

non-infringement. The motion was opposed by Honeywell and supported by the Commission investigative attorney (IA). On February 4, 2002, the ALJ issued Order No. 61, a portion of which was an ID granting Hyosung's motion for summary determination of no infringement, and a portion of which was an order denying Hyosung's motion as to patent invalidity. The ALJ found that respondents had failed to prove by clear and convincing evidence that the claims at issue of the '976 patent were invalid due to indefiniteness, lack of enablement, or failure to provide an adequate written description. Respondents filed a petition for review of the ID on February 19, 2002. Complainant and the IA filed appeals of the order denying summary determination on the same date.

On March 21, 2002, the Commission determined to review only the ALJ's decision on the issue of indefiniteness under 35 U.S.C. 112, second paragraph. The issues not under review became the Commission's final determination under Commission rule 210.42(h)(2).

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 190, as amended, 19 U.S.C. 1337, and in sections 210.24 and 210.45 of the Commission's Rules of Practice and Procedure, 19 CFR 210.24, 210.45.

By order of the Commission.

Issued: May 17, 2002.

The Decree requires the City to provide the United States with access to the Site and to waive any claims it might have against the United States relating to removal activities at the Site. The Decree does not, however, require the City to pay any response costs to the United States.

The Department of Justice will accept written comments relating to the Consent Decree for a period of thirty (30) days from the date of this publication. Comments should be addressed to the Assistant Attorney General, Environmental and Natural Resources Division, P.O. Box 7611, U.S.

Department of Justice, Washington, DC 20044-7611, and should refer to *United States v. Centel Corporation, et al.*, Civil Action No. 02-4090, D.J. Ref. 90-5-1-1-07686/1.

## DEPARTMENT OF JUSTICE

### Notice of Lodging of Consent Decree Pursuant to the Clean Air Act

In accordance with Departmental policy, 28 CFR 50.7, notice is hereby given that, on May 13, 2002, a proposed Stipulation of Settlement and Order of Dismissal (the Stipulation and Order) in *United States, Allegheny County Health Department and Group Against Smog and Pollution v. LTV Steel Company, Inc. (LTV Steel-Pittsburgh)*, Civil No. 98-570 (W.D. Pa.), and *United States v. LTV Steel Company, Inc. (LTV Steel-Cleveland)*, Civil No. 1: 98CV3012 (N.D. Ohio), was lodged with the United States District Courts in the Western District of Pennsylvania and the Northern District of Ohio.

The Stipulation and Order resolves claims for civil penalties pursuant to the Clean Air Act arising out of the past operation of LTV Steel facilities in Pittsburgh and Cleveland. Pursuant to the Stipulation and Order, the parties stipulate and agree to entry of a judgment in the LTV Steel-Pittsburgh case as specified below:

- a. \$3,450,000 in civil penalties to the United States;
- b. \$2,300,000 in civil penalties to the Allegheny County Health Department; and

c. \$100,000 in favor of the Group Against Smog and Pollution (GASP) for an environmental project developed by the Hazelwood Initiative to rejuvenate the Hazelwood, Pennsylvania community;

and in LTV Steel-Cleveland for \$1.25 in civil penalties to the United States. On December 29, 2000, LTV Steel filed for bankruptcy protection in In re: LTV Steel Company, Inc. (the LTV Bankruptcy), Bankruptcy No. 00-43866 (N.D. Ohio). The Stipulation and Order also provides that plaintiffs shall have allowed general unsecured claims against LTV Steel for the amounts specified above and that LTV Steel will use its best efforts to obtain approval by the Bankruptcy Court of its entry into the Stipulation and Order. Because of the pendency of the LTV Bankruptcy, it is unclear whether the specified amounts will be available after payments to other, secured creditors.

For thirty (30) days following this publication, the Department of Justice will receive comments relating to the proposed Stipulation and Order. Comments should be addressed to the Assistant Attorney General of the Environment and Natural Resources Division, United States Department of Justice, Post Office Box 7611, Washington, D.C. 20044-7611, and should refer to *United States, ACHD and GASP v. Alternatively, because of potential mail delays associated with recent events, comments may be sent by facsimile to (202) 514-4180, with attention to the Environmental Enforcement Section.

The Stipulation and Order may be examined at the offices of the United States Attorney for the Western District of Pennsylvania, 633 U.S. Post Office and Courthouse, Pittsburgh, Pennsylvania 15219, and the offices of the United States Attorney for the Northern District of Ohio, 1800 Bank One Center, 600 Superior Avenue, East, Cleveland, Ohio 44114-2600.
