SUPPLEMENTARY INFORMATION: The Commission has amended its system of records for the files maintained by the Division of Enforcement. The information in the system is obtained and used for purposes of the Commission's investigations and actions to enforce the federal securities laws. The information in the system is used in conjunction with the collection of amounts ordered to be paid in enforcement actions, a function that is a necessary component of litigation. However, the Debt Collection Act, as amended by the Debt Collection Improvement Act of 1996, requires agencies to publish a notice identifying each system of records from which information may be disclosed to consumer credit reporting agencies (*i.e.*, consumer credit bureaus). The Office of Management and Budget has indicated that this notice should take the form of an insert to existing systems of records. See OMB, *Privacy Act of 1974; Guidelines on the Relationship of the Debt Collection Act of 1982 to the Privacy Act of 1974*, 48 FR 15556, 15558 (April 11, 1983). The Commission has thus incorporated a statement regarding consumer credit reporting into the system of records for Enforcement Files.

The Commission has also revised the routine uses for Enforcement Files to clarify that disclosure may be made in connection with certain debt collection procedures that are mandatory for federal agencies. A routine use has thus been adopted which specifically states that disclosure may be made when the Commission seeks to collect by offset, *i.e.*, the withholding of amounts otherwise payable by the government to a debtor. *Administrative offset*, authorized by the Debt Collection Act, 31 U.S.C. 3716, is the most general form of such withholding, and applies to most amounts that may be payable to a debtor. *Tax refund offset*, authorized by 31 U.S.C. 3720A, authorizes the withholding of federal income tax refunds to satisfy a debt owed to the government. *Salary offset*, authorized by 5 U.S.C. 5514, authorizes the withholding of a portion of the wages due to a federal employee. The routine use also indicates that disclosure may be made in connection with *administrative wage garnishment*, a procedure by which the Commission

may direct a non-federal employer to withhold a portion of an employee's wages to satisfy a debt owed to the government. In addition, notice is given that disclosure may be made to other persons, including other federal agencies and private collection agents, who assist in the collection of amounts owed as a result of enforcement actions.

The Commission has adopted technical amendments to other routine uses. Four of the existing routine uses (those numbered 11, 12, 15 and 17) refer to the definition of "federal securities laws" which has been moved from Section 21(g) of the Exchange Act to Section 3(a)(47); this reference has been updated. Two of the routine uses (those numbered 7 and 12) contain incorrect references to the re-codified Rules of Practice, and those references have been updated.

The Commission has updated the addresses of the following system administrators: the Commission's Records Officer; the Regional Directors for the Northeast Regional Office, the Southeast Regional Office, the Central Regional Office, the Pacific Regional Office and the Midwest Regional Office; and the District Administrators for the Philadelphia District Office, the Fort Worth District Office, and the Salt Lake District Office.

The Commission has also added a statement identifying the exemptions that have been claimed for this system of records. The Privacy Act includes provisions that generally require an agency to: notify an individual, upon request, of the existence of information contained in a record pertaining to the individual; permit access to such record and permit amendment or correction of such record; make available to an individual an accounting of disclosures to third-parties; publish the sources of information in the system; and screen records to ensure that only such information is maintained about the individual as is necessary and relevant to a required purpose of the Commission. See 5 U.S.C. 552a(c)(3), (d), (e)(1), (e)(4)(G), (H), (I), and (f). The Privacy Act permits an agency, by rule, to claim exemption from these provisions for any system containing "investigatory material compiled for law enforcement purposes" if disclosure would interfere with the conduct of investigations. 5 U.S.C. 552a(k)(2). The Commission has claimed exemptions from these provisions for its Enforcement Files system of records. 17 CFR 200.312(a)(1).

Accordingly, SEC-42 is amended to read as follows:
