SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-45482; File No. SR-CHX-2002-03]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by The Chicago Stock Exchange, Incorporated to Extend Pilot Rule Change Relating to Participation in Crossing Transactions Effected on the Exchange Floor

February 27, 2002.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 14, 2002, the Chicago Stock Exchange, Incorporated ("CHX" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. The Exchange filed the proposal pursuant to section 19(b)(3)(A) of the Act,³ and Rule 19b-4(f)(6) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to extend through April 15, 2002, a pilot rule change relating to participation in crossing transactions effected on the Exchange. The CHX does not propose to make any substantive or typographical changes to the pilot; the only change is an extension of the pilot's expiration date through April 15, 2002. The text of the proposed rule change is available at the Commission and at the CHX.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the CHX included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received regarding the proposal. The text of these statements

may be examined at the places specified in Item IV below. The CHX has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On August 24, 2000, the Commission approved, on a pilot basis through February 28, 2001, a pilot rule change to CHX Article XX, Rule 23⁵ that permits a CHX floor broker to consummate cross transactions involving 5,000 shares or more, without interference by any specialist or market maker if, prior to presenting the cross transaction, the floor broker first requests a quote for the subject security. On February 23, 2001, the pilot was extended to an expiration date of July 9, 2001 and rendered applicable to both Dual Trading System issues and Nasdaq/NM securities.⁶ Following a brief lapse of the pilot, it was extended through January 14, 2002.⁷ The CHX does not propose to make any substantive or typographical changes to the pilot; the only change is an extension of the pilot's expiration date through April 15, 2002.

2. Statutory Basis

The CHX believes the proposal is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of section 6(b).⁸ The CHX believes the proposal is consistent with section 6(b)(5) of the Act⁹ in that it is designed to promote just and equitable principles of trade, to remove impediments, and to perfect the mechanism of, a free and open market and a national market system, and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement of Burden on Competition

The Exchange does not believe that the proposed rule change will impose

any inappropriate burden on competition.

C. Self-Regulatory Organization's Statement on Comments Regarding the Proposed Rule Change Received from Members, Participants or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not:

- (i) Significantly affect the protection of investors or the public interest;
- (ii) Impose any significant burden on competition; and
- (iii) Become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to section 19(b)(3)(A) of the Act¹⁰ and Rule 19b-4(f)(6) thereunder.¹¹ At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

The Exchange has requested that the Commission waive the 5-day pre-filing requirement and accelerate the operative date. The Commission finds good cause to waive the 5-day pre-filing requirement and to designate the proposal to become operative immediately because such designation is consistent with the protection of investors and the public interest. Acceleration of the operative date and waiver of the 5-day pre-filing requirement will allow the pilot to continue uninterrupted through April 15, 2002. For these reasons, the Commission finds good cause to designate that the proposal is both effective and operative upon filing with the Commission.¹²

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposal is consistent with the Act. Persons making written submissions should file six
