i. *FERC Contact:* Any questions concerning this notice should be addressed to Mr. Thomas LoVullo at (202) 219-1168, or e-mail address: thomas.lovullo@ferc.gov.

j. *Deadline for filing comments, motions to intervene and protests:* July 8, 2002.

All documents (an original and eight copies) should be filed with: Magalie R. Salas; Secretary; Federal Energy Regulatory Commission; 888 First Street, NE; Washington, DC 20426. Please include the project numbers (line b. above) on any comments or motions filed.

k. *Description of Request:* Each of the 10 referenced hydroelectric projects contain an article within their respective licenses that states, in part, that Consumers Energy Company (licensee) shall make specific annual monetary contributions to the State of Michigan Habitat Improvement Account for fish losses due to turbine entrainment mortality. The specific monetary contributions vary by project and are to be used for fish habitat restoration and other fish management purposes. The licensee proposes to amend the license requirement to reflect the conclusions reached in a November 2001 desktop evaluation and April 2002 supplemental analysis of the appropriateness of a 1990/1991 study of fish losses at the projects. The licensee concludes that subsequent studies and analyses demonstrate that substantially fewer and smaller sized fish are entrained at the licensee's 10 projects. Based on the results of the licensee's analyses, the licensee proposes to reduce the total annual monetary contributions from \$472,590 to \$65,229 (in 1999 dollars) for the 10 referenced projects.

l. *Locations of the Application:* A copy of the application is available for inspection and reproduction at the Commission's Public Reference Room, located at 888 First Street, NE, Room 2A, Washington, DC 20426, or by calling (202) 208-1371. Standard Market Design, Data and Software Standards; Notice of Conference

June 6, 2002.

The staff of the Federal Energy Regulatory Commission (Commission) previously scheduled a conference for May 22, 2002 on data and software needs in connection with the Commission's Standard Market Design (SMD) rule. This conference was postponed by Notice issued on May 7, 2002. A new date for this conference is July 18, 2002, starting at 9:30 a.m. in the Commission Meeting Room at the Federal Energy Regulatory Commission, 888 First Street, NE., in Washington, DC.

The conference is intended to discuss the data and software standards that are needed to implement SMD efficiently. The focus will be on exploring what should be standardized; whether there should be a standard data model; the potential for developing data sets to benchmark the needed software; and the need for user-friendly transparent interfaces that will help instill confidence in the process.

Software vendors will be invited to present their products the same day in the lobby area.

All interested parties are invited to attend. Further information about the structure of the conference will be provided in a subsequent notice, including the agenda and a list of participating discussants, as plans evolve.

The conference will be transcribed. Those interested in acquiring the transcript should contact Ace Reporters at 202-347-3700, or 800-336-6646. Transcripts will be placed in the public record ten days after the conference.

For additional information, please contact René Forsberg at 202-208-0425 or René.Forsberg@ferc.gov.

[Docket No. RM98-1-000]

Regulations Governing Off-the-Record Communications; Public Notice

June 7, 2002.

This constitutes notice, in accordance with 18 CFR 385.2201(h), of the receipt of exempt and prohibited off-the-record communications.

Order No. 607 (64 FR 51222, September 22, 1999) requires Commission decisional employees, who make or receive an exempt or a prohibited off-the-record communication relevant to the merits of a contested on-the-record proceeding, to deliver a copy of the communication, if written, or a summary of the substance of any oral communication, to the Secretary.

Prohibited communications will be included in a public, non-decisional file associated with, but not part of, the decisional record of the proceeding. Unless the Commission determines that the prohibited communication and any responses thereto should be come part of the decisional record, the prohibited off-the-record communication will not be considered by the Commission in reaching its decision. Parties to a proceeding may seek the opportunity to respond to any facts or contentions made in a prohibited off-the-record communication, and may request that the Commission place the prohibited communication and responses thereto in the decisional record. The Commission will grant such requests only when it determines that fairness so requires. Any person identified below as having made a prohibited off-the-record communication should serve the document on all parties listed on the official service list for the applicable proceeding in accordance with Rule 2010, 18 CFR 385.2010.

Exempt off-the-record communications will be included in the decisional record of the proceeding, unless the communication was with a cooperating agency as described by 40 CFR 1501.6, made under 18 CFR 385.2201(e)(1)(v).

The following is a list of exempt and prohibited off-the-record communications recently received in the Office of the Secretary. Copies of this filing are on file with the Commission and are available for public inspection. The documents may be viewed on the web at <http://www.ferc.gov> using the "RIMS" link, select "Docket#" and follow the
