Under 34 CFR 75.105(c)(3) we consider only applications that meet the priority.

Instructions for Transmittal of Applications

Note: Some of the procedures in these instructions for transmitting applications differ from those in the Education Department General Administrative Regulations (EDGAR) (34 CFR 75.102). Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed regulations. However, these amendments make procedural changes only and do not establish new substantive policy. Therefore, under 5 U.S.C. 553(b)(A), the Secretary has determined that proposed rulemaking is not required.

Pilot Project for Electronic Submission of Applications

In FY 2003, the U.S. Department of Education is continuing to expand its pilot project of electronic submission of applications to include additional formula grant programs and additional discretionary grant competitions. The Fulbright-Hays Doctoral Dissertation Research Abroad Fellowship Program—CFDA 84.022A is one of the programs included in the pilot project.

The pilot project involves the use of the Electronic Grant Application System (e-APPLICATION, formerly e-GAPS) portion of the Grant Administration and Payment System (GAPS). We request your participation in this pilot project. We shall continue to evaluate its success and solicit suggestions for improvement.

If you participate in this e-APPLICATION pilot, please note the following:

- Your participation is voluntary.
- You will not receive any additional point value or penalty because you submit a grant application in electronic or paper format.
- You can submit all documents, except transcripts, electronically, including the Application for Federal Assistance (ED 424), Budget Information-Non-Construction Programs (ED 524), and all necessary assurances and certifications. Transcripts must be mailed separately.
- Within three working days of submitting your electronic application, fax a signed copy of the Application for Federal Assistance (ED 424) to the Application Control Center after following these steps:
 1. Print ED 424 from the e-APPLICATION system.

2. Make sure that the institution's Authorizing Representative signs this form.

3. Before faxing this form, submit your electronic application via the e-APPLICATION system. You will receive an automatic acknowledgement, which will include a PR/Award number (an identifying number unique to your application).

4. Place the PR/Award number in the upper right hand corner of ED 424.

5. Fax ED 424 to the Application Control Center at (202) 260-1349.

We have included additional information about the e-APPLICATION pilot project (see Parity Guidelines between Paper and Electronic Applications) in the application package.

Note 1: An applicant institution of higher education must submit all of its applications in either electronic or paper format. Students interested in funding under this program must check with the applicant institution to see which method of submission the institution will use.

Note 2: Please note that due to the Department's end of the fiscal year close out activities, the e-APPLICATION system will be unavailable on October 1. It will become available for users again on Wednesday, October 2.
