BILLING CODE 4410-11-M

DEPARTMENT OF JUSTICE**Antitrust Division****Notice Pursuant to the National Cooperative Research and Production Act of 1993—Petroleum Environmental Research Forum ("PERF") Project No. 96-08**

Notice is hereby given that, on July 1, 2002, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), Phillips Petroleum Company ("Phillips") has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the identities of the parties and (2) the nature and objectives of the venture. The notifications were filed for the purpose of invoking the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Pursuant to Section 6(b) of the Act, the identities of the parties are Phillips Petroleum Company, Bartlesville, OK; Exxon Research and Engineering Co., Linden, NJ; Union Oil Company of California dba Unocal Corporation, Brea, CA; Stichting Grondmechanica Delft, Delft, The Netherlands; Port of Rotterdam,

Rotterdam, The Netherlands; and BP Corporation North America Inc., Lisle, IL.

The nature and objectives of the venture are to evaluate, develop, apply and transfer technology and information that will assist in cost effective characterization of petroleum contaminated sites. The project will be use as a forum for: (a) Exchanging information about new technologies and frameworks, (b) promoting a greater awareness and understanding of rapid site assessment approaches and (c) advancing regulatory acceptance of the approach. The scope of this project will include identifying and transferring existing technology, and developing new technologies, in the following areas: (1) Reviewing and evaluating emerging RSA (Rapid Site Assessment) processes and tools; (2) identifying situations in which RSA tools can be cost-effectively used; (3) providing guidance for the application of RSA tools; (4) identifying emerging technology; (5) exchanging case histories highlighting practical operational experience gained, as well as analytical data and results; and (6) implementing field tests of new technology to demonstrate technical feasibility and cost-effectiveness for petroleum contaminated sites.

Constance K. Robinson,

Director of Operations, Antitrust Division.

BILLING CODE 4410-11-M

DEPARTMENT OF JUSTICE

Immigration and Naturalization Service

Agency Information Collection Activities: Comment Request

ACTION: 60-day notice of information collection under review; monthly report naturalization papers; Form N-4

The Department of Justice, Immigration and Naturalization Service has submitted the following information

collection request for review and clearance in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for sixty days until November 4, 2002.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

(1) *Type of Information Collection:* Extension of a currently approved collection.

(2) *Title of the Form/Collection:* Monthly Report Naturalization Papers.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form N-4. Adjudications Division, Immigration and Naturalization Service.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Federal Government. This form is used by the clerk of courts that administer the oath of allegiance for naturalization to notify the Immigration and Naturalization Service of all persons to whom the oath was administered.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* 1,920 responses at 30 minutes per response.

(6) *An estimate of the total public burden (in hours) associated with the collection:* 960 annual burden hours.

If you have additional comments, suggestions, or need a copy of the proposed information collection
