

application of section 4975 (a) and (b) of the Code, by reason of section 4975(c)(1) (A) through (E) of the Code.

In that notice, the Department invited interested persons to submit written comments and any requests for a public hearing on the proposed exemption.

As explained in the notice of pendency, the proposed exemption was requested in an application filed on behalf of Northwest Airlines, Inc. (Northwest) as plan sponsor and named fiduciary to the Plans, pursuant to section 408(a) of the Act and section 4975(c)(2) of the Code and in accordance with the procedures set forth in 29 CFR part 2570, subpart B at 55 FR 32836, 32847 (August 10, 1990). If granted, the proposed exemption would permit: (1) The in-kind contribution(s) of the common stock of either Pinnacle Airlines, Inc. or Pinnacle Airlines Corp. (Pinnacle Stock) to the Plans by Northwest, a party in interest with respect to such Plans; (2) the holding of the Pinnacle Stock by the Plans; (3) the sale of the Pinnacle Stock by the Plans to Northwest; and (4) the acquisition, holding, and exercise by the Plans of a put option (the Put Option) granted to the Plans by Northwest.

In response to the solicitation of comments from interested persons, the Department has received over 500 letters, e-mails, faxes or phone calls, of which more than 300 request that a hearing be held on the proposed exemption. The commenters expressed concern generally about the effect of the proposed exemption on the Plans. The concerns expressed generally related to the proposed contribution of Pinnacle Stock instead of a cash contribution to the Plans; the value and method of valuation of the Pinnacle Stock; the effects of the proposed transactions on the Plans; and the adequacy of the proposed safeguards that are intended to protect the Plans' interests.

The submissions received by the Department are available for public inspection in the Public Disclosure Room of the Employee Benefits Security Administration, U.S. Department of Labor, Room N-1513, 200 Constitution Avenue, NW., Washington, DC 20210.

In view of the comments requesting a hearing on the proposed exemption, the Department has decided to hold a hearing on the proposed exemption on May 5 and, if necessary, May 6, 2003 beginning at 9:30 a.m., EST, in Rooms N-3437 A & B at the Department of Labor, 200 Constitution Avenue, NW., Washington, DC.

Any interested person who wishes to be assured of an opportunity to present oral comments at the hearing should submit by 3:30 p.m., EST, April 26,

2003: (1) A written request to be heard; and (2) five copies of an outline of the topics to be discussed. The request to be heard and accompanying outline should be sent to: Office of Exemption Determinations, Room N-5649, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, NW., Washington, DC 20210, "Attention: Northwest Exemption Hearing." Information about the agenda may be obtained on or after April 30, 2003 by contacting Wendy M. McCollough or Christopher Motta, Office of Exemption Determinations, Employee Benefits Security Administration, U.S. Department of Labor, telephone (202) 693-8540 (this is not a toll-free number). SUPPLEMENTARY INFORMATION:

I. Background

Title 30 CFR 45.3 provides that independent contractors may voluntarily obtain a permanent MSHA identification number by submitting to MSHA their trade name and business address, a telephone number, an estimate of the annual hours worked by the contractor on mine property for the previous calendar year, and the address of record for service of documents upon the contractor. Independent contractors performing services or construction at mines are subject to the Federal Mine Safety and Health Act of 1977 (Mine Act) and are responsible for violations of the Mine Act committed by them or their employees.

Although Independent Contractors are not required to apply for the identification number, they will be assigned one by MSHA the first time they are cited for a violation of the Mine Act. MSHA uses the information to issue a permanent MSHA identification number to the independent contractor.

II. Desired Focus of Comments

MSHA is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
