BILLING CODE 4410-10-M

DEPARTMENT OF JUSTICE

[AAG/A Order No. 287-2002]

Privacy Act of 1974; System of Records

Pursuant to the provisions of the Privacy Act of 1974 (5 U.S.C. 552a), notice is given that the Department of Justice proposes to establish a new Department-wide system of records entitled "Personnel Investigation and Security Clearance Records for the Department of Justice" DOJ-006, which generally covers the described records maintained by all components other than the Federal Bureau of Investigation (FBI). The Justice Management Division's (JMD's) system of records for background investigation records, "Security Clearance Information System," JMD-008, was previously published in the **Federal Register** at 55 FR 34629, dated Thursday, August 23, 1990. JMD maintains the personnel investigation and clearance records of certain categories of individuals, while the records of other categories of individuals are maintained by individual Bureaus and some other components. This notice of a new system of records replaces JMD's notice, and it also provides notice for components to the extent that they maintain records that are not covered by an existing system notice. For example, some components' personnel investigation and clearance records are covered by Office of Personnel Management (OPM)/Central-9 to the extent that the components maintain only a copy of what OPM maintains; however, to the extent that such components may also maintain additional personnel investigation and clearance records, as described in this notice, those records and any new compilation of the file are covered by this system notice. Disclosure determinations regarding any investigative records from an OPM or FBI investigation will be made only in accordance with the investigating agency's disclosure policies.

The purpose of publishing this Department-wide notice is to update and clarify what records are maintained by the Department, including the addition of certain categories of individuals and categories of records, and to increase administrative efficiency

by publishing a centralized notice, while providing the public with a relatively simple procedure for requesting access to such information. This system notice does not supersede systems of records covered by separately-noticed systems, except for JMD-008 and Subsystem O of INS-001.

Accordingly, this Department-wide system notice replaces, and the Department hereby removes, on the effective date of this notice, the following:

Justice Management Division, "Security Clearance Information System (SCIS)," Justice/JMD-008 (55 FR 34629, Aug. 23, 1990) Immigration and Naturalization Service, "Security Access Clearance Index," Justice/INS-001, Subsystem O only. INS-001 was last published at 58 FR 51847, October 5, 1993.

In accordance with 5 U.S.C. 552a(e)(4) and (11), the public is given a 30-day period in which to comment; and the Office of Management and Budget (OMB), which has oversight responsibility under the Act, requires a 40-day period in which to conclude its review of the system. Therefore, please submit any comments by October 24, 2002. The public, OMB, and the Congress are invited to submit any comments to Mary E. Cahill, Management and Planning Staff, Justice Management Division, Department of Justice, Washington, DC 20530 (Room 1400, National Place Building).

In accordance with 5 U.S.C. 552a(r), the Department has provided a report to OMB and the Congress.

Dated: September 12, 2002.

Robert F. Diegelman,

Acting Assistant Attorney General for Administration.
