**SUPPLEMENTARY INFORMATION:****A. Background**

This rule amends FAR Subpart 25.7 and the clause at 52.225–13, Restrictions on Certain Foreign Purchases, to implement Executive Order 13192, Lifting and Modifying Measures With Respect to the Federal Republic of Yugoslavia (Serbia and Montenegro), and other regulations of the Department of the Treasury that

enforce economic sanctions imposed by the President.

This proposed rule removes Serbia from the list of prohibited sources at FAR 25.701; slightly modifies the restrictions relating to acquisition of supplies or services from Cuba, Iran, Iraq, Libya, North Korea, Sudan, and the territory of Afghanistan controlled by the Taliban; and requires authorization by the Department of the Treasury for any exceptions to these prohibitions, even when purchased overseas for use overseas. In addition, the rule expands the prohibition against acquisition from entities controlled by the Government of Iraq or other specially designated nationals to include all blocked persons, and provides the Department of Treasury website for access to the list of Specially Designated Nationals and Blocked Persons.

This is not a significant regulatory action and, therefore, was not subject to review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

**B. Regulatory Flexibility Act**

The Councils do not expect this proposed rule to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the proposed amendments will only affect acquisitions from prohibited sources. An Initial Regulatory Flexibility Analysis has, therefore, not been performed. We invite comments from small businesses and other interested parties. The Councils will consider comments from small entities concerning the affected FAR Parts 25 and 52 in accordance with 5 U.S.C. 610. Interested parties must submit such comments separately and should cite 5 U.S.C. 601, *et seq.* (FAR case 2001–015), in correspondence.

**C. Paperwork Reduction Act**

The Paperwork Reduction Act does not apply because the proposed changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*
