### Federal Energy Regulatory Commission

[Docket No. EC01-54-000]

#### Wisconsin Public Service Corporation, American Transmission Company, LLC; Notice of Filing

January 23, 2001.

Take notice that on January 10, 2001, Wisconsin Public Service Corporation (WPSC) and American Transmission Company LLC (ATCLLC) filed an application under Section 203 of the Federal Power Act for authorization and approval for WPSC to transfer by assignment to the ATCLLC rights in transmission facility lease agreements WPSC has with Marshfield Electric and Water Department and Manitowoc Public Utilities.

A copy of the filing has been served on the Public Service Commissions of Michigan and Wisconsin.

Any person desiring to be heard or to protest such filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions and protests should be filed on or before February 2, 2001. Protests will be considered by the Commission to determine the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are

available for public inspection. This filing may also be viewed on the Internet at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-222 for assistance). Comments and protests may be filed electronically via the internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site at <http://www.ferc.fed.us/efi/doorbell.htm>.

#### Dialog Concerning Natural Gas Transportation; Policies Needed to Facilitate Development of Competitive Natural Gas Markets; Notice Deferring Staff Conference

January 23, 2001.

Take notice that the staff conference on affiliate issues that was to be convened in this proceeding on January 31, 2001 at 1 p.m. will be deferred until March 15, 2001. We are deferring the conference in light of the request for postponement filed by the Edison Electric Institute's Alliance of Energy Suppliers (Alliance) and supported by Reliant Energy Services. As noted in the Alliance's request, a deferral will allow resources to be more effectively applied to ongoing concerns. Deferral of the conference will also allow the Commission and the parties to incorporate winter operating experience in both the gas and electric industries in the discussion. A notice establishing the composition of the panel(s) will be issued in advance of the conference.

For additional information, contact Robert Flanders at (202) 208-2084.

## FEDERAL COMMUNICATIONS COMMISSION

[DA 01-36]

#### Amateur Service Club and Military Recreation Station Call Sign Administrators Announced

**AGENCY:** Federal Communications Commission.

**ACTION:** Notice.

**SUMMARY:** This document announces that the Commission has accepted requests from three organizations interested in processing applications for amateur service club, Radio Amateur Civil Emergency Service (RACES), and military recreation station call signs. The organizations are designated as a "Club Station Call Sign Administrators" (CSCSA) and will process applications for amateur service club, RACES, and military recreation station call signs.

**DATES:** Starting January 22, 2001, the FCC will accept applications for new, modification of, or renewal of amateur service club and military recreation station licenses, and modification of RACES station licenses, only from a CSCSA.

**FOR FURTHER INFORMATION CONTACT:** William T. Cross, Public Safety and Private Wireless Division, Wireless Telecommunications Bureau, (202) 418-0680.

**SUPPLEMENTARY INFORMATION:** In a Public Notice released on January 3, 2000, the Federal Communications Commission (FCC) announced that it would accept requests from organizations interested in processing applications for amateur service club, RACES, and military recreation station call signs pursuant to an October 21, 1998, Report and Order, 63 FR 68904, December 14, 1998, reinstituting the use of volunteer organizations for the purpose of processing applications for amateur service club and military recreation station call sign. A club station license is an amateur service station license granted only to the trustee of an amateur service club, which must be composed of at least four persons and have a name, a document of organization, management, and a primary purpose devoted to amateur service activities consistent with part 97 of the FCC's rules. A military recreation station license is an amateur service station license granted only to the person who is the license custodian designated by the official in charge of the United States military recreational premises where the station is situated. A RACES station license is an amateur service station license granted only to the person who is the license custodian designated by the official responsible for the governmental agency served by that civil defense organization and also authorizes only the use of a specific call sign.

The purpose of this Public Notice is to announce that beginning January 22, 2001, the FCC will accept the services of three organizations as CSCSAs. An

organization designated as a CSCSA has provided information showing: (1) That it is an amateur radio organization; (2) that it has tax-exempt status under Section 501(c)(3) of the Internal Revenue Code of 1986; (3) that it will provide voluntary, uncompensated and unreimbursed services for processing applications for club, RACES, and military recreation station call signs; (4) that it will submit the information to the FCC in an electronic batch file; and (5) that it will retain the application information for at least 15 months and make it available to the FCC upon request. A CSCSA may collect all necessary information in any manner of its choosing, including creating its own forms. The following organizations have successfully completed a pilot autogrant batch filing project and are authorized as CSCSAs to process applications for amateur service club, RACES, and military recreation station call signs and submit the information to the FCC in an electronic batch file:
