The Arnold Engineering Company Ferrite Products Division Sevierville, TN; Notice of Affirmative Determination Regarding Application for Reconsideration

By letter of October 19, 2001, a
 company requested administrative
 reconsideration of the Department of
 Labor's Notice of Negative
 Determination Regarding Eligibility to
 Apply for Worker Adjustment
 Assistance, applicable to workers of the
 subject firm. The denial notice was
 signed on September 25, 2001, and
 published in the **Federal Register** on
 October 11, 2001 (66 FR 51973).

The company supplied an additional
 list of customers. The company believes
 these customers reduced their purchases
 from the subject plant and began
 importing ceramic hard ferrite magnets
 during the relevant time period. The
 Department of Labor will conduct a
 survey of these additional customers to
 determine if imports contributed
 importantly to the declines in
 employment at the subject plant.

Conclusion

After careful review of the
 application, I conclude that the claim to
 sufficient weight to justify
 reconsideration of the Department of
 Labor's prior decision. The application
 is, therefore, granted.
