#### DEPARTMENT OF STATE

[Public Notice 4289]

#### Bureau of Educational and Cultural Affairs Request for Grant Proposals: FY2004 Vietnam Fulbright Foreign Student Exchange Program

**SUMMARY:** The Office of Academic Exchange Programs of the Bureau of Educational and Cultural Affairs announces an open competition to administer the Vietnam Fulbright Foreign Student Exchange Program. Public and private non-profit organizations meeting the provisions described in Internal Revenue Code section 26 U.S.C. 501(c)(3) may submit proposals to administer the program.

The Vietnam Fulbright Foreign Student Exchange Program was established by act of Congress in FY1992. The program aims to offer the highest quality training to Vietnamese professionals and potential leaders who have at least three to five years of work experience and are employed in areas critical to Vietnam's national development. The Vietnamese Fulbright students pursue master's degrees at U.S. universities in academic fields critical to Vietnam's national development and consistent with the primary goal of the Vietnam Fulbright program, which is to foster mutual understanding between the people of the United States and Vietnam through educational exchanges.

#### Program Information

##### Overview

The Vietnam Fulbright Foreign Student Exchange Program is designed

to bring approximately twenty to twenty-five Vietnamese students per year to study in the United States. The students will pursue one- to two-year graduate degrees in a wide range of academic fields such as American studies, business, economics, environmental policy/studies, higher education, international relations, journalism, law, women's studies (e.g., gender and development), public health, public policy/administration, and rural development. Your proposal should include program costs for two years, but administrative costs for only the first year. Your proposal narrative should provide detailed information on major program activities to be undertaken.

The Office of Academic Exchange Programs, Department of State, works in partnership with the Public Affairs Section of the U.S. Embassy in Hanoi to administer the Fulbright Program in Vietnam. The grantee must collaborate with both offices to carry out the programs and activities of the grant.

#### *Guidelines*

Pending availability of funds, program administration activities should cover the time period from approximately October 1, 2003 to September 30, 2005. The projected grantee caseload is expected to be approximately 25 students. Program activities will include recruitment, selection, and placement of students in graduate programs, as well as arrangement of pre-academic English language training, enrichment seminars, and monitoring of students while on their grants. Orientations should also be provided for the students prior to their departure from Vietnam and by the host institutions upon arrival at the institutions. Applicants should plan to hold reentry seminars either before students leave the U.S. or after their return to Vietnam. When possible, alumni activities should be facilitated and supported.

The grantee organization will be responsible for:

- Tuition payment, monitoring, and supervision for students who begin programs in Summer 2003 (who were selected by the incumbent grantee organization);
- Testing, interviewing, and final selection of a cohort to begin programs in Summer 2004 (who will have been recruited and initially screened by the incumbent organization); and
- Recruitment and screening for a cohort of students to begin in Summer 2005.

The incumbent organization will be responsible for monitoring and supervision during the second year of study for grantees who began programs in Summer 2002.

Programs must comply with J-1 visa regulations. Please refer to Solicitation Package for further information.

#### **Budget Guidelines**

The Bureau anticipates awarding one grant of up to \$1.8 million to support program and administrative costs required to implement this program. The Bureau encourages applicants to provide maximum levels of cost-sharing and funding from private sources in support of its programs. Bureau grant guidelines require that organizations with less than four years experience in conducting international exchanges be limited to \$60,000 in Bureau funding. Therefore, organizations that cannot demonstrate at least four years experience in conducting international exchanges are ineligible to apply under this competition.

There should be a clear justification of the need for any proposed sub-contracts. Subcontractors should bring unique skills or value to the process, and this should be demonstrated in the proposal.

Applicants must submit a comprehensive budget for the entire program. Awards may not exceed \$1.8 million, and may be smaller if an overlapping grant with the incumbent organization is necessary to ensure a smooth program transfer. There must be a summary budget as well as specific breakdowns reflecting both administrative and program budgets. Applicants may provide separate sub-budgets for each program component, phase, location, or activity to provide clarification.

Allowable costs for the program include the following:

- (1) Program costs for students' grants (up to two years of graduate study plus up to six months of language training);
- (2) Staff salaries and benefits; and
- (3) Administrative costs including communication, overhead and indirect costs, travel and per diem expenses, etc.

Please refer to the Solicitation Package for complete budget guidelines and formatting instructions.

instructions below). The Solicitation Package contains detailed award criteria, required application forms, specific budget instructions, and standard guidelines for proposal preparation. Please specify Bureau Program Officer Mary Hanlon on all other inquiries and correspondence.

#### **To Download a Solicitation Package via Internet**

The entire Solicitation Package may be downloaded from the Bureau's Web site at <http://exchanges.state.gov/education/RFGPs>. Please read all information before downloading.

#### **Deadline for Proposals**

All proposal copies must be received at the Bureau of Educational and Cultural Affairs by 5 p.m. Washington, DC time on Thursday, May 1, 2003. Faxed documents will not be accepted at any time. Documents postmarked the due date but received on a later date will not be accepted. Each applicant must ensure that the proposals are received by the above deadline.

Applicants must follow all instructions in the Solicitation Package. The original and 10 copies of the application should be sent to: U.S. Department of State, SA-44, Bureau of Educational and Cultural Affairs, Ref.: ECA/A/E/EAP-2004-Vietnam-02, Program Management, ECA/EX/PM, Room 534, 301 4th Street, SW., Washington, DC 20547.

Applicants must also submit the "Executive Summary" and "Proposal Narrative" sections of the proposal on a 3.5" diskette, formatted for DOS. These documents must be provided in ASCII text (DOS) format with a maximum line length of 65 characters. The Bureau will transmit these files electronically to the Public Affairs section at the U.S. Embassy for its review, with the goal of reducing the time it takes to get embassy comments for the Bureau's grants review process.

#### **Diversity, Freedom and Democracy Guidelines**

Pursuant to the Bureau's authorizing legislation, programs must maintain a non-political character and should be balanced and representative of the diversity of American political, social, and cultural life. "Diversity" should be interpreted in the broadest sense and encompass differences including, but

not limited to ethnicity, race, gender, religion, geographic location, socio-economic status, and physical challenges. Applicants are strongly encouraged to adhere to the advancement of this principle both in program administration and in program content. Please refer to the review criteria under the "Support for Diversity" section for specific suggestions on incorporating diversity into the total proposal. Public Law 104-319 provides that "in carrying out programs of educational and cultural exchange in countries whose people do not fully enjoy freedom and democracy," the Bureau "shall take appropriate steps to provide opportunities for participation in such programs to human rights and democracy leaders of such countries." Public Law 106-113 requires that the governments of the countries described above do not have inappropriate influence in the selection process. Proposals should reflect advancement of these goals in their program contents, to the full extent deemed feasible.

#### **Adherence to All Regulations Governing the J Visa**

The Bureau of Educational and Cultural Affairs is placing renewed emphasis on the secure and proper administration of Exchange Visitor (J visa) Programs and adherence by grantees and sponsors to all regulations governing the J visa. Therefore, proposals should demonstrate the applicant's capacity to meet all requirements governing the administration of Exchange Visitor Programs as set forth in 22 CFR 6Z, including the oversight of Responsible Officers and Alternate Responsible Officers, screening and selection of program participants, provision of pre-arrival information and orientation to participants, monitoring of participants, proper maintenance and security of forms, record-keeping, reporting and other requirements. The grantee organization will be responsible for issuing DS-2019 forms to participants in this program.

A copy of the complete regulations governing the administration of Exchange Visitor (J) programs is available at <http://exchanges.state.gov> or from: United States Department of State, Office of Exchange Coordination and Designation, ECA/EC/ECD-SA-44, Room 734, 301 4th Street, SW., Washington, DC 20547, Telephone: (202) 401-9810, FAX: (202) 401-9809.

#### **Review Process**

The Bureau will acknowledge receipt of all proposals and will review them

for technical eligibility. Proposals will be deemed ineligible if they do not fully adhere to the guidelines stated herein and in the Solicitation Package.

All eligible proposals will be reviewed by the program office, as well as the Public Diplomacy section overseas where appropriate. Eligible proposals will be subject to compliance with Federal and Bureau regulations and guidelines and forwarded to Bureau grant panels for advisory review. Proposals may also be reviewed by the Office of the Legal Adviser or by other Department elements. Final funding decisions are at the discretion of the Department of State's Assistant Secretary for Educational and Cultural Affairs. Final technical authority for grants or cooperative agreements resides with the Bureau's Grants Officer.

9. *Project Evaluation:* Proposals should include a plan to evaluate the activity's success, both as it unfolds and at the end of the program. ## DEPARTMENT OF STATE

[Public Notice 4293]

### **Bureau of Oceans and International Environmental and Scientific Affairs; Notice of Availability of a Draft National Plan of Action To Prevent, Deter, and Eliminate Illegal, Unregulated, and Unreported Fishing**

**SUMMARY:** The Department of State announces the availability of a draft National Plan of Action (NPOA) developed pursuant to the International Plan of Action (IPOA) to Prevent, Deter, and Eliminate Illegal, Unregulated, and Unreported Fishing, adopted by the United Nations Food and Agriculture Organization (FAO) Committee on Fisheries (COFI) Ministerial Meeting in February 2001. Members of the public are encouraged to provide comments on the draft NPOA.

**DATES:** Comments must be received no later than May 31, 2003.

**ADDRESSES:** Written comments and requests for copies of the draft NPOA should be submitted to Deirdre Warner-Kramer, Office of Marine Conservation (OES/OMC), Bureau of Oceans, and International Environmental and Scientific Affairs, Department of State, Washington, DC 20520-7818, or may be sent via facsimile (fax) to 202-736-7350. An electronic version of the draft is available at <http://www.state.gov/g/oes/ocns/c7983.htm> Comments will not be accepted if submitted via e-mail.

**FOR FURTHER INFORMATION CONTACT:** Deirdre Warner-Kramer at 202-647-2335, fax 202-736-7350.

**SUPPLEMENTARY INFORMATION:** The United States and other members of the international community have experienced a growing incidence of fishing activity that does not respect applicable laws and regulations, including fishing rules adopted at the national and international levels. Examples of such activity include

reflagging of fishing vessels to evade controls, fishing in areas of national jurisdiction without authorization by the coastal State, and failure to report (or misreporting) catches. Such irresponsible fishing activity directly undermines efforts to manage fisheries properly and impedes progress toward the goal of sustainable fisheries.

Under the auspices of the Food and Agriculture Organization of the United Nations (FAO), a concerted effort was undertaken to develop a comprehensive "toolbox" of measures that States could take, both individually and collectively, to address the problems of IUU fishing. This effort culminated with the adoption in 2001 of the FAO International Plan of Action to Prevent, Deter and Eliminate Illegal, Unreported and Unregulated Fishing (IPOA).

As its title suggests, the objective of the IPOA is to prevent, deter and eliminate IUU fishing. The principles to guide the pursuit of this objective include: (1) Broad participation and coordination among States, as well as representatives from industry, fishing communities and non-governmental organizations; (2) the phasing-in of action to implement the IPOA on the earliest possible timetable; (3) the use of a comprehensive and integrated approach, so as to address all impacts of IUU fishing; (4) the maintenance of consistency with the conservation and long-term sustainable use of fish stocks and the protection of the environment; (5) transparency; and (6) non-discrimination in form or in fact against any State or its fishing vessels.

The draft U.S. National Plan of Action is organized along the same lines as the IPOA, including sections on All State Responsibilities, Flag State Responsibilities, Coastal State Measures, Port State Measures, Internationally Agreed Market State Measures, Measures to be Implemented Through Regional Fisheries Management Organizations and Special Requirements of Developing States. As envisioned in the IPOA, the United States intends to review the implementation of this National Plan of Action at least every four years after its adoption.

Dated: February 27, 2003.
