Dominion Transmission Inc.; Notice of Proposed Changes in FERC Gas Tariff

September 24, 2002.

Take notice that on September 19, 2002, Dominion Transmission Inc. (DTI), tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, revised tariff sheets listed at Appendix A of its filing. DTI requests an effective date of November 1, 2002 for its proposed tariff sheets.

DTI states that the purpose of this filing is to comply with Article VII, Section G of the August 31, 1998, Stipulation and Agreement in Docket Nos. RP97-406, *et al.* (the RP97-406 Settlement), which provides for the gradual conversion of Rate Schedule GSS-II firm storage services, to service entitlements under Rate Schedules GSS and FT (FT-GSS service). Article VII, Section A provides for the final 15 percent conversion of these service entitlements, effective November 1, 2002. Article VII, Section G provides for DTI to revise base storage and transportation service rates at each stage of the conversion, as detailed in Appendix B of the RP97-406 Settlement. The conversion produces a slight increase to DTI's Rate Schedule GSS Demand and Capacity rates and its firm transportation Reservation Charges, and to the interruptible service rates that are derived from these rate elements.

DTI states that its proposed tariff sheets reflect the final conversion of Rate Schedule GSS-II entitlements to Rate Schedule GSS service and related firm transportation. Because this is the final conversion of GSS-II under the RP97-406 Settlement, DTI also seeks to remove the GSS-II rates and the FT-GSS-II surcharge from its rate sheets. Furthermore, DTI has proposed to delete the GSS-II Rate Schedules and all references to FT-GSS-II and GSS-II from its tariff.

DTI states that copies of this letter of transmittal and enclosures are being served upon DTI's customers and interested state commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with sections 385.214 or 385.211 of the Commission's rules and regulations.
