR 22)."

**DATES:** You should submit written comments by February 1, 2002.

**ADDRESSES:** You should direct written comments to the Communications Division, Office of the Comptroller of the Currency, Public Information Room, Mailstop 1-5, Attention: 1557-0202, 250 E Street, SW., Washington, DC 20219. In addition, comments may be sent by facsimile transmission to (202) 874-4448, or by electronic mail to [regs.comments@occ.treas.gov](mailto:regs.comments@occ.treas.gov). You can inspect and photocopy the comments at the OCC's Public Information Room, 250 E Street, SW., Washington, DC 20219. You can make an appointment to inspect the comments by calling (202) 874-5043.

**SUPPLEMENTARY INFORMATION:** The OCC is proposing to extend OMB approval of the following information collection:

*Title:* (MA)—Loans in Areas Having Special Flood Hazards (12 CFR 22).

*OMB Number:* 1557-0202.

*Description:* This submission covers an existing regulation and involves no change to the regulation or to the information collection. The OCC requests only that OMB extend its approval of the information collection. This regulation requires national banks

to make disclosures and keep records regarding whether a property securing a loan is located in a special flood hazard area.

This information collection is required by section 303(a) and title V of the Riegle Community Development and Regulatory Improvement Act, Pub. L. 103-325, title V, 108 Stat. 2160, the National Flood Insurance Reform Act of 1994 amendments to the National Flood Insurance Act of 1968 (42 U.S.C. 4104a and 4104b), the Flood Disaster Protection Act of 1973 (42 U.S.C. 4012a and 4106(b)), and by OCC regulations implementing those statutes. The information collection requirements are contained in 12 CFR part 22.

Section 22.6 requires a national bank to use and maintain a copy of the Standard Flood Hazard Determination Form developed by the Federal Emergency Management Agency (FEMA).

Section 22.7 requires a national bank or its loan servicer, if a borrower has not obtained flood insurance, to notify the borrower to obtain adequate flood insurance coverage or the bank or servicer will purchase flood insurance on the borrower's behalf.

Section 22.9 requires a national bank making a loan secured by a building or a mobile home to advise the borrower and the loan servicer that the property is, or is not, located in a special flood hazard area, if flood insurance is available under the National Flood Insurance Program, and if Federal disaster relief may be available in the event of flooding. The bank must maintain a record of the borrower and loan servicer's receipts of these notices.

Section 22.10 requires a national bank making a loan secured by a building or a mobile home located in a special flood hazard area to notify FEMA of the identify of the servicer, and of any change in servicers.

These information collection requirements ensure bank compliance with applicable Federal law, further bank safety and soundness, provide protections for banks and the public, and further public policy interests.

*Type of Review:* Extension of OMB approval.

*Affected Public:* Businesses or other for-profit (national banks).

*Estimated Number of Respondents:* 2,600.

*Estimated Total Annual Responses:* 262,600.

*Frequency of Response:* On occasion.

*Estimated Total Annual Burden:* 67,600 hours.

Comments submitted in response to this notice will be summarized and included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information has practical utility;

(b) The accuracy of the agency's estimate of the burden of the collection of information;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;
