SUPPLEMENTARY INFORMATION: Before FTA may award a Federal grant or cooperative agreement, the Applicant must submit all certifications and assurances pertaining to itself and its project as required by Federal laws and regulations. These certifications and assurances must be submitted to FTA irrespective of whether the project is financed under the authority of 49 U.S.C. chapter 53, or Title 23, United States Code, or another Federal statute.

The Applicant's Annual Certifications and Assurances for Federal Fiscal Year 2003 cover all projects for which the Applicant seeks funding during Federal Fiscal Year 2003 through the next fiscal year until FTA issues annual Certifications and Assurances for Federal Fiscal Year 2004. An Applicant's Annual Certifications and Assurances applicable to a specific grant or cooperative agreement generally remain in effect for either the life of the grant or cooperative agreement to

closeout or the life of the project or project property when a useful life or industry standard life is in effect, whichever occurs later; except, if the Applicant provides certifications and assurances in a later year that differ from certifications and assurances previously provided, the later certifications and assurances will apply to the grant, cooperative agreement, project, or project property, unless FTA permits otherwise.

Background: Since Federal Fiscal Year 1995, FTA has been consolidating the various certifications and assurances that may be required into a single document for publication in the **Federal Register**. FTA intends to continue publishing this document annually in conjunction with its publication of the FTA annual apportionment Notice, which sets forth the allocations of funds made available by the latest U.S. Department of Transportation annual appropriations act.

Federal Fiscal Year 2003 Changes: Changes are as follows:

(1) In Certification 1(J)(18), a reference to the latest Office of Management and Budget (OMB) A-133 Compliance Supplement for the U.S. Department of Transportation, dated March 2002, has been substituted for the previous OMB A-133 Compliance Supplement.

(2) The titles of several categories of certifications and assurances have been shortened for consistency with the titles of those categories shown in TEAM-Web, FTA's electronic award and management system and other minor editorial changes have been made.

Text of Federal Fiscal Year 2003 Certifications and Assurances: The text of the certifications and assurances in Appendix A of this Notice also appears in TEAM-Web (<http://fteamweb.fta.dot.gov/fta-flash2b.html>) in the "Recipients" option at the "Cert's & Assurances" tab of "View/Modify Recipients." It is important that each Applicant be familiar with all sixteen (16) certification and assurance categories and their requirements, as they may be a prerequisite for receiving FTA financial assistance. Provisions of this Notice supersede conflicting statements in any FTA circular containing a previous version of the Annual Certifications and Assurances. The certifications and assurances contained in those FTA circulars are merely examples, and are not acceptable or valid for Federal Fiscal Year 2003; do not rely on the provisions of certifications and assurances appearing in FTA circulars.

Significance of Certifications and Assurances: Selecting and submitting certifications and assurances to FTA,

either through TEAM-Web or submission of the Signature Page(s) of Appendix A, signifies the Applicant's intent to comply with the requirements of the certifications and assurances selected to the extent they apply to a project for which the Applicant submits an application for assistance in Federal Fiscal Year 2003.

Requirement for Attorney's Signature: FTA requires a current (Federal Fiscal Year 2003) affirmation, signed by the Applicant's attorney, of the Applicant's legal authority to certify compliance with the obligations imposed by the certifications and assurances the Applicant has selected. Irrespective of whether the Applicant makes a single selection for all 16 categories or selects individual options from the 16 categories, the Affirmation of Applicant's Attorney from a previous year is not acceptable.

Deadline for Submission: All Applicants for FTA formula program or capital investment program assistance, and current FTA grantees with an active project financed with FTA formula program or capital investment program assistance, are expected to provide Federal Fiscal Year 2003 Certifications and Assurances within 90 days from the date of this publication or with their first grant application in Federal Fiscal Year 2003, whichever is first. FTA encourages other Applicants to submit their certifications and assurances as soon as possible.

Preference for Electronic Submission: Applicants registered in TEAM-Web must submit their certifications and assurances, as well as their applications, in TEAM-Web. Only if an Applicant is unable to submit its certifications and assurances in TEAM-Web should the Applicant use the Signature Page(s) in Appendix A of this Notice.

Procedures for Electronic Submission: The TEAM-Web "Recipients" option at the "Cert's & Assurances" tab of "View/Modify Recipients" contains fields for selecting the categories of certifications and assurances to be submitted. Within that tab is a field for the Applicant's authorized representative to enter its personal identification number (PIN), which constitutes the Applicant's electronic signature for the certifications and assurances it has selected; in addition, there is a field for the Applicant's attorney to enter his or her PIN, affirming the Applicant's legal authority to make and comply with the certifications and assurances the Applicant has selected. In certain circumstances, the Applicant may enter its PIN in lieu of its Attorney's PIN, provided that the Applicant has on file the Affirmation of Applicant's Attorney

in Appendix A of this Notice, written and signed by the attorney and dated this Federal fiscal year. For more information, applicants may contact the appropriate Regional Office listed in this Notice or the TEAM-Web Helpdesk.

Procedures for Paper Submission: If an Applicant is unable to submit its certifications electronically, it must mark the certifications and assurances it is making on the Signature Page(s) in Appendix A of this Notice and submit it to FTA. The Applicant may signify compliance with all Categories by placing a single mark in the appropriate space or select the Categories applicable to itself and its projects. In certain circumstances, the Applicant may enter its signature in lieu of its Attorney's signature in the Affirmation of Applicant's Attorney section of the Signature Page(s), provided that the Applicant has on file the Affirmation of Applicant's Attorney in Appendix A of this Notice, written and signed by the attorney and dated this Federal fiscal year. For more information, applicants may contact the appropriate Regional Office listed in this Notice.

Appendix A—Federal Fiscal Year 2003 Certifications and Assurances for Federal Transit Administration Assistance Programs

In accordance with 49 U.S.C. 5323(n), the following certifications and assurances have been compiled for Federal Transit Administration (FTA) programs. FTA requests each Applicant to provide as many certifications and assurances as needed for all programs for which it will seek FTA assistance in Federal Fiscal Year 2003. FTA strongly encourages the Applicant to submit its certifications and assurances through TEAM-Web, FTA's electronic award and management system at <http://fateamweb.fta.dot.gov/fta-flash2b.html>.

Sixteen (16) Categories of certifications and assurances are listed by numbers 01 through 16 in the TEAM-Web "Recipients" option at the "Cert's & Assurances" tab of "View/Modify Recipients," and on the opposite side of the Signature Page(s) at the end of this document. Category 01 applies to all Applicants. Categories 02 through 16 will apply to and be required for some, but not all, Applicants and projects.

01. Required of Each Applicant

Each Applicant for FTA assistance must provide all certifications and assurances in this Category "01." FTA may not award any Federal assistance until the Applicant provides these certifications and assurances by selecting Category "01."

A. Authority of Applicant and Its Representative

The authorized representative of the Applicant and the attorney who sign these certifications, assurances, and agreements affirm that both the Applicant and its authorized representative have adequate authority under applicable state and local law and the Applicant's by-laws or internal rules to:

- (1) Execute and file the application for Federal assistance on behalf of the Applicant;
- (2) Execute and file the required certifications, assurances, and agreements on behalf of the Applicant binding the Applicant; and

B. Standard Assurances

The Applicant assures that it will comply with all applicable Federal statutes, regulations, executive orders, FTA circulars, and other Federal requirements in carrying out any project supported by an FTA grant or cooperative agreement. The Applicant agrees that it is under a continuing obligation to comply with the terms and conditions of the grant agreement or cooperative agreement issued for its project with FTA. The Applicant recognizes that Federal laws, regulations, policies, and administrative practices may be modified from time to time and those modifications may affect project implementation. The Applicant agrees that the most recent Federal requirements will apply to the project, unless FTA issues a written determination otherwise.

C. Debarment, Suspension, and Other Responsibility Matters for Primary Covered Transactions

As required by U.S. DOT regulations regarding Governmentwide Debarment and Suspension (Nonprocurement) at 49 CFR 29.510:

- (1) The Applicant (Primary Participant) certifies, to the best of its knowledge and belief, that it and its principals:
 - (a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
 - (b) Have not, within a three (3) year period preceding this certification, been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, state, or local) transaction or contract under a public transaction, violation of Federal or state antitrust statutes, or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

(d) Have not within a three-year period preceding this certification had one or more public transactions (Federal, state, or local) terminated for cause or default.

(2) The Applicant also certifies that, if it later becomes aware of any information contradicting the statements of paragraph (1) above, it will promptly provide that information to FTA.

(3) If the Applicant (Primary Participant) is unable to certify to all statements in paragraphs (1) and (2) of this certification, it shall indicate so in its applications, or in the transmittal letter or message accompanying its annual certifications and assurances, and provide a written explanation to FTA.

D. Drug-Free Workplace Agreement

As required by U.S. DOT regulations, "Drug-Free Workplace Requirements (Grants)," 49 CFR part 29, Subpart F, and as modified by 41 U.S.C. 702, the Applicant agrees that it will provide a drug-free workplace by:

(1) Publishing a statement notifying its employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in its workplace and specifying actions that will be taken against its employees for violation of that prohibition;

(2) Establishing an ongoing drug-free awareness program to inform its employees about:

- (a) The dangers of drug abuse in the workplace;
- (b) Its policy of maintaining a drug-free workplace;

(c) Any available drug counseling, rehabilitation, and employee assistance programs; and

(d) The penalties that may be imposed upon its employees for drug abuse violations occurring in the workplace;

(3) Making it a requirement that each of its employees to be engaged in the performance or implementation of the grant agreement or cooperative agreement be given a copy of the statement required by paragraph (1) of this certification;

(4) Notifying each of its employees in the statement required by paragraph (1) of this certification that, as a condition of employment financed with Federal assistance provided by the grant agreement or cooperative agreement, the employee will be required to:

(a) Abide by the terms of the statement; and

(b) Notify the employer (Applicant) in writing of any conviction for a violation of a criminal drug statute occurring in the workplace no later than five (5) calendar days after that conviction;

(5) Notifying FTA in writing, within ten (10) calendar days after receiving notice required by paragraph (4)(b) above from an employee or otherwise receiving actual notice of that conviction; the Applicant, as employer of any convicted employee, must

provide notice, including position title, to every project officer or other designee on whose project activity the convicted employee was working, and that notice shall include the identification number(s) of each affected grant agreement or cooperative agreement;

(6) Taking one of the following actions within thirty (30) calendar days of receiving notice under paragraph (4)(b) of this agreement with respect to any employee who is so convicted:

(a) Taking appropriate personnel action against that employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(b) Requiring that employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, state, or local health, law enforcement, or other appropriate agency; and

(7) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (1), (2), (3), (4), (5), and (6) of this agreement. The Applicant agrees to maintain a list identifying its headquarters location and each workplace it maintains in which project activities supported by FTA are conducted, and make that list readily accessible to FTA.

E. Intergovernmental Review Assurance

The Applicant assures that each application for Federal assistance it submits to FTA has been or will be submitted for intergovernmental review to the appropriate state and local agencies in accordance with applicable state requirements. The Applicant also assures that it has fulfilled or will fulfill the obligations imposed on FTA by U.S. DOT regulations, "Intergovernmental Review of Department of Transportation Programs and Activities," 49 CFR part 17.

F. Nondiscrimination Assurance

As required by 49 U.S.C. 5332 (which prohibits discrimination on the basis of race, color, creed, national origin, sex, or age, and prohibits discrimination in employment or business opportunity), Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000d, and U.S. DOT regulations, "Nondiscrimination in Federally-Assisted Programs of the Department of Transportation—Effectuation of Title VI of the Civil Rights Act," 49 CFR part 21 at 21.7, the Applicant assures that it will comply with all requirements of 49 CFR part 21; FTA Circular 4702.1, "Title VI Program Guidelines for Federal Transit Administration Recipients", and other applicable directives, so that no person in the United States, on the basis of race, color, national origin, creed, sex, or age will be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination in any program or activity (particularly in the level and quality of transportation services and transportation-related benefits) for which the Applicant receives Federal assistance awarded by the U.S. DOT or FTA as follows:

(1) The Applicant assures that each project will be conducted, property acquisitions will

be undertaken, and project facilities will be operated in accordance with all applicable requirements of 49 U.S.C. 5332 and 49 CFR part 21, and understands that this assurance extends to its entire facility and to facilities operated in connection with the project.

(2) The Applicant assures that it will take appropriate action to ensure that any transferee receiving property financed with Federal assistance derived from FTA will comply with the applicable requirements of 49 U.S.C. 5332 and 49 CFR part 21.

(3) The Applicant assures that it will promptly take the necessary actions to effectuate this assurance, including notifying the public that complaints of discrimination in the provision of transportation-related services or benefits may be filed with U.S. DOT or FTA. Upon request by U.S. DOT or FTA, the Applicant assures that it will submit the required information pertaining to its compliance with these requirements.

(4) The Applicant assures that it will make any changes in its 49 U.S.C. 5332 and Title VI implementing procedures as U.S. DOT or FTA may request.

(5) As required by 49 CFR 21.7(a)(2), the Applicant will include in each third party contract or subagreement provisions to invoke the requirements of 49 U.S.C. 5332 and 49 CFR part 21, and include provisions to invoke those requirements in deeds and instruments recording the transfer of real property, structures, improvements.

In accordance with 49 CFR 26.13(a), the Recipient assures that it shall not discriminate on the basis of race, color, national origin, or sex in the implementation of the project and in the award and performance of any third party contract, or subagreement supported with Federal assistance derived from the U.S. DOT or in the administration of its Disadvantaged Business Enterprise (DBE) program or the requirements of 49 CFR part 26. The Recipient assures that it shall take all necessary and reasonable steps set forth in 49 CFR part 26 to ensure nondiscrimination in the award and administration of all third party contracts and subagreements supported with Federal assistance derived from the U.S. DOT. The Recipient's DBE program, as required by 49 CFR part 26 and approved by the U.S. DOT, will be incorporated by reference and made part of the grant agreement or cooperative agreement for any Federal assistance awarded by FTA or U.S. DOT. Implementation of this DBE program is a legal obligation of the Recipient, and failure to carry out its terms shall be treated as a violation of the grant agreement or cooperative agreement. Upon notification by the Government to the Recipient of its failure to implement its approved DBE program, the U.S. DOT may impose sanctions as provided for under 49 CFR part 26 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001, and/or the Program Fraud Civil Remedies Act, 31 U.S.C. 3801 *et seq.*

As required by U.S. DOT regulations, "Nondiscrimination on the Basis of Handicap in Programs and Activities Receiving or Benefiting from Federal Financial Assistance," at 49 CFR 27.9, the Applicant assures that, as a condition to the approval or extension of any Federal assistance awarded by FTA to construct any facility, obtain any rolling stock or other equipment, undertake studies, conduct research, or to participate in or obtain any benefit from any program administered by FTA, no otherwise qualified person with a disability shall be, solely by reason of that disability, excluded from participation in, denied the benefits of, or otherwise subjected to discrimination in any program or activity receiving or benefiting from Federal assistance administered by the FTA or any entity within U.S. DOT. The Applicant assures that project implementation and operations so assisted will comply with all applicable requirements of U.S. DOT regulations implementing the Rehabilitation Act of 1973, as amended, 29 U.S.C. 794, *et seq.*, and the Americans with Disabilities Act of 1990, as amended, 42 U.S.C. 12101 *et seq.*, and implementing U.S. DOT regulations at 49 CFR parts 27, 37, and 38, and any applicable regulations and directives issued by other Federal departments or agencies.

The Applicant certifies that its procurements and procurement system will comply with all applicable requirements imposed by Federal laws, executive orders, or regulations and the requirements of FTA Circular 4220.1D, "Third Party Contracting Requirements," as amended and revised, as well as other requirements FTA may issue. The Applicant certifies that it will include in its contracts financed in whole or in part with FTA assistance all clauses required by Federal laws, executive orders, or regulations, and will ensure that each subrecipient and each contractor will also include in its subagreements and contracts financed in whole or in part with FTA assistance all applicable clauses required by Federal laws, executive orders, or regulations.

The state certifies that, until the required Federal environmental finding is made, financial assistance will not be provided for any project that does not qualify for a categorical exclusion described in 23 CFR 771.117(c). The state further certifies that, until the required Federal conformity finding has been made, no financial assistance will be provided for a project requiring a Federal conformity finding in accordance with the U.S. Environmental Protection Agency's Clean Air Conformity regulations at 40 CFR parts 51 and 93.

H. The state assures that it will enter into a written agreement with each subrecipient stating the terms and conditions of assistance by which the project will be undertaken and completed.

I. The state recognizes the authority of FTA, U.S. DOT, and the Comptroller General of the United States to conduct audits and reviews to verify compliance with the foregoing requirements and stipulations, and assures that, upon request, the State and its subrecipients will make the necessary records available to FTA, U.S. DOT and the Comptroller General of the United States. The state also acknowledges its obligation under 49 CFR 18.40(a) to monitor project activities carried out by its subrecipients to assure compliance with applicable Federal requirements.

15. Nonurbanized Area Formula Program

An Applicant that intends to administer the Nonurbanized Area Formula Program on behalf of a state must provide the following certifications and assurances. In providing certifications and assurances that require the compliance of its prospective subrecipients, the Applicant is expected to obtain sufficient

documentation from those subrecipients to assure the validity of its certifications and assurances. FTA may not award Nonurbanized Area Formula Program assistance to the Applicant until the Applicant provides these certifications and assurances by selecting Categories "1" through "11" and "15."

The Applicant administering, on behalf of the state, the Nonurbanized Area Formula Program authorized by 49 U.S.C. 5311 certifies and assures that the following requirements and conditions will be fulfilled:

A. The state organization serving as the Applicant and each subrecipient has or will have the necessary legal, financial, and managerial capability to apply for, receive, and disburse Federal assistance authorized for 49 U.S.C. 5311; and to implement and manage the project.

B. The state assures that sufficient non-Federal funds have been or will be committed to provide the required local share.

C. The state assures that before issuing the state's formal approval of the project, its Nonurbanized Area Formula Program is included in the Statewide Transportation Improvement Program as required by 23 U.S.C. 135; and projects are included in a metropolitan Transportation Improvement Program, to the extent applicable.

D. The state has provided for a fair and equitable distribution of Federal assistance authorized for 49 U.S.C. 5311 within the state, including Indian reservations within the state.

E. The state recognizes that the subrecipient, rather than the state itself, will be ultimately responsible for implementing many Federal requirements covered by the certifications and assurances the state has signed. Having taken appropriate measures to secure the necessary compliance by each subrecipient, the state assures, on behalf of each subrecipient, that:

(1) The subrecipient has or will have, by the time of delivery, sufficient funds to operate and maintain the vehicles and equipment financed with Federal assistance awarded for its project;

(2) The subrecipient has coordinated or will coordinate to the maximum extent feasible with other transportation providers and users, including social service agencies authorized to purchase transit service;

(5) The subrecipient has complied or will comply with Federal requirements regarding transportation of elderly persons and persons with disabilities;

(6) The subrecipient has complied or will comply with the transit employee protective provisions of 49 U.S.C. 5333(b), by one of the following actions: (a) signing the Special Warranty for the Nonurbanized Area Formula Program, (b) agreeing to alternative comparable arrangements approved by the Department of Labor (DOL), or (c) obtaining

a waiver from DOL; and the state has certified the subrecipient's compliance to DOL;

(7) The subrecipient has complied or will comply with 49 CFR part 604 in the provision of any charter service provided with equipment or facilities acquired with FTA assistance;

(8) The subrecipient has complied or will comply with applicable provisions of 49 CFR part 605 pertaining to school transportation operations;

(9) Viewing its demand responsive service to the general public in its entirety, the subrecipient has complied or will comply with the requirement to provide demand responsive service to persons with disabilities, including persons who use wheelchairs, meeting the standards of equivalent service set forth in 49 CFR 37.77(c), before purchasing non-accessible vehicles for use in demand responsive service for the general public;

(10) The subrecipient has established or will establish a procurement system, and has conducted or will conduct its procurements in compliance with all applicable provisions of Federal laws, executive orders, regulations, FTA Circular 4220.1D, "Third Party Contracting Requirements," as amended and revised, and other Federal requirements that may be applicable;

(11) The subrecipient has complied or will comply with the requirement that its project provide for the participation of private enterprise to the maximum extent feasible;

(12) The subrecipient has paid or will pay just compensation under state or local law to each private mass transportation company for its franchise or property acquired under the project;

(13) The subrecipient has complied or will comply with all applicable lobbying requirements for each application exceeding \$100,000;

(14) The subrecipient has complied or will comply with all applicable nonprocurement suspension and debarment requirements;

(17) The subrecipient has complied with or will comply with all assurances FTA requires for projects involving real property;

(18) The subrecipient has complied or will comply with applicable FTA Intelligent Transportation Systems architecture requirements, to the extent required by FTA; and

(19) The subrecipient has complied or will comply with applicable prevention of alcohol misuse and prohibited drug use program requirements, to the extent required by FTA.

F. Unless otherwise noted, each of the subrecipient's projects qualifies for a categorical exclusion and does not require further environmental approvals, as described in the joint FHWA/FTA regulations, "Environmental Impact and Related Procedures," at 23 CFR 771.117(c). The state certifies that, until the required Federal environmental finding is made, financial assistance will not be provided for

any project that does not qualify for a categorical exclusion described in 23 CFR 771.117(c). The state further certifies that, until the required Federal conformity finding is made, no financial assistance will be provided for a project requiring a Federal conformity finding in accordance with the Environmental Protection Agency's Clean Air Conformity regulations at 40 CFR parts 51 and 93.

G. The state assures that it will enter into a written agreement with each subrecipient stating the terms and conditions of assistance by which the project will be undertaken and completed.

H. The state recognizes the authority of FTA, U.S. DOT, and the Comptroller General of the United States to conduct audits and reviews to verify compliance with the foregoing requirements and stipulations, and assures that, upon request, the State and its subrecipients will make the necessary records available to FTA, U.S. DOT and the Comptroller General of the United States. The state also acknowledges its obligation under 49 CFR 18.40(a) to monitor project activities carried out by its subrecipients to assure compliance with applicable Federal requirements.

I. In compliance with the requirements of 49 U.S.C. 5311(f), the state assures that it will expend not less than fifteen (15) percent of the amounts of Federal assistance as provided in 49 U.S.C. 5311(f) and apportioned during this Federal fiscal year to carry out a program within the State to develop and support intercity bus transportation, unless the chief executive officer of the state, or his or her designee, duly authorized under state law, regulations or procedures, certifies to the Federal Transit Administrator that the intercity bus service needs of the state are being adequately met.

16. State Infrastructure Bank Program

An Applicant for a grant of Federal assistance for deposit in its State Infrastructure Bank (SIB) must provide the following certifications and assurances. In providing certifications and assurances that require the compliance of its prospective subrecipients, the Applicant is expected to obtain sufficient documentation from those subrecipients to assure the validity of its certifications and assurances. FTA may not award assistance for the SIB program to the Applicant until the Applicant provides these certifications and assurances by selecting Categories "1" through 11," and "16."

The state serving as the Applicant for Federal assistance for its State Infrastructure Bank (SIB) program authorized by either section 350 of the National Highway System Designation Act of 1995, as amended, 23 U.S.C. 101 note, or the State Infrastructure Bank Pilot Program, 23 U.S.C. 181 note, certifies and assures that the following requirements and conditions have been or will be fulfilled pertaining to any transit Project financed with Federal assistance derived from its SIB:

A. The state organization serving as the Applicant (state) agrees and assures the agreement of the SIB and each recipient of Federal assistance derived from the SIB within the state (subrecipient) that each

transit Project financed with Federal assistance derived from SIB will be administered in accordance with:

(1) Applicable provisions of section 350 of the National Highway System Designation Act of 1995, as amended, 23 U.S.C. 101 note, or of the State Infrastructure Bank Pilot Program, 23 U.S.C. 181 note, and any further amendments thereto;

(2) The provisions of any applicable Federal guidance that may be issued;

(3) The terms and conditions of Department of Labor Certification(s) of Transit Employee Protective Arrangements that are required by Federal law or regulations;

(4) The provisions of the FHWA and FTA cooperative agreement with the state to establish the state's SIB program; and

(5) The provisions of the FTA grant agreement with the state that provides Federal assistance for the SIB, except that any provision of the Federal Transit Administration Master Agreement incorporated by reference into that grant agreement will not apply if it conflicts with any provision of National Highway System Designation Act of 1995, as amended, 23 U.S.C. 101 note, or section 1511 of TEA-21, as amended, 23 U.S.C. 181 note, Federal guidance pertaining to the SIB program, the provisions of the cooperative agreement establishing the SIB program within the state, or the provisions of the FTA grant agreement.

B. The state agrees to comply with, and assures the compliance of the SIB and each subrecipient of assistance provided by the SIB with, all applicable requirements for the SIB program, as those requirements may be amended from time to time. Pursuant to the requirements of subsection 1511(h)(2) of TEA-21, 23 U.S.C. 181 note, the state understands and agrees that any previous cooperative agreement entered into with FHWA and FTA under section 350 of the National Highway System Designation Act of 1995, as amended, 23 U.S.C. 101 note, has been or will be revised to comply with the requirements of TEA-21.

C. The state assures that the SIB will provide Federal assistance from its Transit Account only for transit capital projects eligible under section 350 of the National Highway System Designation Act of 1995, as amended, 23 U.S.C. 101 note or under section 1511 of TEA-21, 23 U.S.C. 181 note, and that those projects will fulfill all requirements imposed on comparable capital transit projects financed by FTA.

D. The state understands that the total amount of funds to be awarded for a grant agreement will not be immediately available for draw down. Consequently, the state assures that it will limit the amount of Federal assistance it draws down for deposit in the SIB to amounts that do not exceed the limitations specified in the underlying grant agreement or the approved project budget for that grant agreement.

E. The state assures that each subrecipient has or will have the necessary legal, financial, and managerial capability to apply for, receive, and disburse Federal assistance authorized by Federal statute for use in the SIB, and to implement, manage, operate, and maintain the project and project property for which such assistance will support.

F. The state assures that sufficient non-Federal funds have been or will be committed to provide the required local share.

G. The state recognizes that the SIB, rather than the State itself, will be ultimately responsible for implementing many Federal requirements covered by the certifications and assurances the state has signed. Having taken appropriate measures to secure the necessary compliance by the SIB, the state assures, on behalf of the SIB, that:

(1) The SIB has complied or will comply with all applicable civil rights requirements;

(2) The SIB has complied or will comply with applicable requirements of U.S. DOT regulations regarding participation of disadvantaged business enterprises in U.S. DOT programs;

(3) The SIB will provide Federal assistance only to a subrecipient that is either a public or private entity recognized under state law as having the legal capability to contract with the state to carry out its proposed project;

(4) Before the SIB enters into an agreement with a subrecipient under which Federal assistance will be disbursed to the subrecipient, the subrecipient's project is included in the Statewide Transportation Improvement Program; all projects in urbanized areas recommended for approval are included in the metropolitan Transportation Improvement Program in which the subrecipient is located; and the requisite certification that an opportunity for a public hearing has been provided;

(5) The SIB will not provide Federal financial assistance for any project that does not qualify for a categorical exclusion described in 23 CFR 771.117(c) until the required Federal environmental finding has been made. Moreover, the SIB will provide no financial assistance for a project requiring a Federal conformity finding in accordance with the Environmental Protection Agency's Clean Air Conformity regulations at 40 CFR parts 51 and 93, until the required Federal conformity finding has been made;

(6) Before the SIB provides Federal assistance for a transit project, each subrecipient will have complied with the applicable transit employee protective provisions of 49 U.S.C. 5333(b) as required for that subrecipient and its project; and

(7) The SIB will enter into a written agreement with each subrecipient stating the terms and conditions of assistance by which

the project will be undertaken and completed, including specific provisions that any security or debt financing instrument the SIB may issue will contain an express statement that the security or instrument does not constitute a commitment, guarantee, or obligation of the United States.

H. The state recognizes that the subrecipient, rather than the state itself, will be ultimately responsible for implementing many Federal requirements covered by the certifications and assurances the state has signed. Having taken appropriate measures to secure the necessary compliance of each subrecipient, the state assures, on behalf of each subrecipient, that:

(1) The subrecipient has complied or will comply with all applicable civil rights requirements;

(2) The subrecipient has complied or will comply with applicable requirements of U.S. DOT regulations regarding participation of disadvantaged business enterprises in U.S. DOT programs;

(3) The subrecipient has complied or will comply with Federal requirements regarding transportation of elderly persons and persons with disabilities;

(4) The subrecipient has complied or will comply with the applicable transit employee protective provisions of 49 U.S.C. 5333(b) as required for that subrecipient and its project;

(5) The subrecipient has complied or will comply with 49 CFR part 604 in the provision of any charter service provided with equipment or facilities acquired with FTA assistance;

(6) The subrecipient has complied with or will comply with applicable provisions of 49 CFR part 605 pertaining to school transportation operations;

(7) Viewing its demand responsive service to the general public in its entirety, the subrecipient has complied or will comply with the requirement to provide demand responsive service to persons with disabilities, including persons who use wheelchairs, meeting the standards of equivalent service set forth in 49 CFR 37.77(c), before purchasing non-accessible vehicles for use in demand responsive service for the general public;

(8) The subrecipient has established or will establish a procurement system, and has conducted or will conduct its procurements in compliance with all applicable provisions of Federal laws, executive orders,

regulations, FTA Circular 4220.1D, "Third Party Contracting Requirements," as amended and revised, and other implementing requirements FTA may issue;

(9) The subrecipient has complied or will comply with the requirement that its project provides for the participation of private mass transportation companies to the maximum extent feasible;

(10) The subrecipient has paid or will pay just compensation under state or local law to each private mass transportation company for its franchise or property acquired under the project;

(11) The subrecipient has complied or will comply with all applicable lobbying requirements for each application exceeding \$100,000;

(12) The subrecipient has complied or will comply with all nonprocurement suspension and debarment requirements;

(13) The subrecipient has complied or will comply with all applicable bus testing requirements for new bus models;

(14) The subrecipient has complied or will comply with all applicable pre-award and post-delivery review requirements;

(15) The subrecipient has complied with or will comply with all assurances FTA requires for projects involving real property;

(16) The subrecipient has complied or will comply with applicable FTA Intelligent Transportation Systems architecture requirements, to the extent required by FTA; and

(17) The subrecipient has complied or will comply with applicable prevention of alcohol misuse and prohibited drug use program requirements, to the extent required by FTA.

I. The state recognizes the authority of FTA, U.S. DOT, and the Comptroller General of the United States to conduct audits and reviews to verify compliance with the foregoing requirements and stipulations, and assures that, upon request, the SIB and its subrecipients, as well as the states, will make the necessary records available to FTA, U.S. DOT and the Comptroller General of the United States. The state also acknowledges its obligation under 49 CFR 18.40(a) to monitor project activities carried out by the SIB and its subrecipients to assure compliance with applicable Federal requirements.
