(1) Name of vessel and owner for which waiver is requested. Name of vessel: PERCEPTION. Owner: James Weisman.

(2) Size, capacity and tonnage of vessel. According to the applicant: "Size: LOA 50 ft.; Capacity: 13'4" Tonnage 20"

(5) A statement on the impact this waiver will have on other commercial passenger vessel operators. According to the applicant: "The granting of this waiver would have little impact on existing passenger vessels in this area, specifically there are currently only 4 similar vessels operating around the waters off Martha's Vineyard, and only two out of the harbor of Vineyard Haven from which my vessel would operate."

(6) A statement on the impact this waiver will have on U.S. shipyards. According to the applicant: "Only one shipyard for building vessels currently exists in this area of the US and it only builds wooden vessels. Perception is Steel and therefore adverse impact locally would be non-existent. Since the boat requires yearly hauling and maintenance, operation of this vessel for commercial passenger use (charters) would bring further business to the local shipyards."
