

proposed disposition instructions to any recordkeeping medium.

7. *Department of the Army, Agency-wide (N1-AU-02-15, 4 items, 4 temporary items)*. Records relating to demilitarization and trade security controls of equipment and materiel. Included are demilitarization certificates for small arms and other surplus property, end user certificates, and trade security control files. Also included are electronic copies of documents created using electronic mail and word processing. This schedule authorizes the agency to apply the proposed disposition instructions to any recordkeeping medium.

8. *Department of the Army, Agency-wide (N1-AU-02-16, 4 items, 4 temporary items)*. Records relating to utilities engineering activities. Included are reports and other records relating to the operation and maintenance of plants and systems as well as records relating to the management of solid wastes, water, and wastewater. Also included are electronic copies of documents created using electronic mail and word processing. This schedule increases the retention period of utilities operating manuals and logbooks relating to plants and systems, which were previously approved for disposal, and authorizes the agency to apply the proposed disposition instructions to any recordkeeping medium.

9. *Department of the Army, Agency-wide (N1-AU-02-17, 2 items, 2 temporary items)*. Records relating to appointments of certifying accountable officials, including acceptance memorandums and related forms. Also included are electronic copies of documents created using electronic mail and word processing. This schedule authorizes the agency to apply the proposed disposition instructions to any recordkeeping medium.

10. *Department of the Army, Agency-wide (N1-AU-02-18, 3 items, 3 temporary items)*. Records relating to officer separation proceedings, including individual discharge cases, discharge board proceedings, and notifications of administrative board waivers. Also included are electronic copies of documents created using electronic mail and word processing. This schedule increases the retention period of officer separation proceedings on individuals confined by foreign civil authorities, which were previously approved for disposal, and authorizes the agency to apply the proposed disposition instructions to any recordkeeping medium.

11. *Department of the Army, Agency-wide (N1-AU-02-19, 3 items, 3 temporary items)*. Records relating to

intrusions into classified and unclassified automated information systems, including security incident reports and audit trail and event logs. Also included are electronic copies of documents created using electronic mail and word processing. This schedule authorizes the agency to apply the proposed disposition instructions to any recordkeeping medium.

12. *Department of Justice, Environment and Natural Resources Division (N1-60-02-3, 4 items, 3 temporary items)*. Subject, reference, and working files of Special Assistants to Assistant Attorneys General and Deputy Assistant Attorneys General. Also included are electronic copies of documents created using electronic mail and word processing. Proposed for permanent retention are recordkeeping copies of subject, project, and correspondence files of the Deputy Assistant Attorneys General.

13. *Department of Veterans Affairs, Office of the Inspector General (N1-15-01-6, 4 items, 4 temporary items)*. Routine investigative case files, which include reports, correspondence, and electronic copies of documents created using electronic mail and word processing. Files relating to investigations that attract national media or congressional attention or result in significant changes in agency policies or procedures will be appraised by the National Archives and Records Administration on a case-by-case basis.

14. *Environmental Protection Agency, Office of Environmental Information (N1-412-02-7, 5 items, 5 temporary items)*. Records relating to an electronic system that is used to create, route, track, and process agency-specific forms as well as Government-wide standard forms. Included are software programs, electronic data, a tracking database, and system documentation.

NUCLEAR REGULATORY COMMISSION

[Docket Nos. 50-338 AND 50-339]

Virginia Electric and Power Co.; North Anna Power Station, Units 1 and 2; Notice of Availability of the Draft Supplement 7 to the Generic Environmental Impact Statement and Public Meeting for the License Renewal of North Anna Units 1 and 2

Notice is hereby given that the U.S. Nuclear Regulatory Commission (the Commission) has published a draft plant-specific supplement to the Generic Environmental Impact Statement (GEIS), NUREG-1437, regarding the renewal of operating licenses NPF-4 and NPF-7 for an additional 20 years of operation at North Anna Power Station, Units 1 and 2. North Anna Power Station is located in Louisa County, Virginia. Possible alternatives to the proposed action (license renewal) include no action and reasonable alternative energy sources.

The draft supplement to the GEIS is available electronically for public inspection in the NRC Public Document Room located at One White Flint North, 11555 Rockville Pike (first floor), Rockville, Maryland, or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm.html> (the Public Electronic Reading Room). If you do not have access to ADAMS or if there are problems in accessing the documents located in ADAMS, contact the NRC Public Document Room (PDR) Reference staff at 1-800-397-4209, or 301-415-4737, or by e-mail to pdr@nrc.gov. In addition, the Alderman Library at the

University of Virginia in Charlottesville, Virginia, and the Louisa County Public Library in Mineral, Virginia, have agreed to make the draft supplement to the GEIS available for public inspection.

Any interested party may submit comments on the draft supplement to the GEIS for consideration by the NRC staff. To be certain of consideration, comments on the draft supplement to the GEIS and the proposed action must be received by August 1, 2002.

Comments received after the due date will be considered if it is practical to do so, but the NRC staff is able to assure consideration only for comments received on or before this date. Written comments on the draft supplement to the GEIS should be sent to: Chief, Rules and Directives Branch, Division of Administrative Services, Office of Administration, Mail Stop T-6D 59, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001.

Comments may be hand-delivered to the NRC at 11545 Rockville Pike, Rockville, Maryland, between 7:45 a.m. and 4:15 p.m. on Federal workdays. Electronic comments may be submitted to the NRC by the Internet at NorthAnnaEIS@nrc.gov. All comments received by the Commission, including those made by Federal, State, and local agencies, Indian tribes, or other interested persons, will be made available electronically at the Commission's Public Document Room in Rockville, Maryland and from the Publicly Available Records (PARS) component of NRC's document system (ADAMS).

The NRC staff will hold a public meeting to present an overview of the draft plant-specific supplement to the GEIS and to accept public comments on the document. The public meeting will be held at the Public Room in the Louisa County Office Building, 1 Woolfolk Avenue, Louisa, Virginia, on June 25, 2002. There will be two sessions to accommodate interested parties. The first session will commence at 1:30 p.m. and will continue until 4:30 p.m. The second session will commence at 7:00 p.m. and will continue until 10:00 p.m. Both meetings will be transcribed and will include (1) a presentation of the contents of the draft plant-specific supplement to the GEIS, and (2) the opportunity for interested government agencies, organizations, and individuals to provide comments on the draft report. Additionally, the NRC staff will host informal discussions one hour prior to the start of each session at the Louisa County Office Building. No comments on the proposed scope of the supplement to the GEIS will be accepted during the informal discussions. To be

considered, comments must be provided either at the transcribed public meetings, or in writing as discussed above. Persons may pre-register to attend or present oral comments at the meeting by contacting Mr. Andrew J. Kugler by telephone at 1-800-368-5642, extension 2828, or by Internet to the NRC at NorthAnnaEIS@nrc.gov no later than June 18, 2002. Members of the public may also register to provide oral comments within 15 minutes of the start of each session. Individual oral comments may be limited by the time available, depending on the number of persons who register. If special equipment or accommodations are needed to attend or present information at the public meeting, the need should be brought to Mr. Kugler's attention no later than June 18, 2002, to provide the NRC staff adequate notice to determine whether the request can be accommodated.

FOR FURTHER INFORMATION, CONTACT: Mr. Andrew J. Kugler, License Renewal and Environmental Impacts Program, Division of Regulatory Improvement Programs, U.S. Nuclear Regulatory Commission, Washington, D.C. 20555. Mr. Kugler may be contacted at the aforementioned telephone number or e-mail address.

Dated at Rockville, Maryland, this 23rd day of April, 2002.

For the Nuclear Regulatory Commission.
