

proposed on February 6, 1998 and promulgated on June 17, 1999. These regulations apply to the following facilities in 40 CFR part 63, subpart HHH: facilities that are major sources or area sources of hazardous air pollutants (HAP) that transport or store natural gas prior to entering the pipeline to a local distribution company or to a final end user, and that commences construction, modification or reconstruction after the date of proposal. Specifically exempted from this regulation are oil and natural gas production wells. This information is being collected to assure compliance with 40 CFR part 63, subpart HHH.

In general, all NESHAP standards require initial notifications, performance tests, and periodic reports. Owners or operators are also required to maintain records of the occurrence and duration of any start-up, shutdown, or malfunction in the operation of an affected facility, or any period during which the monitoring system is inoperative. These notifications, reports, and records are essential in determining compliance, and are required of all sources subject to NESHAP. Any owner or operator subject to the provisions of this part shall maintain a file of these measurements, and retain the file for at least 5 years following the date of such measurements, maintenance reports, and records. All reports are sent to the delegated State or local authority. In the event that there is no such delegated authority, the reports are sent directly to the EPA Regional Office.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for EPA's regulations are listed in 40 CFR part 9 and 48 CFR chapter 15. The **Federal Register** document required under 5 CFR 1320.8(d), soliciting comments on this collection of information was published on; 01/30/02 no comments were received.

Burden Statement: The annual public reporting and recordkeeping burden for this collection of information is estimated to average 19 hours per response. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and

requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

Respondents/Affected Entities: Owners and Operators of Natural Gas Transmission and Storage Facilities.

Estimated Number of Respondents: 7.
Frequency of Response: On Occasion, Semi-Annually, Annually.

Estimated Total Annual Hour Burden: 581 hours.

Estimated Total Annualized Capital, O&M Cost Burden: \$0.

Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the addresses listed above. Please refer to EPA ICR No. 1789.03 and OMB Control No. 2060-0418 in any correspondence.

Organophosphate Pesticides; Availability of the Revised Organophosphate Cumulative Risk Assessment; Extension of Comment Period

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice; extension of comment period.

SUMMARY: EPA is extending the comment period for the revised organophosphorous (OP) cumulative risk assessment for an additional 30 days. The revised OP cumulative risk assessment was released to the public for comment in the **Federal Register** of June 20, 2002. The revised assessment was developed as part of EPA's process for tolerance reassessments under the Federal Food, Drug, and Cosmetic Act (FFDCA), as amended by the Food Quality Protection Act of 1996 (FQPA). By allowing access and opportunity for comment on the revised risk assessment, EPA is seeking to strengthen stakeholder involvement and help ensure our decisions under FQPA are transparent and based on the best available information.

DATES: Comments, identified by the docket ID number OPP-2002-0154, must be received on or before August 21, 2002.

ADDRESSES: Comments may be submitted by mail, electronically, or in person. Please follow the detailed instructions for each method as provided in Unit I. of the

SUPPLEMENTARY INFORMATION. To ensure proper receipt by EPA, it is imperative that you identify docket ID number OPP-2002-0154 in the subject line on the first page of your response.

FOR FURTHER INFORMATION CONTACT: Karen Angulo, Special Review and Reregistration Division (7508C), Office of Pesticide Programs, Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460; telephone number: (703) 308-8004; fax number: (703) 308-8005; e-mail address: angulo.karen@epa.gov.

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this Action Apply to Me?

This action is directed to the public in general, nevertheless, a wide range of stakeholders will be interested in obtaining and submitting comments on the revisions to the OP pesticide cumulative risk assessment, including environmental, human health, and agricultural advocates; the chemical industry; pesticide users; and members of the public interested in the use of pesticides on food. As such, the Agency has not attempted to specifically describe all the entities potentially affected by this action. If you have any questions regarding the applicability of this action to a particular entity, consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

B. How Can I Get Additional Information, Including Copies of this Document and Other Related Documents?

1. *Electronically.* You may obtain electronic copies of this document, and certain other related documents that might be available electronically, from the EPA Internet Home Page at <http://www.epa.gov/>. On the Home Page select "Laws and Regulations," "Regulations and Proposed Rules," and then look up the entry for this document under the "**Federal Register**—Environmental Documents." You can also go directly to the **Federal Register** listings at <http://www.epa.gov/fedrgstr/>.

To access information about organophosphate pesticides and obtain electronic copies of the revised risk assessments and related documents mentioned in this notice, you can also

go directly to the Home Page for the Office of Pesticide Programs (OPP) at <http://www.epa.gov/pesticides/cumulative>.

2. *In person.* The Agency has established an official record for this action under docket ID number OPP-2002-0154. The official record consists of the documents specifically referenced in this action, any public comments received during an applicable comment period, and other information related to this action, including any information claimed as Confidential Business Information (CBI). This official record includes the documents that are physically located in the docket, as well as the documents that are referenced in those documents. The public version of the official record does not include any information claimed as CBI. The public version of the official record, which includes printed, paper versions of any electronic comments submitted during an applicable comment period, is available for inspection in the Public Information and Records Integrity Branch (PIRIB), Rm. 119, Crystal Mall #2, 1921 Jefferson Davis Hwy., Arlington, VA, from 8:30 a.m. to 4 p.m., Monday through Friday, excluding legal holidays. The PIRIB telephone number is (703) 305-5805.

C. How and to Whom Do I Submit Comments?

As described in Unit III. of the notice published in the **Federal Register** of June 20, 2002 (67 FR 41993) (FRL-7183-1), you may submit your comments through the mail, in person, or electronically. Please follow the instructions that are provided in that notice. Do not submit any information electronically that you consider to be CBI. To ensure proper receipt by EPA, be sure to identify docket ID number OPP-2002-0154 in the subject line on the first page of your response.

D. How Should I Handle CBI that I Want to Submit to the Agency?

Do not submit any information electronically that you consider to be CBI. You may claim information that you submit to EPA in response to this document as CBI by marking any part or all of that information as CBI. Information so marked will not be disclosed except in accordance with procedures set forth in 40 CFR part 2. In addition to one complete version of the comment that includes any information claimed as CBI, a copy of the comment that does not contain the information claimed as CBI must be submitted for inclusion in the public version of the official record. Information not marked confidential

will be included in the public version of the official record without prior notice. If you have any questions about CBI or the procedures for claiming CBI, please consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

E. What Should I Consider as I Prepare My Comments for EPA?

You may find the following suggestions helpful for preparing your comments:

1. Explain your views as clearly as possible.
2. Describe any assumptions that you used.
3. Provide copies of any technical information and/or data you used that support your views.
4. If you estimate potential burden or costs, explain how you arrived at the estimate that you provide.
5. Provide specific examples to illustrate your concerns.
6. Offer alternative ways to improve the notice.
7. Make sure to submit your comments by the deadline in this notice.
8. To ensure proper receipt by EPA, be sure to identify the docket ID number assigned to this action in the subject line on the first page of your response. You may also provide the name, date, and **Federal Register** citation.

II. Background

EPA is extending the comment period for the revised OP cumulative risk assessment, which was released to the public for comment in the **Federal Register** of June 20, 2002 (67 FR 41993) (FRL-7183-1). The documents provide information on the revisions that were made to the preliminary OP cumulative risk assessment, which was released to the public in the **Federal Register** of December 28, 2001 (66 FR 67249) (FRL-6816-5).

Announcement of Public Comment Period for Draft Contaminated Sediments Science Plan

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of availability; request for comments.

SUMMARY: The Environmental Protection Agency has developed and requests public comment on the draft Contaminated Sediments Science Plan. The Contaminated Sediments Science Plan is available electronically at <http://www.epa.gov/superfund/action/guidance/cssp.pdf> and <http://www.epa.gov/superfund/action/guidance/cssp-appendix.pdf>. This science plan is a mechanism for the EPA to develop and coordinate Agency-wide science activities in the contaminated sediments area. Along with the EPA's contaminated sediments science activities database, this plan provides an analysis of the current Agency science activities in this area, identifies and evaluates the science gaps, and provides a strategy for filling those gaps. Implementation of the science recommendations will be contingent upon overall Agency priorities and resources available within the annual budgetary planning cycle. Four questions for which the EPA is particularly seeking public comment are provided below in the section Issues for Public Comment. The information submitted in response to this notice will be considered by the EPA in the completion of the final document.

DATES: Comments must be received on or before September 20, 2002.

ADDRESSES: Comments may be submitted electronically, by mail, or through hand delivery/courier. Follow the detailed instructions provided in section I.B. of the **SUPPLEMENTARY INFORMATION** section.
