

discussions, the Secretariat prepared two papers: one, identifying specific trade concerns related to labeling brought to the attention of the TBT Committee since 1995 (G/TBT/W/184); and, one compiling summary information on all of the notifications made under the Agreement since 1995 related to labeling (G/TBT/W/183). In follow-up to a proposal originating in the Canadian paper, the Committee is currently discussing possible topics for a workshop on labeling to be held in conjunction with its June 2003 meeting.

Comments are welcome related to these topics or any other relevant to the operation and implementation of the Agreement.

2. Requirements for Submissions

In order to facilitate prompt processing of submissions, the Office of the United States Trade Representative strongly urges and prefers electronic (e-mail) submissions in response to this notice. In the event that an e-mail submission is impossible, submissions should be made by facsimile.

Persons making submissions by e-mail should use the following subject line: "WTO TBT Review." Documents should be submitted as either WordPerfect, MSWord, or text (.TXT) files. For any document containing business confidential information submitted electronically, the file name of the business confidential version should begin with the characters "BC-", and the file name of the public version should begin with the characters "P-". The "P" or "BC-" should be followed by the name of the submitter. Persons who make submissions by e-mail should not provide separate cover letters; information that might appear in a cover letter should be included in the submission itself. To the extent possible, any attachments to the submission should be included in the same file as the submission itself, and not as separate files.

Written comments will be placed in a file open to public inspection pursuant to 15 CFR 2003.5, except business confidential information exempt from public inspection in accordance with 15 CFR 2003.6. Business confidential information submitted in accordance with 15 CFR 2003.6 must be clearly marked "BUSINESS CONFIDENTIAL" at the top of each page, including any cover letter or cover page, and must be accompanied by a nonconfidential summary of the confidential information. All public documents and nonconfidential summaries shall be available for public inspection in the USTR Reading Room. The USTR Reading Room is open to the public, by

appointment only, from 10 a.m. to 12 noon and 1 p.m. to 4 p.m., Monday through Friday. An appointment to review the file may be made by calling (202) 395-6186. Appointments must be scheduled at least 48 hours in advance.

General information concerning the Office of the United States Trade Representative may be obtained by accessing its Internet server (<http://www.ustr.gov>).

Request for Comments

The Coast Guard encourages interested persons to submit comments. Persons submitting comments should include their names and addresses, identify this document [USCG 2003-14360], and give the reasons for the comments. Please submit all comments and attachments in an unbound format no larger than 8½ by 11 inches, suitable for copying and electronic filing. Persons wanting acknowledgment of receipt of comments should enclose stamped self-addressed postcards or envelopes.

Information Collection Request

Title: Alteration of Unreasonably Obstructive Bridges.

OMB Control Number: 2115-0614.

Summary: The collection of information requires the owner of a bridge whose bridge the Coast Guard has found to be an unreasonable obstruction to navigation to prepare, and submit to the Coast Guard, general plans and specifications of that bridge.

Need: Under 33 U.S.C. 494, 502, 511, and 513, the Coast Guard may determine whether a bridge is an unreasonable obstruction to navigation and may require the owner of the bridge to submit information to determine the apportionment of cost between the U.S. and the owner for alteration of that bridge.

Respondents: Owners of bridges.

Frequency: On occasion.

Burden: The estimated burden is 120 hours a year.

Dated: January 27, 2003.

C.I. Pearson,

Rear Admiral, Coast Guard, Director of Information and Technology.
