SKO will be the operator of the property.

Because SKO's projected annual revenues will exceed \$5 million, SKO certified to the Board on May 3, 2002, that it sent the required notice of the transaction to the national offices of all labor unions representing employees on the line and posted a copy of the notice at the workplace of the employees on the affected lines on April 25, 2002. The transaction was scheduled to be consummated on or shortly after July 2, 2002 (60 days after SKO's certification to the Board that it had complied with the Board's rule at 49 CFR 1150.42(e)).

under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the transaction.
