

**List of Subjects in 15 CFR Part 50**

Census data, Population census, Seals and insignia, Statistics.

**PART 50—SPECIAL SERVICES AND STUDIES BY THE BUREAU OF THE CENSUS**

1. The authority citation for 15 CFR part 50 continues to read as follows:

**Authority:** Sec. 3, 49 Stat. 293, as amended; 15 U.S.C. 192a. Interprets or applies sec. 1, 40 Stat. 1256, as amended; sec. 1, 49 Stat. 292; sec. 8, 60 Stat. 1013, as amended; 15 U.S.C. 192, 189a, 13 U.S.C. 8.

2. Add § 50.50 to read as follows:

**§ 50.50 Request for certification.**

(a) Upon request, the Census Bureau certifies certain statistical materials (such as the population and housing unit counts of government entities, published tabulations, maps, and other documents). The Census Bureau charges customers a preset fee for this service according to the kind of certification requested (either an impressed document or an attestation) and the level of difficulty involved in compiling it (easy, moderate, or difficult, determined according to the resources expended) as well as the set cost of the data product (e.g., report or map) to be certified. Certification prices are shown in the following table:

PRICE BY TYPE OF CERTIFICATION

Product	Estimated price	Estimated time to complete (hours)
Impress-easy .....	\$70.00	1.5
Impress-medium .....	110.00	3
Impress-difficult .....	150.00	4.5
Attestation-easy .....	160.00	3
Attestation-medium .....	200.00	4.5
Attestation-difficult .....	240.00	6

(b) There are two forms of certification available: Impressed Documents and Attestation.

(1) *Impressed Documents.* An impressed document is one that is certified by impressing the Census Bureau seal on the document itself. The Census Bureau act, Title 13, United States Code, Section 3, provides that the seal of the Census Bureau shall be affixed to all documents authenticated by the Census Bureau and that judicial notice shall be taken of the seal. This process attests that the document on which the seal is impressed is a true and accurate copy of a Census Bureau record.

(2) *Attestation.* Attestation is a more formal process of certification. It consists of a signed statement by a Census Bureau official that the document is authentic and produced or

published by the agency, followed by a signed statement of another Census Bureau official witnessing the authority of the first.

(c) Requests for certification should be submitted on Form BC-1868(EF), Request for Official Certification, to the Census Bureau by fax, (301) 457-4714 or by e-mail, [webmaster@census.gov](mailto:webmaster@census.gov). Form BC-1868(EF) will be available on the Census Bureau's Web site at: <http://www.census.gov/mso/www/certification/>. A letter request—without Form BC-1868(EF)—will be accepted only if it contains the information necessary to complete a Form BC-1868(EF). No certification request will be processed without payment of the required fee.

Dated: May 9, 2002.

**DEPARTMENT OF THE INTERIOR**

**Office of Surface Mining Reclamation and Enforcement**

**30 CFR Part 917**

[KY-237-FOR]

**Kentucky Regulatory Program**

**AGENCY:** Office of Surface Mining Reclamation and Enforcement, Interior.

**ACTION:** Proposed rule; public comment period and opportunity for public hearing on proposed amendment.

**SUMMARY:** We, the Office of Surface Mining Reclamation and Enforcement (OSM), are announcing a proposed amendment to the Kentucky regulatory program (the "Kentucky program") under the Surface Mining Control and Reclamation Act of 1977 (SMCRA or the Act). Kentucky proposes additions to its statutes about incidental coal removal and intends to revise its program to be consistent with SMCRA. This document gives the times and locations that the Kentucky program and proposed amendment to that program are available for your inspection, the comment period during which you may submit written comments on the amendment, and the procedures that we will follow for the public hearing, if one is requested.

**DATES:** We will accept written comments on this amendment until 4:00 p.m., e.s.t. July 5, 2002. If requested, we will hold a public hearing on the amendment on July 1, 2002. We will accept requests to speak at a hearing until 4:00 p.m., e.s.t. on June 19, 2002.

**ADDRESSES:** You should mail or hand deliver written comments and requests to speak at the hearing to William J. Kovacic at the address listed below.

You may review copies of the Kentucky program, this amendment, a listing of any scheduled public hearings, and all written comments received in response to this document at the addresses listed below during normal business hours, Monday through Friday, excluding holidays. You may receive one free copy of the amendment by contacting OSM's Lexington Field Office. William J. Kovacic, Lexington Field Office, Office of Surface Mining Reclamation and Enforcement, 2675 Regency Road, Lexington, Kentucky 40503, Telephone: (859) 260-8400. E-mail: [bkovacic@osmre.gov](mailto:bkovacic@osmre.gov). Department of Surface Mining Reclamation and Enforcement, 2 Hudson Hollow Complex, Frankfort, Kentucky 40601, Telephone: (502) 564-6940.

**FOR FURTHER INFORMATION CONTACT:** William J. Kovacic, Telephone: (859) 260-8400. Internet: [bkovacic@osmre.gov](mailto:bkovacic@osmre.gov).

**SUPPLEMENTARY INFORMATION:**

- I. Background on the Kentucky Program.
- II. Description of the Proposed Amendment.
- III. Public Comment Procedures.
- IV. Procedural Determinations.

**I. Background on the Kentucky Program**

Section 503(a) of the Act permits a State to assume primacy for the regulation of surface coal mining and reclamation operations on non-Federal and non-Indian lands within its borders by demonstrating that its program includes, among other things, "a State law which provides for the regulation of surface coal mining and reclamation operations in accordance with the requirements of the Act \* \* \* ; and rules and regulations consistent with regulations issued by the Secretary pursuant to the Act." See 30 U.S.C. 1253(a)(1) and (7). On the basis of these criteria, the Secretary of the Interior conditionally approved the Kentucky program on May 18, 1982. You can find background information on the Kentucky program, including the Secretary's findings, the disposition of comments, and conditions of approval of the Kentucky program in the May 18, 1982, **Federal Register** (47 FR 21404). You can also find later actions concerning Kentucky's program and program amendments at 30 CFR 917.11, 917.12, 917.13, 917.15, 917.16, and 917.17.

## II. Description of the Proposed Amendment

By letter dated April 12, 2002 (Administrative Record No. KY-1529), Kentucky sent us an amendment to its program under SMCRA (30 U.S.C. 1201 *et seq.*). Kentucky sent the amendment at its own initiative. The full text of the amended language follows. The language comprises a new section of the Kentucky Revised Statutes at Chapter 350 and is referenced as Kentucky House Bill 405.

Kentucky defines "private land" as "property that is owned by a not-for-profit organization or by a noncommercial private owner and is subject to the construction of improvements on that property, and includes land that requires alteration, modification, excavation, or landscaping in order to make it relate to, and support the function of, a facility or improvement. Private land includes but is not limited to a parking lot for a church, a recreational facility or court for a school, and land alteration related to improvements to a private residence or other private use."

Kentucky further specifies that "removal of coal on private land, incidentally and as a necessary requirement of facility construction, or as a consequence of the excavation or landscaping required to make the land support the intended function of a facility under construction, shall not require the owner of that private land to obtain a surface mining permit as required under this chapter, or a mining license as required under this chapter, if: (a) The coal removed is five thousand tons or less; (b) the coal removed is donated to a charitable, educational, or governmental organization, or the coal is sold and the proceeds are donated to such an organization; and (c) the landowner notifies the cabinet at the time that coal is first encountered and prior to removal, and if after inspection and review of site plans, construction contracts, or other indicia, the cabinet determines that the proposed project is eligible for this exemption. The cabinet may require implementation of such best management practices as are necessary to ensure compliance with stormwater discharge limits."

Kentucky is also requiring that, "the cabinet within ten days of the effective date of this Act, seek an opinion from the Federal Office of Surface Mining relating to the provisions of this section and shall not implement or administer the provisions of subsection (2) of this section until July 1, 2004. However, if the cabinet receives a Federal Office of Surface Mining determination that

subsections (1) to (2) of this section, and any related administrative regulations of the cabinet, are consistent with, or otherwise not in violation of, the Federal Surface Mining Control and Reclamation Act of 1977, the cabinet may implement and administer the provisions of subsection (2) of this section prior to July 1, 2004."

## III. Public Comment Procedures

Under the provisions of 30 CFR 732.17(h), we are seeking your comments on whether the amendment satisfies the applicable program approval criteria of 30 CFR 732.15. If we approve the amendment, it will become part of the State program.

### Written Comments

Send your written or electronic comments to OSM at the address given above. Your written comments should be specific, pertain only to the issues proposed in this rulemaking, and include explanations in support of your recommendations. We will not consider or respond to your comments when developing the final rule if they are received after the close of the comment period (see DATES). We will make every attempt to log all comments into the administrative record, but comments delivered to an address other than the Lexington Field Office may not be logged in.

### Electronic Comments

Please submit Internet comments as an ASCII or Word file avoiding the use of special characters and any form of encryption. Please also include "Attn: SPATS No. KY-231-FOR" and your name and return address in your Internet message. If you do not receive a confirmation that we have received your Internet message, contact the Lexington Field Office at (859) 260-8400.

### Availability of Comments

We will make comments, including names and addresses of respondents, available for public review during normal business hours. We will not consider anonymous comments. If individual respondents request confidentiality, we will honor their request to the extent allowable by law. Individual respondents who wish to withhold their name or address from public review, except for the city or town, must state this prominently at the beginning of their comments. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of

organizations or businesses, available for public review in their entirety.

### Public Hearing

If you wish to speak at the public hearing, contact the person listed under **FOR FURTHER INFORMATION CONTACT** by 4 p.m., e.s.t. June 19, 2002. If you are disabled and need special accommodations to attend a public hearing, contact the person listed under **FOR FURTHER INFORMATION CONTACT**. We will arrange the location and time of the hearing with those persons requesting the hearing. If no one requests an opportunity to speak, we will not hold a hearing.

To assist the transcriber and ensure an accurate record, we request, if possible, that each person who speaks at the public hearing provide us with a written copy of his or her comments. The public hearing will continue on the specified date until everyone scheduled to speak has been given an opportunity to be heard. If you are in the audience and have not been scheduled to speak and wish to do so, you will be allowed to speak after those who have been scheduled. We will end the hearing after everyone scheduled to speak and others present in the audience who wish to speak, have been heard.

### Public Meeting

If only one person requests an opportunity to speak, we may hold a public meeting rather than a public hearing. If you wish to meet with us to discuss the amendment, please request a meeting by contacting the person listed under **FOR FURTHER INFORMATION CONTACT**. All such meetings are open to the public and, if possible, we will post notices of meetings at the locations listed under **ADDRESSES**. We will make a written summary of each meeting a part of the administrative record.

## IV. Procedural Determinations

### Executive Order 12630—Takings

This rule does not have takings implications. This determination is based on the analysis performed for the counterpart Federal regulation.

### Executive Order 12866—Regulatory Planning and Review

This rule is exempted from review by the Office of Management and Budget under Executive Order 12866.

### Executive Order 12988—Civil Justice Reform

The Department of the Interior has conducted the reviews required by section 3 of Executive Order 12988 and has determined that this rule meets the applicable standards of subsections (a)

and (b) of that section. However, these standards are not applicable to the actual language of State regulatory programs and program amendments because each program is drafted and promulgated by a specific State, not by OSM. Under sections 503 and 505 of SMCRA (30 U.S.C. 1253 and 1255) and the Federal regulations at 30 CFR 730.11, 732.15, and 732.17(h)(10), decisions on proposed State regulatory programs and program amendments submitted by the States must be based solely on a determination of whether the submittal is consistent with SMCRA and its implementing Federal regulations and whether the other requirements of 30 CFR parts 730, 731, and 732 have been met.

#### *Executive Order 13132—Federalism*

This rule does not have Federalism implications. SMCRA delineates the roles of the Federal and State governments with regard to the regulation of surface coal mining and reclamation operations. One of the purposes of SMCRA is to “establish a nationwide program to protect society and the environment from the adverse effects of surface coal mining operations.” Section 503(a)(1) of SMCRA requires that State laws regulating surface coal mining and reclamation operations be “in accordance with” the requirements of SMCRA. Section 503(a)(7) requires that State programs contain rules and regulations “consistent with” regulations issued by the Secretary pursuant to SMCRA.

#### *Executive Order 13211—Regulations That Significantly Affect The Supply, Distribution, or Use of Energy*

On May 18, 2001, the President issued Executive Order 13211 which requires agencies to prepare a Statement of Energy Effects for a rule that is (1) considered significant under Executive Order 12866, and (2) likely to have a significant adverse effect on the supply, distribution, or use of energy. Because this rule is exempt from review under Executive Order 12866 and is not expected to have a significant adverse effect on the supply, distribution, or use of energy, a Statement of Energy Effects is not required.

#### *National Environmental Policy Act*

This rule does not require an environmental impact statement because section 702(d) of SMCRA (30 U.S.C. 1292(d)) provides that agency decisions on proposed State regulatory program provisions do not constitute major Federal actions within the meaning of section 102(2)(C) of the

National Environmental Policy Act (42 U.S.C. 4332(2)(C)).

#### *Paperwork Reduction Act*

This rule does not contain information collection requirements that require approval by OMB under the Paperwork Reduction Act (44 U.S.C. 3507 *et seq.*).

#### *Regulatory Flexibility Act*

The Department of the Interior certifies that this rule will not have a significant economic impact on a substantial number of small entities under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*). The State submittal, which is the subject of this rule, is based upon counterpart Federal regulations for which an economic analysis was prepared and certification made that such regulations would not have a significant economic effect upon a substantial number of small entities. In making the determination as to whether this rule would have a significant economic impact, the Department relied upon the data and assumptions for the counterpart Federal regulations.

#### *Small Business Regulatory Enforcement Fairness Act*

This rule is not a major rule under 5 U.S.C. 804(2), the Small Business Regulatory Enforcement Fairness Act. This rule: (a) Does not have an annual effect on the economy of \$100 million; (b) Will not cause a major increase in costs or prices for consumers, individual industries, Federal, State, or local governmental agencies or geographic regions; and (c) Does not have significant adverse effects on competition, employment, investment, productivity, innovation, or the ability of U.S.-based enterprises to compete with foreign-based enterprises. This determination is based upon the fact that the State submittal, which is the subject of this rule, is based upon counterpart Federal regulations for which an analysis was prepared and a determination made that the Federal regulation was not considered a major rule.

#### *Unfunded Mandates*

This rule will not impose an unfunded mandate on State, local, or tribal governments or the private sector of \$100 million or more in any given year. This determination is based upon the fact that the State submittal, which is the subject of this rule, is based upon counterpart Federal regulations for which an analysis was prepared and a determination made that the Federal regulation did not impose an unfunded mandate.

## **DEPARTMENT OF DEFENSE**

### **National Imagery and Mapping Agency**

#### **32 CFR Part 320**

**[NIMA Instruction 5500.7R1]**

#### **Privacy Act; Implementation**

**AGENCY:** National Imagery and Mapping Agency, DoD.

**ACTION:** Proposed rule.

**SUMMARY:** The National Imagery and Mapping Agency (NIMA) is proposing to add an exemption rule to an existing system of records. The exemption will increase the value of the system of records for law enforcement purposes, and will protect the privacy of individuals identified in the system of records.

**DATES:** Comments must be received on or before August 5, 2002 to be considered by this agency.

**ADDRESSES:** Comments should be sent to the Office of General Counsel, National Imagery and Mapping Agency, Mail Stop D–10, 4600 Sangamore Road, Bethesda, MD 20816–5003.

**FOR FURTHER INFORMATION CONTACT:** Mr. Tom Willess, Associate General Counsel, at (301) 227–2953.

#### **SUPPLEMENTARY INFORMATION:**

#### **Executive Order 12866, “Regulatory Planning and Review”**

It has been determined that Privacy Act rules for the Department of Defense are not significant rules. The rules do not (1) Have an annual effect on the economy of \$100 million or more or adversely affect in a material way the economy; a sector of the economy; productivity; competition; jobs; the environment; public health or safety; or State, local, or tribal governments or communities; (2) Create a serious inconsistency or otherwise interfere with an action taken or planned by another Agency; (3) Materially alter the budgetary impact of entitlements, grants, user fees, or loan programs, or the rights and obligations of recipients thereof; or (4) Raise novel legal or policy issues arising out of legal mandates, the
