[Airspace Docket No. 2001–ASW–13]

Establishment of Class E Airspace; Angel Fire Airport, Angel Fire, NM

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: This action establishes Class E airspace at Angel Fire Airport, Angel

Fire, NM. The development of an area navigation (RNAV) global positioning system (GPS) standard instrument approach procedure (SIAP), to Angel Fire Airport, Angel Fire, NM, has made this rule necessary. The intended effect of this proposal is to provide adequate controlled airspace for aircraft operating in the vicinity of Angel Fire Airport, Angel Fire, NM.

EFFECTIVE DATE: 0901 UTC, May 15, 2003.

FOR FURTHER INFORMATION CONTACT:

Joseph R. Yadouga, Airspace Branch, Air Traffic Division, Southwest Region, Federal Aviation Administration, Fort Worth, TX 76193–0520, telephone: 817–222–5597.

SUPPLEMENTARY INFORMATION:**History**

On August 29, 2001, a proposal to amend 14 CFR Part 71 to establish Class E airspace at Angel Fire Airport, Angel Fire, NM, was published in the **Federal Register** (66 FR 45660). The proposal was to establish Class E airspace at Angel Fire Airport, Angel Fire, NM. The development of a RNAV GPS SIAP to Angel Fire Airport, Angel Fire, NM, has made this rule necessary. The intended effect of this proposal is to provide adequate controlled airspace for aircraft operating in the vicinity of Angel Fire Airport, Angel Fire, NM.

Interested parties were invited to participate in this rulemaking proceeding by submitting written comments on the proposal to the FAA. No comments to the proposal were received. The rule is adopted as proposed, with the exception of minor editorial changes.

The coordinates for this airspace docket are based on North American Datum 83. Designated Class E airspace areas are published in paragraph 6005 of FAA Order 7400.9K, dated August 31, 2002, and effective September 16, 2002, which is incorporated by reference in 14 CFR 71.1 The Class E airspace designations listed in this document will be published subsequently in the order.

The Rule

This amendment to 14 CFR Part 71 establishes airspace extending upward from 700 feet above the surface within a 7.5-mile radius of Angel Fire Airport and within 2 miles either side of the 005° bearing from the airport extending from the 7.5-mile radius to 11.1 miles north of the airport.

The regulations adopted herein will not have substantial direct effects on the States, on the relationship between the national government and the States, or

on the distribution of power and responsibilities among the various levels of government. Therefore, it is determined that this final rule will not have federalism implications under Executive Order 13132.

Further, the FAA has determined that this regulation only involves an established body of technical regulations that require frequent and routine amendments to keep them operationally current. It, therefore, (1) is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Minimum Qualifications for Annuity Brokers in Connection With Structured Settlements Entered Into by the United States

AGENCY: Department of Justice.

ACTION: Interim rule with request for comments.

SUMMARY: This rule sets forth the "minimum qualifications" an individual annuity broker must meet to be included on the list of annuity brokers established by the Department of Justice and transmitted to all United States Attorneys that will identify brokers who may provide services in connection with structured settlements entered by the United States. It also sets forth procedures to apply for inclusion on the list. Structured settlements allow the Department to resolve litigation by purchasing an annuity policy or making a series of payments rather than by paying a lump sum.

DATES: *Effective date:* This interim rule is effective April 15, 2003.

Comment date: Written comments must be submitted on or before July 14, 2003.

Declaration submission date: To be considered for inclusion on the initial list to be transmitted to all United States Attorneys, annuity brokers must submit the Declaration specified in this rule to the Department of Justice's Torts Branch at the address provided below by no later than April 24, 2003. Submissions received after April 24, 2003, will be considered for inclusion in any updates of the list. The list will be revised periodically, but not more often than twice every calendar year, beginning with calendar year 2004.

ADDRESSES: Comments on the interim rule should be submitted by telefax to 202-514-8071. Telefaxes should be limited to 15 pages. Comments may also be mailed to Kenneth L. Zwick,

Director, Office of Management Programs, Civil Division, U.S. Department of Justice, Main Building, Room 3140, 950 Pennsylvania Avenue NW., Washington, DC 20530. Comments received are public records. The name and address of the commenter should be included with all submissions. Comments will also be available for public inspection at a reading room in Washington, DC. Arrangements to visit the reading room must be made in advance by calling 202-514-4552.

All requests for inclusion on the list of annuity brokers should be addressed to Roger D. Einerson, Assistant Director, Torts Branch, Post Office Box 888, Benjamin Franklin Station, Washington, DC 20044.

FOR FURTHER INFORMATION CONTACT:

Kenneth L. Zwick, Director, Office of Management Programs, Civil Division, U.S. Department of Justice, Main Building, Room 3140, 950 Pennsylvania Avenue NW., Washington, DC 20530; telephone 202-514-4552.

SUPPLEMENTARY INFORMATION: This rule implements section 11015(a) of Public Law 107-273, the 21st Century Department of Justice Appropriations Authorization Act, which was enacted on November 2, 2002. Section 11015(a) provides: "Not later than 6 months after the date of enactment of this Act, the Attorney General shall establish a list of annuity brokers who meet minimum qualifications for providing annuity brokerage services in connection with structured settlements entered by the United States. This list shall be updated upon request by any annuity broker that meets the minimum qualifications for inclusion on the list. The Attorney General shall transmit such list, and any updates to such list, to all United States Attorneys." The rule sets forth the minimum qualifications for an annuity broker to be included on the list and the procedures to be followed by individual annuity brokers who desire to be listed.

To be considered for inclusion on the initial list to be transmitted to all United States Attorneys, annuity brokers must submit the Declaration set forth on the Civil Division Web site (<http://www.usdoj.gov/civil/home.html>) to the Department of Justice's Torts Branch at the address provided below by no later than April 24, 2003. (A copy of the Declaration is also included as an appendix to this rule, but will not be included in the Code of Federal Regulations, as it may be revised later. The most current version of the Declaration will be available for download on the Civil Division's Web site.) Submissions received after April 24, 2003, will be considered for

inclusion in the next update of the list. The list will be revised periodically, but not more often than twice every calendar year, beginning with calendar year 2004.

An annuity broker submitting a Declaration is declaring under penalty of perjury that the information on the Declaration is true, correct, accurate, and complete. Among other things, the broker must declare: "I have had substantial experience in each of the past three years in providing structured settlement brokerage services to or on behalf of defendants or their counsel." This provision serves two purposes. First, it ensures that the broker has significant, relevant experience. Second, it militates against potential conflicts between the interests of listed brokers and the interests of the United States as a defendant. The remaining requirements set forth in the Declaration are self-explanatory. In determining whether an annuity broker meets the minimum qualifications for inclusion on the list, the Department of Justice will rely solely and exclusively on the Declaration submitted by the annuity broker. The Department of Justice will neither verify the information submitted to the Department prior to the listing of an annuity broker, nor vouch for its accuracy for purposes of establishing or updating the list.

Initial declarations should be mailed to the United States Department of Justice, Civil Division, Torts Branch, FTCA Staff, Post Office Box 888, Benjamin Franklin Station, Washington, DC 20044. Brokers should refer to the Civil Division's Web site (<http://www.usdoj.gov/civil/home.html>) to determine the current mailing address at the time they submit subsequent Declarations.

Executive Order 12866

This rule has been drafted and reviewed in accordance with Executive Order 12866, "Regulatory Planning and Review" section 1(b), The Principles of Regulation. The Department of Justice has determined that this rule is a "significant regulatory action" under section 3(f), Definitions, and accordingly this rule has been reviewed by the Office of Management and Budget.

The Department has also assessed both the costs and benefits of this rule as required by section 1(b)(6) and has made a reasoned determination that the benefits of this regulation justify its costs. The costs considered in this connection included the costs of submission of declarations required if an annuity broker desires to make services available to United States
