

The line traverses U.S. Postal Service ZIP Codes 38111 and 38112. Applicant has indicated that the line includes the station of Memphis.

The line does not contain federally granted rights-of-way. Any documentation in CSXT's possession will be made available promptly to those requesting it. The applicant's entire case for discontinuance (case-in-chief) was filed with the application.

The line of railroad has appeared on CSXT's system diagram map or has been included in its narrative in category 1 since March 6, 2002.

The interest of railroad employees will be protected by the conditions set forth in *Oregon Short Line R. Co.—Abandonment—Goshen*, 360 I.C.C. 91 (1979).

Any interested person may file with the Board written comments concerning the proposed discontinuance or protests (including the protestant's entire opposition case), by August 26, 2002. Because this is a discontinuance proceeding, and not an abandonment, trail use/rail banking, and public use requests are not appropriate. Also, only offers of financial assistance (OFA) under 49 U.S.C. 10904 to subsidize (not purchase) the line will be entertained.

Persons opposing the discontinuance who wish to participate actively and fully in the process should file a protest. Persons who may oppose the discontinuance but who do not wish to participate fully in the process by submitting verified statements of witnesses containing detailed evidence should file comments. Persons seeking information concerning the filing of protests should refer to 49 CFR 1152.25.

In addition, a commenting party or protestant may provide: (i) An OFA to subsidize rail service under 49 U.S.C. 10904 (due 120 days after the application is filed or 10 days after the application is granted by the Board, whichever occurs sooner); and (ii) recommended provisions for protection of the interests of employees.

The line sought to be discontinued will be available for subsidy for

continued rail use, if the Board decides to permit the discontinuance, in accordance with applicable laws and regulations (49 U.S.C. 10904 and 49 CFR 1152.27). Each OFA must be accompanied by a \$1,100 filing fee. See 49 CFR 1002.2(f)(25). No subsidy arrangement approved under 49 U.S.C. 10904 shall remain in effect for more than 1 year unless otherwise mutually agreed by the parties (49 U.S.C. 10904(f)(4)(B)). Applicant will promptly provide upon request to each interested party an estimate of the subsidy required to keep the line in operation. The carrier's representative to whom inquiries may be made concerning subsidy terms is set forth below.

All filings in response to this notice must refer to STB Docket No. AB-55 (Sub-No. 618) and must be sent to: (1) Surface Transportation Board, 1925 K Street, NW., Washington, DC 20423-0001; and (2) Louis E. Gitomer, Esq., Ball Janik, LLP, 1455 F St., NW., Suite 225, Washington, DC 20005. The original and 10 copies of all comments or protests shall be filed with the Board with a certificate of service. Except as otherwise set forth in part 1152, every document filed with the Board must be served on all parties to the discontinuance proceeding. 49 CFR 1104.12(a).

Persons seeking further information concerning discontinuance procedures may contact the Board's Office of Public Services at (202) 565-1592 or refer to the full abandonment or discontinuance regulations at 49 CFR part 1152. Questions concerning environmental issues may be directed to the Board's Section of Environmental Analysis (SEA) at (202) 565-1552. [TDD for the hearing impaired is available at 1-800-877-8339.]

An environmental assessment (EA) (or environmental impact statement (EIS), if necessary) prepared by SEA will be served upon all parties of record and upon any agencies or other persons who commented during its preparation. Other interested persons may contact SEA to obtain a copy of the EA (or EIS). EAs in discontinuance proceedings normally will be made available within 33 days of the filing of the application. The deadline for submission of comments on the EA will generally be within 30 days of its service. The comments received will be addressed in the Board's decision. A supplemental EA or EIS may be issued where appropriate.

Board decisions and notices are available on our website at "WWW.STB.DOT.GOV."

Decided: July 24, 2002.

By the Board, David M. Konschnik, Director, Office of Proceedings.

Vernon A. Williams,
Secretary.

BILLING CODE 4915-00-P

DEPARTMENT OF THE TREASURY

Bureau of Alcohol, Tobacco and Firearms

[Notice No. 949; ATF O 1130.29]

Delegation Order—Delegation of The Director's Authorities in 27 CFR Part 26, Liquors and Articles From Puerto Rico and the Virgin Islands

To: All Bureau Supervisors

1. *Purpose.* This order delegates certain authorities of the Director to subordinate ATF officers and prescribes the subordinate ATF officers with whom persons file documents which are not ATF forms.

2. *Background.* The Director has the authority to take final action on matters relating to liquors and articles from Puerto Rico and the Virgin Islands. Certain of these authorities have been delegated to lower organizational levels through ATF O 1130.23—Delegation Order—Delegation of the Director's Authorities in 27 CFR part 250, Liquors and Articles from Puerto Rico and the Virgin Islands. ATF is currently restructuring the part numbering system in title 27 of the Code of Federal Regulations (CFR). The regulations relating to liquors and articles from Puerto Rico and the Virgin Islands, previously located in 27 CFR part 250, are now recodified as 27 CFR part 26. Due to this restructuring, ATF O 1130.23 must be cancelled and a new order must be issued to reflect the new part number.

3. *Cancellation.* ATF O 1130.23, Delegation Order—Delegation of the Director's Authorities in 27 CFR part 250, Liquors and Articles from Puerto Rico and the Virgin Islands, dated 8/13/2001, is canceled.

4. *Delegations.* Under the authority vested in the Director, Bureau of Alcohol, Tobacco and Firearms, by Treasury Department Order No. 120-01 (formerly 221), dated June 6, 1972, and by 26 CFR 301.7701-9, this ATF order delegates certain authorities to take final action prescribed in 27 CFR part 26 to subordinate officials. Also, this ATF order prescribes the subordinate officials with whom applications, notices, and reports required by 27 CFR part 26, which are not ATF forms, are filed. The attached table identifies the

TN, STB Docket No. AB-55 (Sub-No. 590X) (STB served Dec. 12, 2001), finding that CSXT had failed to show that the current situation imposed a burden on it that outweighed the harm if the line were to be abandoned. The Board's denial of the petition was without prejudice to CSXT's refiling an appropriate application or a petition for exemption. On March 29, 2002, CSXT filed a petition under 49 U.S.C. 10502 for exemption from 49 U.S.C. 10903 in *CSX Transportation, Inc.—Discontinuance Exemption—(Between East of Memphis and Cordova) in Shelby County, TN*, STB Docket No. AB-55 (Sub-No. 615X) to discontinue service over the 12.24-mile segment of the line between milepost ONI 222.9, east of Memphis, and milepost ONI 210.66, near Cordova, at the end of the line. The Board granted the petition by decision served on July 17, 2002.

regulatory sections, authorities and documents to be filed, and the authorized ATF officials. The authorities in the table may not be redelegated.

5. *Questions.* If you have questions about this ATF order, contact the Regulations Division (202-927-8210).

Bradley A. Buckles,
Director.
