

requirements of Section 6 of the Act⁸ and the rules and regulations thereunder. The Commission finds specifically that the proposed rule change is consistent with Section 6(b)(5) of the Act⁹ in that the Rule is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and, in general, to protect investors and the public interest. The Commission believes that the proposed rule change, while eliminating the opportunity for specialists to effect a proprietary transaction to provide price improvement to one side of a clean cross or the other, preserves the auction market principle of price improvement by continuing to allow non-proprietary interest of specialists and particular Floor brokers in the market to offer price improvement at any minimum variation.

The Commission finds good cause for approving Amendment No. 1 before the 30th day after the date of publication of notice of filing thereof in the **Federal Register**. Amendment No. 1 simply removes the provision from the original filing that would have allowed clean crosses of 100,000 shares or more when a member organization is facilitating a customer order. This provision was the focus of the comment letters. Because Amendment No. 1 removes this provision, the Commission believes it is appropriate to approve Amendment No. 1 on an accelerated basis. For these reasons, the Commission finds good cause for accelerating approval of Amendment No. 1.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning Amendment No. 1, including whether Amendment No. 1 is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be

available for inspection and copying at the principal office of the NYSE. All submissions should refer to file number SR-NYSE-2001-18 and should be submitted by August 14, 2002.

V. Conclusion and Order

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,¹⁰ that the proposed rule change (SR-NYSE-2001-18), including Amendment No. 1, is approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹¹

Margaret H. McFarland,

Deputy Secretary.
