SUPPLEMENTARY INFORMATION:**I. Abstract**

The information collection is necessary to assess the need to help adult Indians who reside on or near Indian reservations to obtain reasonable and satisfactory employment. The information collection documents provide information necessary to administer the program for Employment Assistance or Vocational Training. The Department is authorized to undertake a program of vocational training that provides vocational counseling, guidance, and training in any recognized vocation, apprenticeship, trade, or on-the-job training. The program is available to Indians who are not less than 18 years old and not more than 35 years old who reside on or near an Indian reservation. Public Law 84-959 and Public Law 88-230 authorize the BIA to enter into contracts or agreements with Federal, State, local government agencies or associations with apprenticeship programs or on-the-job training that leads to skilled employment. The same application form is used for both 25 CFR parts 26 and 27. Information of a confidential nature is protected by the Privacy Act. A request for comments on this information collection was published in the **Federal Register** on November 15, 2002 (67 FR 69238). No comments were received.

II. Request for Comments

Comments are invited on (a) whether the information collection is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of the information on the respondents, including through the use of automated collection techniques or other forms of information technology.

The Office of Management and Budget has up to 60 days to approve or disapprove the information collection but may respond after 30 days; therefore, comments submitted in
