This CPG, as revised on August 9, 1988, considered these products to be devices within the meaning of section 201(h) of the Federal Food, Drug, and Cosmetic Act (the act) (21 U.S.C. 321(h)).

In accordance with section 513 of the act (21 U.S.C. 360c), the agency has classified dental products as devices by regulation, including but not limited to:

1. Karaya and sodium borate with or without acacia denture adhesive (21 CFR 872.3400)
2. Ethylene oxide homopolymer and/or carboxymethylcellulose sodium denture adhesive (21 CFR 872.3410)
3. Carboxymethylcellulose sodium and cationic polyacrylamide polymer denture adhesive (21 CFR 872.3420)

11. OTC denture repair kit (21 CFR 872.3570)

Office of Refugee Resettlement

Final Notice of Allocations to States of FY 2002 Funds for Refugee Social Services

AGENCY: Office of Refugee Resettlement (ORR), ACF, HHS.

ACTION: Final notice of allocations to States of FY 2002 funds for refugee social services.

SUMMARY: This notice establishes the allocations to States of FY 2002 funds for social services under the Refugee Resettlement Program (RRP).

This notice includes \$11.5 million in two set-aside allocations to: Support programs to promote healthy families through community-based organizations; and provide planned upgrading of employment, employment retraining, and subsidized employment tied to a labor market need leading to an offer of unsubsidized employment.

DATES: Effective date is July 8, 2002.

FOR FURTHER INFORMATION CONTACT: Barbara R. Chesnik, Division of Refugee Self-Sufficiency, telephone: (202) 401-4558, email: bchesnik@acf.dhhs.gov.

SUPPLEMENTARY INFORMATION:

I. Amounts For Allocation

The Office of Refugee Resettlement (ORR) has available \$158,600,000 in FY 2002 refugee social service funds as part of the FY 2002 appropriation for the Department of Health and Human Services (Departments of Labor, Health and Human Services, and Education, and Related Agencies Appropriations Act, 2002, Public Law 107-116).

The FY 2002 House Appropriations Committee Report (H.R. Rept. No. 107-229) reads as follows with respect to social services funds:

The bill provides \$158,621,000 for social services, \$15,000,000 more than the fiscal year 2001 appropriation and the budget request. Funds are distributed by formula as well as through the discretionary grant making process for special projects. The bill includes \$15,000,000 to increase educational support to schools with a significant proportion of refugee children, consistent with previous support to schools heavily impacted by large concentration of refugees.

The Committee agrees that \$19,000,000 is available for assistance to serve communities

affected by the Cuban and Haitian entrants and refugees whose arrivals in recent years have increased. The Committee has set aside \$26,000,000 for increased support to communities with large concentrations of refugees whose cultural differences make assimilation especially difficult justifying a more intense level and longer duration of Federal assistance. Finally, the Committee has set aside \$14,000,000 to address the needs of refugees and communities impacted by recent changes in Federal assistance programs relating to welfare reform. The Committee urges ORR to assist refugees at risk of losing, or who have lost, benefits including SSI, TANF and Medicaid, in obtaining citizenship.

The FY 2002 Conference Report on Appropriations (H.R. Conf. 107-342) reads as follows concerning social services:

The conference agreement appropriates \$460,203,000, instead of \$460,224,000 as proposed by the House and \$445,224,000 proposed by the Senate. Within this amount, for Social Services, the agreement provides \$158,600,000 instead of \$156,621,000 as proposed by the House and \$143,621,000 as proposed by the Senate.

The conferees specify that funds for section 414 of the Immigration and Nationality Act shall be available for three fiscal years, as proposed by the House.

The conference agreement includes \$15,000,000 that is to be used under social services to increase educational support to schools with a significant proportion of refugee children, consistent with language contained in the House report.

The agreement also includes \$19,000,000 for increased support to communities with large concentrations of refugees whose cultural differences make assimilation especially difficult justifying a more intense level and longer duration of Federal assistance, consistent with language contained in the House report.

ORR will use the \$158,600,000 appropriated for FY 2002 social services as follows:

- \$71,910,000 will be allocated under the three-year population formula, as set forth in this notice for the purpose of providing employment services and other needed services to refugees.

- \$12,690,000 will be awarded as new and continuation social service discretionary grants under new and prior year competitive grant announcements issued separately from this notice.

- \$19,000,000 will be awarded to serve communities most heavily affected by recent Cuban and Haitian entrant and refugee arrivals. These funds will be awarded through continuation awards under a separate prior year announcement.

- \$26,000,000 will be awarded through discretionary grants for communities with large concentrations of refugees whose cultural differences

make assimilation especially difficult justifying a more intense level and longer duration of Federal assistance. A combination of new and continuation awards will be made through new and prior year separate announcements.

- \$14,000,000 will be awarded to address the needs of refugees and communities impacted by recent changes in Federal assistance programs relating to welfare reform. Awards will be made through a separate announcement.

- \$15,000,000 will be awarded to increase educational support to schools with a significant proportion of refugee children, consistent with previous support to schools heavily impacted by large concentrations of refugees. New awards will be made through a separate announcement.

In addition, we are adding \$11.5 million in prior year funds to the FY 2002 formula social services allocation as two set-aside allocations as follows: (1) \$3 million for support for healthy families through community-based organizations, and (2) \$8.5 million for planned upgrading of employment, employment retraining, and subsidized employment tied to a labor market need leading to unsubsidized employment, increasing the total amount available in FY 2002 through this announcement to \$83,410,000.

Congress provided ORR with broad carry-over authority of FY 2000 refugee funds in a supplemental appropriations law (Emergency Supplemental Act, 2000, Pub.L. No. 106-246) as follows:

Funds appropriated under this heading [Refugee and Entrant Assistance] in the Departments of Labor, Health and Human Services, and Education, and Related Agencies Appropriations Act, 2000 (as enacted into law by section 1000(a)(4) of Public Law 106-113) for fiscal year 2000, pursuant to section 414(a) of the Immigration and Nationality Act, shall be available for the costs of assistance provided and other activities through September 30, 2002.

Refugee Social Service Funds

The population figures for the formula social services allocation include refugees, Cuban/Haitian entrants, and Amerasians from Vietnam. (A State must, however, have an approved State plan for the Cuban/Haitian Entrant Program or indicate in its refugee program State plan that Cuban/Haitian entrants will be served in order to use funds on behalf of entrants as well as refugees.)

The Director is allocating \$71,910,000 to States on the basis of each State's proportion of the national population of refugees who had been in the United States three years or less as of October
