

DEPARTMENT OF ENERGY**Federal Energy Regulatory Commission****[Docket No. ER03-500-000]****Liberty Power Corp., Inc.; Notice of Issuance of Order**

March 25, 2003.

Liberty Power Corp., Inc. (Liberty Power) filed a market based-rate application, with accompanying tariff. The proposed rate tariff provides for the sale of capacity and energy at market-based rates. Liberty Power also requested waiver of various Commission regulations. In particular, Liberty Power requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by Liberty Power.

On March 21, 2003, pursuant to delegated authority, the Director, Division of Tariffs and Market Development—South, granted the request for blanket approval under part 34, subject to the following:

Any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by Liberty Power should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with rules 211 and 214 of the Commission's rules of practice and procedure (18 CFR 385.211 and 385.214).

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is April 21, 2003.

Absent a request to be heard in opposition by the deadline above, Liberty Power is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Liberty Power, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of Liberty Power's issuances of securities or assumptions of liability.

Copies of the full text of the Order are available from the Commission's Public Reference Branch, 888 First Street, NE., Washington, DC 20426. The Order may also be viewed on the Commission's Web site at <http://www.ferc.gov>, using

Order Proposing Revocation of Market-Based Rate Authority

Issued March 26, 2003.

Before Commissioners: Pat Wood, III, Chairman; William L. Massey, and Nora Mead Brownell; Reliant Energy Services, Inc., BP Energy Company.

1. This order directs Reliant Energy Services, Inc. (Reliant) and BP Energy Company (BP Energy) to show cause to the Commission in paper hearings why their authority to sell power at market-based rates¹ should not be revoked by

¹ Reliant and BP Energy are power marketers previously authorized to sell electric power at market-based rates. See Office Director Letter Orders issued on July 25, 1994 in Docket No. ER94-1247-000 and March 12, 1999 in Docket No. ER99-1801-000 (granting Reliant market-based rate

the Commission in light of their apparent manipulation of electricity prices at the Palo Verde, Arizona trading hub, in violation of section 205(a) of the Federal Power Act's (FPA) requirement that rates be just and reasonable.² This order also initiates proceedings under section 206 of the FPA,³ in Docket Nos. EL03-59-000 (for Reliant) and EL03-60-000 (for BP Energy), where the show cause filings will be considered.

2. This order is necessary to fulfill the Commission's obligation to monitor competitive markets in order to protect wholesale electricity customers from unjust and unreasonable rates.

Background

3. On February 13, 2002, the Commission directed a Staff fact-finding investigation into whether any entity manipulated prices in electricity or natural gas markets in the West or otherwise exercised undue influence over wholesale electricity prices in the West, since January 1, 2000.⁴

4. On August 13, 2002, Staff released its Initial Report in Docket No. PA02-2-000.⁵ In that Report, Staff recommended the initiation of various company-specific proceedings⁶ to further investigate possible misconduct, and recommended several generic changes to market-based tariffs to prohibit the deliberate submission of false information or the deliberate omission of material information and to provide for the imposition of both refunds and penalties for violations.

5. In Staff's Final Report, being publicly released concurrently with this order,⁷ Staff notes evidence that indicates that Reliant and BP Energy appear to have engaged in coordinated efforts to manipulate electricity prices.

6. Specifically, Staff points to three occasions where a BP Energy trader called a Reliant trader and asked him to buy power from an offer he was going
