SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Regulation S-X, SEC File No. 270-3, OMB Control No. 3235-0009.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Information collected and information prepared pursuant to Regulation S-X focus on the form and content of, and

requirements for, financial statements filed with periodic reports and in connection with the offer and sale of securities. Investors need reasonably current financial statements to make informed investment and voting decisions.

The potential respondents include all entities that file registration statements or reports pursuant to the Securities Act of 1933, the Securities Exchange Act of 1934, the Public Utility Holding Company Act of 1935, or the Investment Company Act of 1940.

Regulation S-X specifies the form and content of financial statements when those financial statements are required to be filed by other rules and forms under the federal securities laws. Compliance burdens associated with the financial statements are assigned to the rule or form that directly requires the financial statements to be filed, not to Regulation S-X. Instead, an estimated burden of one hour traditionally has been assigned to Regulation S-X for incidental reading of the regulation. The estimated average burden hours are solely for purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even a representative survey or study of the costs of SEC rules or forms.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Michael E. Bartell, Associate Executive Director, Office of Information Technology, Securities and Exchange Commission, 450 5th Street, NW., Washington, DC 20549.

Dated: February 15, 2002.

Margaret H. McFarland,
Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-45470; File No. SR-CBOE-2002-06]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by the Chicago Board Options Exchange, Inc. Relating to Floor Telephone Deposit Fees

February 22, 2002.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934

(“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 7, 2002, the Chicago Board Options Exchange, Inc. (“CBOE”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which the CBOE has prepared. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The CBOE proposes to make a change to its fee schedule to eliminate its “Exchangefone” and single-line phone deposits, and also to refund deposits that the CBOE is currently retaining. The text of the proposed rule change is available at the CBOE and at the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the CBOE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it had received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The CBOE has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

During the early 1980s, the CBOE began requiring members to pay a deposit of \$1,000 per Exchangefone to help fund the installation of a new telephone system on the CBOE floor. Approximately 10 years ago, the CBOE modified the Exchangefone deposit program to cap or limit the deposits to no more than \$10,000 per member firm. In addition, the CBOE currently requires a \$175 damage deposit for single-line phones on the trading floor. The CBOE is currently holding approximately \$365,000 in Exchangefone deposits and approximately \$22,000 in single-line phone damage deposits.

The CBOE Board has decided to eliminate the phone deposit programs and refund the deposits that the CBOE is currently holding. This filing
