There are mailing costs that also need to be added into the total annual nonhour cost burden for this collection. The General Requirements Bulletin for Admission to the Examination for Registration to Practice in Patent Cases before the USPTO states that all business with the USPTO should be transacted in writing. Personal attendance is unnecessary. The actions of the OED will be based exclusively on the written record in the USPTO (37 CFR 1.2). All documents may be submitted to the USPTO by first-class mail through the United States Postal Service. All correspondence should include a certificate of mailing for each piece of correspondence enclosed, stating the date of deposit or transmission to the USPTO. The USPTO estimates that the average first-class postage cost is 49 cents. Therefore, the USPTO estimates that it will receive 19,649 responses to this information collection per year, for a total cost of \$9,628 per year ($19,649 \times \$0.49 = \$9,628$) in postage fees.

The total annual nonhour cost burden is \$2,569,838.
