Missouri & Valley Park Railroad Corporation—Lease Exemption—The Burlington Northern and Santa Fe Railway Company

Missouri & Valley Park Railroad Corporation (MVP), a noncarrier, has filed a notice of exemption under 49 CFR 1150.31 to lease¹ from The Burlington Northern and Santa Fe Railway Company (BNSF) and operate approximately 2.14 miles of rail line between BNSF’s milepost 20.50 near West Valley Park, MO, on the south side of the Cuba Sub Main Line, and at or near BNSF’s milepost 18.36 on the Cuba Sub at East Valley Park, MO, on the south side of the Cuba Sub Main Line. MVP certifies that its projected revenues do not exceed those that would qualify it as a Class III rail carrier.

The transaction was due to be consummated on or after July 22, 2002. The earliest the transaction could have been consummated was on July 22, 2002, the effective date of the exemption (7 days after the exemption was filed).

If the notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the transaction.

An original and 10 copies of all pleadings, referring to STB Finance Docket No. 34231, must be filed with the Surface Transportation Board, 1925 K Street, NW., Washington, DC 20423-0001. In addition, one copy of each pleading must be served on Edwin I. Josephson, Chuhak & Tecson, P.C., 30

SUPPLEMENTARY INFORMATION:

Title: Suspicious Activity Report by the Securities and Futures Industry (SAR-SF).

OMB Number: 1506-0019.

Form Number: TD F 90-22.XX.

Abstract: The statute generally referred to as the “Bank Secrecy Act,” Titles I and II of Public Law 91-508, as amended, codified at 12 U.S.C. 1829b, 12 U.S.C. 1951-1959, and 31 U.S.C. 5311-5332, authorizes the Secretary of the Treasury, *inter alia*, to require financial institutions to keep records and file reports that are determined to have a high degree of usefulness in criminal, tax, and regulatory matters, or in the conduct of intelligence or counter-intelligence activities, to protect against international terrorism, and to implement counter-money laundering programs and compliance procedures.¹ Regulations implementing Title II of the Bank Secrecy Act appear at 31 CFR Part 103. The authority of the Secretary to administer the Bank Secrecy Act has been delegated to the Director of FinCEN.

The Secretary of the Treasury was granted authority in 1992, with the enactment of 31 U.S.C. 5318(g), to require financial institutions to report suspicious transactions. On July 1, 2002, FinCEN issued a final rule requiring brokers or dealers in securities (“broker-dealers”) to report suspicious transactions (“Broker-Dealer SAR Rule”). (67 FR 44048). The final rule can also be found at 31 CFR 103.19.

In the preamble to the final Broker-Dealer SAR Rule, FinCEN indicated that it would be developing a suspicious activity reporting form for broker-dealers entitled “Suspicious Activity Report—Brokers or Dealers in Securities,” or “SAR-BD.”² The form may also be used by futures commission merchants (“FCMs”) registered with the Commodities Futures Trading

¹ Language expanding the scope of the Bank Secrecy Act to intelligence or counter-intelligence activities to protect against international terrorism was added by Section 358 of the Uniting and strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism (USA PATRIOT ACT) Act of 2001 (the “USA Patriot Act”), P.L. 107-56.

² See 67 FR 44048, 44051.

¹ MVP states that it has also entered into a trackage and interchange agreement with BNSF that affects the above leased rail line.

Commission voluntarily to report suspicious activity to FinCEN. Thus, the title of the draft form has been revised slightly from "SAR-BD" to "SAR-SF," and several fields are provided on the form for use by FCMs.³

The information collected on the new form is required to be provided pursuant to 31 U.S.C. 5318(g) and 31 CFR 103.19. This information will be made available, in accordance with strict safeguards, to appropriate criminal law enforcement and regulatory personnel, and to the registered securities associations and national securities exchanges (so-called self-regulatory organizations) for use in official performance of their duties, for regulatory purposes and in investigations and proceedings involving domestic and international money laundering, tax violations, fraud, and other financial crimes.

Reports filed by broker-dealers required to report suspicious transactions under 31 CFR 103.19, and any reports filed voluntarily by other broker-dealers will be subject to the protection from liability contained in 31 U.S.C. 5318(g)(3) and the provision contained in 31 U.S.C. 5318(g)(2) which prohibits notification of any person

³ FinCEN anticipates issuing shortly a Notice of Proposed Rulemaking that would require FCMs to report suspicious activity.

involved in the transaction that a suspicious activity report has been filed.

The draft SAR-SF is presented only for purposes of soliciting public comment on the form. This form should not be used at this time to report suspicious activity. A final version of the form will be made available at a later date.

Type of Review: New information collection.

Affected public: Business or other for-profit institutions.

Frequency: As required.

Estimated Burden: Reporting average of 40 minutes per response.⁴

Estimated number of respondents = 8,300.

Estimated Total Annual Responses = 2,000.

Estimated Total Annual Burden Hours: 1,350.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Records required to be retained under the Bank Secrecy Act must be retained for five years.

⁴ This burden relates to the completion of the SAR-SF form. The recordkeeping burden of 31 CFR 103.19 is reflected in the final rule requiring broker-dealers to file reports of suspicious activity. See 67 FR 44048, 44055.

Request for Comments

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance and purchase of services to provide information.

Dated: July 26, 2002.

DRAFT

Suspicious Activity Report Instructions**5**

Safe Harbor Federal law (31 U.S.C. 5318(g)(3)) provides complete protection from civil liability for all reports of suspicious transactions made to appropriate authorities, including supporting documentation, regardless of whether such reports are filed pursuant to this report's instructions or are filed on a voluntary basis. Specifically, the law provides that a financial institution, and its directors, officers, employees and agents, that make a disclosure of any possible violation of law or regulation, including in connection with the preparation of suspicious activity reports, "shall not be liable to any person under any law or regulation of the United States, any constitution, law, or regulation of any State or political subdivision of any State, or under any contract or other legally enforceable agreement (including any arbitration agreement), for such disclosure or for any failure to provide notice of such disclosure to the person who is the subject of such disclosure or any other person identified in the disclosure."

Notification Prohibited Federal law (31 U.S.C. 5318(g)(2)) provides that a financial institution, and its directors, officers, employees, and agents who, voluntarily or by means of a suspicious activity report, reports suspicious transactions to the government, may not notify any person involved in the transaction that the transaction has been reported.

In situations involving violations that require immediate attention, such as terrorist financing or ongoing money laundering schemes, the financial institution shall immediately notify by telephone an appropriate law enforcement authority in addition to filing a timely suspicious activity report.

When to file a report

1. Every broker or dealer in securities within the United States (for purposes of this section, a "broker-dealer") shall file with FinCEN, to the extent and in the manner required by 31 CFR 103.19, a report of any suspicious transaction relevant to a possible violation of law or regulation. A broker-dealer may also file with FinCEN a report of any suspicious transaction that it believes is relevant to the possible violation of any law or regulation but whose reporting is not required by 31 CFR 103.19. A voluntary filing does not relieve a broker-dealer from the responsibility of complying with any other reporting requirements imposed by the Securities and Exchange Commission or a self-regulatory organization ("SRO") (as defined in section 3(a)(26) of the Securities Exchange Act of 1934, 15 U.S.C. 78c(a)(26)).
2. A transaction requires reporting if it is conducted or attempted by, at, or through a broker-dealer, it involves or aggregates funds or other assets of at least \$5,000, and the broker-dealer knows, suspects, or has reason to suspect that the transaction (or a pattern of transactions of which the transaction is a part):
 - i. Involves funds derived from illegal activity or is intended or conducted in order to hide or disguise funds or assets derived from illegal activity (including, without limitation, the ownership, nature, source, location, or control of such funds or assets) as part of a plan to violate or evade any federal law or regulation or to avoid any transaction reporting requirement under federal law or regulation;
 - ii. Is designed, whether through structuring or other means, to evade any requirements of 31 CFR 103 or of any other regulations promulgated under the Bank Secrecy Act, Pub. L. 91-508, as amended, codified at 12 U.S.C. 1829b, 12 U.S.C. 1951-1959, and 31 U.S.C. 5311-5332;
 - iii. Has no business or apparent lawful purpose or is not the sort in which the particular customer would normally be expected to engage, and the broker-dealer knows of no reasonable explanation for the transaction after examining the available facts, including the background and possible purpose of the transaction; or
 - iv. Involves use of the broker-dealer to facilitate criminal activity.
3. The obligation to identify and properly and timely report a suspicious transaction rests with each broker-dealer involved in the transaction, provided that no more than one report is required to be filed by the broker-dealers involved in a particular transaction (so long as the report filed contains all relevant facts).
4. A SAR-SF shall be filed no later than 30 calendar days after the date of the initial detection by the reporting broker-dealer of facts that may constitute a basis for filing a SAR-SF. If no suspect is identified on the date of such initial detection, a broker-dealer may delay filing a SAR-SF for an additional 30 calendar days to identify a suspect, but in no case shall reporting be delayed more than 60 calendar days after the date of such initial detection. (continued)

In situations involving violations that require immediate attention, such as money laundering schemes, the broker-dealer shall immediately notify by telephone an appropriate law enforcement authority in addition to filing timely a SAR-SF. Broker-dealers wishing voluntarily to report suspicious transactions that may relate to terrorist activity may call FinCEN's Financial Institutions Hotline at 1-866-556-3974 in addition to filing timely a SAR-SF if required by this section. The broker-dealer may also, but is not required to, contact the Securities and Exchange Commission to report in such situations.

5. **Exceptions.** A broker-dealer is not required to file a SAR-SF to report:

- i. A robbery or burglary committed or attempted that is reported to appropriate law enforcement authorities, or for lost, missing, counterfeit, or stolen securities with respect to which the broker-dealer files a report pursuant to the reporting requirements of 17 CFR 240.17f-1;
- ii. A violation otherwise required to be reported on a SAR-SF of any of the federal securities laws or rules of an SRO by the broker-dealer or any of its officers, directors, employees or other registered representatives, other than a violation of 17 CFR 240.17a-8 or 17 CFR 405.4, so long as such violation is appropriately reported to the SEC or an SRO.

6. The Bank Secrecy Act requires financial institutions to file currency transaction reports (CTRs) in accordance with the Department of the Treasury's implementing regulations (31 CFR Part 103). These regulations require a financial institution to file a CTR whenever a currency transaction exceeds \$10,000. If a currency transaction exceeds \$10,000 and is suspicious, the institution must file both a CTR (reporting the currency transaction) and a suspicious activity report (reporting the suspicious aspects of the transaction). If a currency transaction is \$10,000 or less and is suspicious, the institution should only file a suspicious activity report. Appropriate records must be maintained in each case.
