BILLING CODE 4410-15-M

DEPARTMENT OF JUSTICE

Republication of Notice of Lodging of Consent Decrees Under the Lead-Based Paint Hazard Act

Notice is hereby given that on October 9, 2001, a proposed consent decree in *United States, et al., v. East Lake Management and Development Corp.*, Civil Action No. 01 C 7581, and on October 11, 2001, a proposed consent decree in *United States, et al., v. Wolin-Levin, Inc.*, Civil Action No. 01 C 7580, were lodged with the United States District Court for the Northern District of Illinois. Notice of the lodging of these consent decrees was first published by the Department of Justice in the **Federal Register** on November 15, 2001 (66 FR 57 483). The Department of Justice is republishing the notice of lodging because mail delivery problems associated with anthrax mailings to government offices have precluded the Department of Justice's receipt of public comments. To avoid additional delays related to such problems, the Department of Justice is requesting that any comments that were submitted under the original notice of lodging be resubmitted to the U.S. Attorney's Office for the Northern District of Illinois, as set forth below.

The consent decrees settle claims against management agents of several residential apartment buildings in Chicago, Illinois, which were brought on behalf of the Department of Housing and Urban Development and the Environmental Protection Agency under the Residential Lead-Based Paint Hazard Reduction Act 42 U.S.C. 4851 *et seq.* ("Lead Hazard Reduction Act"). The United States alleged in each of its complaints that the defendants failed to provide information to tenants concerning lead-based paint hazards, and failed to disclose to tenants the presence of any known lead-based paint or any known lead-based paint hazards.

Under both consent decrees, defendants have agreed to provide the required notice and disclosures, to perform inspections at the buildings for the presence of lead-based paint, and to perform lead-based paint abatement. In addition, under each decree, each defendant will pay a penalty of \$25,000 to be divided among the United States, the State of Illinois, Cook County, and the City of Chicago. Lastly, each of the consent decrees calls for the performance of Child Health Improvement Projects ("CHIPs"), which are projects proposed by HUD to address issues of childhood lead poisoning in Chicago. Wolin-Levin, Inc., will contribute \$100,000 as a CHIP to

the City of Chicago to be used for additional lead-based paint abatement activities in Chicago, primarily replacement of windows. East Lake Management and Development Corp. will contribute \$77,000 as a CHIP to community-based health centers to perform blood lead level screening of children and create educational programs in low income areas in South Chicago and Cook County. The defendants manage over 225 buildings with over 10,000 residential units.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the consent decrees. As noted above, as a result of the discovery of anthrax contamination at the District of Columbia mail processing center in mid-October, 2001, the delivery of regular first-class mail sent through the U.S. Postal Service has been disrupted. Consequently, public comments that are addressed to the Department of Justice in Washington, DC, and sent by regular, first-class mail through the U.S. Postal Service are not expected to be received in timely manner. Therefore, comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, Department of Justice, and sent: (1) c/o Jonathan C. Haile, Assistant United States Attorney, 219 S. Dearborn St., 5th Floor Chicago, IL 60604; and/or (2) by facsimile to (202) 353-0296; and/or (3) by overnight delivery, other than through the U.S. Postal Service, to Chief, Environmental Enforcement Section, 1425 New York Avenue, NW., 13th Floor, Washington, DC 20005. Each communication should refer on its face to *United States, et al., v. Wolin-Levin, Inc.*, D.J. #90-11-2-06829/1, and *United States, et al., v. East Lake Management and Development Corp.*, D.J. #90-5-2-1-07120.

The proposed consent decree may be examined at the Department of Housing and Urban Development, Office of Lead Hazard Control, attention: Matthew E. Ammon, 490 L'Enfant Plaza SW., Room 3206, Washington, DC 20410, (202) 755-1785; at the office of the United States Attorney for the Northern District of Illinois, 219 S. Dearborn Street, 5th Floor, Chicago, Illinois 60604, and at U.S. EPA Region 5, 77 West Jackson Boulevard, Chicago, IL 60604. A copy of the proposed Consent Decrees may also be obtained by faxing a request to Tonia Fleetwood, Department of Justice Consent Decree Library, fax no. (202) 616-6584; phone confirmation no. (202) 514-1547. There is a charge for the copy (25 cent per page reproduction cost). Upon requesting a copy, please mail a check payable to the "U.S. Treasury", in

the amount of \$12.25 for the consent decree in *United States, et al., v. Wolin-Levin, Inc.*, D.J. #90-11-2-06829/1, and \$14.00 for the consent decree in *United States, et al., v. East Lake Management and Development Corp.*, D.J. #90-5-2-1-07120, to : Consent Decree Library, U.S. Department of Justice, P.O. Box 7611, Washington, DC 20044-7611.
