- Tools,
- Other considerations.

- Discussion of breakout session results.
- Closing session (future activities, adjournment.)

This workshop is open to anyone in the aviation community interested in OOT issues related to developing or approving aviation software products that comply with RTCA/DO-178B. Attendees are not required to submit comments or position papers. Workshop Registration fee is \$100 (USD) if paid by March 16, 2002 and \$300 (USD) if paid thereafter. Make your reservation, and get full details, at the web site <http://shemesh.larc.nasa.gov/foot/>. The registration fee covers continental breakfast, morning and afternoon breaks each day, and an evening reception on April 9. Make hotel reservations with the Sheraton Norfolk Waterside Hotel, either through their direct phone number at (757) 622-6664 or central reservations at (800) 325-3535. A block of rooms at the rate of \$109 (USD) plus taxes is reserved through March 16, 2002. To qualify for this special rate, please state that you are attending the "Object Oriented Technology Workshop."

Issued in Washington, DC on January 29, 2002.

David W. Hempe,

Acting Manager, Aircraft Engineering Division.

BILLING CODE 4910-13-M

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

Notice of Intent To Rule on Application To Use a Passenger Facility Charge (PFC) at Hilton Head Airport, Hilton Head Island, SC

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of intent to rule on application.

SUMMARY: The FAA proposes to rule and invites public comment on the application to use the revenue from a PFC at Hilton Head Island Airport under the provisions of the Aviation Safety and Capacity Expansion Act of 1990 (Title IX of the Omnibus Budget Reconciliation Act of 1990) (Public Law 101-508) and Part 158 of the Federal Aviation Regulations (14 CFR part 158).

DATES: Comments must be received on or before March 13, 2002.

ADDRESSES: Comments on this application may be mailed or delivered in triplicate to the FAA at the following address: Atlanta Airports District Office, 1701 Columbia Avenue, Campus Building, Suite 2-260, College Park, Georgia 30337-2747.

In addition, one copy of any comments submitted to the FAA must be mailed or delivered to Mr. John Lawson, Airport Director of the County Council of Beaufort County, Hilton Head Island Airport at the following address: P.O. Box 23739, 120 Beach City Road, Hilton Head Island, SC 29925.

Air carriers and foreign air carriers may submit copies of written comments previously provided to the County Council of Beaufort County, Hilton Head Island Airport under section 158.23 of part 158.

FOR FURTHER INFORMATION CONTACT:

Aimee McCormick, Program Manager, Atlanta Airports District Office, 1701 Columbia Avenue, Campus Building, Suite 2-260, College Park, Georgia 30337-2747, (404) 305-7153. The application may be reviewed in person at this same location.

SUPPLEMENTARY INFORMATION: The FAA proposes to rule and invites public comment on the application to use the revenue from a PFC at Hilton Head Island Airport under the provisions of the Aviation Safety and Capacity Expansion Act of 1990 (Title IX of the Omnibus Budget Reconciliation Act of 1990) (Public Law 101-508) and part 158 of the Federal Aviation Regulations (14 CFR part 158).

On January 31, 2002 the FAA determined that the application to use the revenue from a PFC submitted by Hilton Head Island Airport was substantially complete within the requirements of section 158.25 part 158. The FAA will approve or disapprove the application, in whole or in part, no later than May 4, 2002.

The following is a brief overview of the application.

PFC Application No.: 02-03-U-00-HXD.

Level of the proposed PFC: \$3.00.
Proposed charge effective date: December 1, 2000.

Proposed charge expiration date: October 1, 2007.

Total estimated net PFC revenue: \$2,076,657.

Brief description of proposed project(s): Land acquisition for aeronautical development and general aviation development.

Class or classes of air carriers, which the public agency has requested, not be

required to collect PFCs: Part 135 on-demand air taxi/commercial carriers that do not enplane at least 1% of the airport's annual enplanements.

Any person may inspect the application in person at the FAA office listed above under **FOR FURTHER INFORMATION CONTACT**.

In addition, any person may, upon request, inspect the application, notice and other documents germane to the application in person at the Hilton Head Island Airport.

Issued in Atlanta, Georgia on January 31, 2002.

Scott Seritt,

Manager, Atlanta Airports District Office, Southern Region.

BILLING CODE 4910-13-M

DEPARTMENT OF TRANSPORTATION

Federal Highway Administration

Environmental Impact Statement: Orange County, New York

AGENCY: Federal Highway Administration (FHWA), New York State Department of Transportation.

ACTION: Notice of intent.

SUMMARY: The FHWA is issuing this notice to advise the public that an environmental impact statement will be prepared for a proposed highway project in Orange County, New York.

FOR FURTHER INFORMATION CONTACT:

Robert A. Dennison III, P.E., Regional Director; NYSDOT Region 8; Eleanor Roosevelt State Office Building; 4 Burnett Boulevard; Poughkeepsie, NY 12603; Telephone: (845) 431-5750.

or
Robert E. Arnold, Division Administrator, Federal Highway Administration, New York Division, Leo W. O'Brien Federal Building, Room 719, Clinton Avenue and North Pearl Street, Albany, New York 12207, Telephone: (518) 431-4127.

SUPPLEMENTARY INFORMATION: The FHWA, in cooperation with the New York State Department of Transportation (NYSDOT) will prepare an environmental impact statement (EIS) on a proposal to improve NYS Route 17 in Orange County, New York. The proposed improvement will center on the reconstruction and reconfiguration of the NYS Route 17 Exit 122 Interchange, within the Town of Wallkill, and associated improvements on existing Town and County roadways for a distance ranging from approximately 1.6 to 3.3 km (1.0 to 2.1 miles) depending upon the

alternative implemented, including East Main Street (CR 67) and Crystal Run Road. This project is being progressed to address identified operational and safety problems, non-standard and non-conforming geometrics, and bridge structural needs.

Alternatives under consideration include a Null or No-Build Alternative (Alternative 1A) and two (2) build alternatives. The build alternatives have been identified as Exit 122

Reconfiguration with an East Main Street Extension (Alternative 2C) and Exit 122 Reconfiguration with Crystal Run Road Realigned but no Main Street Extension (Alternative 2E). Alternative Transportation Measures, including enhancing public transportation and implementing intelligent transportation systems and demand management strategies (Alternative 1B) will be considered as an integrated element of the feasible build alternatives. Also included with the feasible build alternatives, there will be further consideration and evaluation of the benefits and costs of adding an auxiliary lane on Route 17 westbound between Exit 121 and Exit 120 and/or improving the geometry of the I-84 westbound to Route 17 westbound ramp. Isolated improvements to nearby intersections may be included to improve operations on roadways within the project area. Incorporated into and studied with the various build alternatives will be design variations of grade and alignment.

Letters describing the proposed action and soliciting comments will be sent to appropriate Federal, State, and local agencies, and to private organizations and citizens who have previously expressed interest in this proposal. A series of public information meetings will be held in the Town of Wallkill between February 2002 and June 2003. In addition, a public hearing will be held. Public notice will be given of the time and place of the meetings and hearings. The draft EIS, when prepared, will be available for public and agency review and comment. A formal NEPA scoping meeting will be held at the Town of Wallkill Court Room, Town Hall 600 Route 211 East, Wallkill, New York 10940 on Monday February 11, 2002. At 3:30 PM a meeting will be held for Federal, State, and Local officials and at 7:00 PM a meeting for the general public and all interested parties. Each meeting will be preceded by a 30-minute open house during which attendees can view concept plans and interact with project team members.

To ensure that the full range of issues related to this proposed action are addressed and all significant issues identified, comments and suggestions

are invited from all interested parties. Comments or questions concerning this proposed action and the EIS should be directed to the NYSDOT or FHWA at the addresses provided above.

(Catalog of Federal Domestic Assistance Program Number 20.205, Highway Research, Planning and Construction. The regulations implementing Executive Order 12372 regarding intergovernmental consultation on Federal programs and activities apply to this program.)

Authority: 23 U.S.C. 315; 23 CFR 771.123.

Issued on: January 15, 2002.

Douglas P. Conlan,

District Engineer, Federal Highway Administration, Albany, New York.

BILLING CODE 4910-22-M

DEPARTMENT OF TRANSPORTATION

Federal Highway Administration

Environmental Impact Statement; Sacramento, CA

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Notice of intent.

SUMMARY: The FHWA is issuing this notice to advise the public that an environmental impact statement will be prepared for a proposed highway project in Sacramento, California.

FOR FURTHER INFORMATION CONTACT:

Maisir Khaled, Federal Highway Administration, 980 Ninth Street, Suite 400, Sacramento, CA 95814-2724.

SUPPLEMENTARY INFORMATION: The FHWA, in cooperation with the California Department of Transportation, will prepare an environmental impact statement (EIS) on a proposal to analyze the effect of constructing the Interstate 5 (I-5)/Cosumnes River Boulevard interchange and extension of Cosumnes River Boulevard to Franklin Boulevard. The project is located in the southwest portion of the City of Sacramento.

The project is to extend Cosumnes River Boulevard from its current westerly terminus at Franklin Boulevard to an interchange with I-5 and potentially further west to Freeport Boulevard (State Route 160). Alternative under consideration include (1) taking no action, (2) constructing Cosumnes River Boulevard from Franklin Boulevard west to I-5 with an interchange at I-5, and (3) constructing Cosumnes River Boulevard from Franklin Boulevard west across I-5 toward the Sacramento River to Freeport Boulevard with an interchange at I-5. Two alternative alignments are

proposed for the Cosumnes River Boulevard connection between Franklin Boulevard and the proposed I-5 interchange.

Based on preliminary design information, the two build alternatives would have identical impacts on wetlands and special-status species. Mitigation would be required for both build alternatives. Mitigation opportunities are available within the study area and in the region.

Letters describing the proposed action and soliciting comments will be sent to appropriate federal, state, and local agencies and to private organization and citizens who have previously expressed or are known to have interest in this proposal. A public scoping meeting will be held in Sacramento from 4 p.m. to 7 p.m. on Tuesday, February 26, 2002, to obtain comments on environmental issues of concern. The meeting will take place in Conference Room A of the Pannell Meadowview Center, which is located at 2450 Meadowview Road, Sacramento, California.

Representatives from Caltrans, the City of Sacramento, the Design Engineer, and the Environmental Consultant will be present to discuss the proposed action and environmental concerns. Additionally, a public hearing will be held when the draft EIS is released. Public notice will be given of the time and place of the hearing. The draft EIS will be available for public and agency review and comment prior to the public hearing.

To ensure that the full range of issues related to this proposed action are addressed and all significant issues identified, comments and suggestions are invited from all interested parties. Comments or questions concerning the proposed action should be directed to the FHWA at the address provided above.

(Catalog of Federal Domestic Assistance Program Number 20.205, Highway Planning and Construction. The regulations implementing Executive Order 12372 regarding intergovernmental consultation on federal programs and activities apply to the program.)

Issued on: February 5, 2002.

Maisir Khaled,

Chief, District Operations—North.
