

information technology, e.g., permitting electronic submission of responses.

This Notice also lists the following information:

Title of Proposal: Multifamily Financial Management Template.

OMB Control Number, if applicable: 2502-New (formerly 2535-0107).

Description of the need for the information and proposed use: The Uniform Financial Reporting Standards (UFRS) for HUD Housing Programs requires HUD multifamily housing program participants to submit financial data electronically, using General Accepted Accounting Principles (GAAP), in a prescribed format. Electronic submission of this data requires the use of a template. The Multifamily Financial Management template includes updates that increase the efficiency of the data collection and reduces the burden hours for the respondents. HUD will continue to use the financial information collected from multifamily property owners to evaluate their financial condition. Requiring multifamily property owners to report electronically has enabled HUD to provide a more comprehensive financial assessment of the multifamily property owners receiving Federal funds.

Agency form numbers, if applicable: None.

Estimated of the total number of hours needed to prepare the information collection including number of respondents, frequency of response, and hours off response: The estimated total number of annual hours needed to prepare the information collection is 53,784; the number of respondents is 20,774 generating 20,774 annual responses; the frequency of response is annually; and the number of hours per response is approximately 2.50 hours.

Status of the proposed information collection: Revision of a currently approved collection. (This collection was transferred from the Real Estate Assessment Center to the Assistant Secretary for Housing-Federal Housing Commission.)

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C., Chapter 35, as amended.

Dated: June 25, 2002.

John C. Weicher,

Assistant Secretary for Housing-Federal Housing Commissioner.
