DEPARTMENT OF EDUCATION

34 CFR Parts 600, 649, 668, 674, 675, 676, 682, 685, 690 and 693

RIN 1840-AC47

Institutional Eligibility Under the Higher Education Act of 1965, as Amended (HEA); Patricia Roberts Harris Fellowship Program; Student Assistance General Provisions; Federal Perkins Loan Program; Federal Work-Study Programs; Federal Supplemental Educational Opportunity Grant Program; Federal Family Education Loan Program; William D. Ford Federal Direct Loan Program; Federal Pell Grant Program; and National Early Intervention Scholarship and Partnership Program

AGENCY: Department of Education.

ACTION: Final regulations.

SUMMARY: The Secretary amends §§ 600.55 and 600.56 of the Institutional Eligibility regulations to effectuate Pub. L. 108-98, a recent enactment with a retroactive effective date of October 1, 1998.

The Secretary also is amending the Institutional Eligibility, Patricia Roberts Harris Fellowship Program, Student Assistance General Provisions, Federal Perkins Loan Program, Federal Work-Study Programs, Federal Supplemental Educational Opportunity Grant Program, Federal Family Education Loan (FFEL) Program, William D. Ford Federal Direct Loan Program, Federal Pell Grant Program, and National Early Intervention Scholarship and Partnership (NEISP) Program regulations. These technical revisions are necessary to correct cross-references, delete references to programs that are no longer funded, and make a number of nomenclature changes that provide the correct names of various Title IV, HEA programs.

EFFECTIVE DATE: The amendments to §§ 600.55 and 600.56 of the Institutional

Eligibility regulations are effective retroactively to October 1, 1998. All of the other amendments take effect April 15, 2004.

SUPPLEMENTARY INFORMATION: The regulations governing Institutional Eligibility under the Higher Education Act of 1965, as amended, 34 CFR part 600; Patricia Roberts Harris Fellowship Program, 34 CFR part 649; the Student Assistance General Provisions regulations, 34 CFR part 668; Federal Perkins Loan Program, 34 CFR part 674; Federal Work-Study Programs, 34 CFR part 675; Federal Supplemental Educational Opportunity Grant Program, 34 CFR part 676; Federal Family Education Loan Program, 34 CFR part 682; William D. Ford Federal Direct Loan Program, 34 CFR part 685; Federal Pell Grant Program, 34 CFR part 690; and National Early Intervention Scholarship and Partnership Program, 34 CFR part 693 are amended to provide certain clarifications, to correct errors and omissions, and to remove references to Title IV, HEA programs that are no longer authorized or funded.

Sections 600.55 and 600.56 of the Institutional Eligibility regulations are revised to conform with newly-enacted Public Law 108-98. That legislation corrected technical errors in the Higher Education Amendments of 1998 by removing inadvertent barriers to institutional eligibility that applied to public and non-profit foreign veterinary schools, as well as to Canadian medical schools. Consistent with the legislation, the conforming changes to the regulations are effective retroactively to October 1, 1998.

Section 600.57(a) of the Institutional Eligibility regulations has been amended to establish the maximum duration of a program participation agreement for foreign institutions as six years from the date of the Secretary's

certification determination. This change conforms the regulations to the Higher Education Amendments of 1998, Pub. L. 105-244, which extended the maximum period of time that an institution may be certified to participate in the Title IV, HEA programs from four to six years.

These regulations remove part 649 from 34 CFR because the Patricia Roberts Harris Fellowship Program is no longer authorized by the HEA.

The expected family contribution (EFC) definition has been removed from the individual program regulations for the Federal Perkins Loan Program, Federal Work-Study Programs, Federal Supplemental Educational Opportunity Grant Program, Federal Family Education Loan Program, William D. Ford Federal Direct Loan Program, and Federal Pell Grant Program and is now listed instead in the Student Assistance General Provisions under the General Definitions in § 668.2. This change was made to centralize the definitions used in the Title IV, HEA program regulations.

We have removed the reference to the ALAS Program in the definition of Federal Supplemental Loans for Students in § 668.2 because the ALAS program is no longer authorized by the HEA.

The definition of parent in § 668.2 has been changed by deleting the discussion of "legal guardian", to conform with the definition of parent in Part F of the Higher Education Act of 1965, as amended.

The reference to the National Early Intervention Scholarship and Partnership Program (NEISP) in § 668.26(b)(5) has been removed because the program is no longer authorized by the HEA.

Section 668.26 has been amended by removing paragraphs (d)(2)(iv) and (e)(3) and redesignating paragraph (d)(2)(v) as (d)(2)(iv). Section 668.26(d)(2) lists the circumstances under which an institution whose participation in the Title IV programs has ended may disburse an FFEL Program loan. The removed paragraph required that the loan commitment be made prior to the loss of participation. However, this is redundant in light of the requirement that the first disbursement of the loan be made prior to the end of participation. The first disbursement of a loan cannot be made unless a commitment for the loan has been made. This change makes the FFEL requirement similar to the corresponding requirement for Direct Loan Program loans in § 668.26(d)(3)(iii).

These regulations make changes to the Federal Pell Grant Program regulations to move the definition of EFC to the

Student Assistance General Provisions regulations, to reflect the changes in transmitting student records because the Secretary no longer accepts magnetic records, to clarify the institutional participation requirements to state that a valid ISIR or valid SAR is needed to determine student eligibility for Title IV assistance, to correct references, and to remove references that are no longer applicable.

These regulations remove part 693 from 34 CFR because the National Early Intervention Scholarship and Partnership (NEISP) Program is no longer authorized by the HEA.

Regulatory Flexibility Act Certification

The Secretary certifies that these regulations will not have a significant economic impact on a substantial number of small entities. The small entities that are affected by these regulations are small institutions of higher education. These regulations contain technical amendments designed to clarify and correct current regulations. The changes will not have a significant economic impact on the institutions affected.

Paperwork Reduction Act of 1995

These regulations do not contain any information collection requirements.

Assessment of Educational Impact

Based on our review, we have determined that these final regulations do not require transmission of information that any other agency or authority of the United States gathers or makes available.

Waiver of Proposed Rulemaking and Negotiated Rulemaking

Under the Administrative Procedure Act (5 U.S.C. section 553) the Department generally offers interested parties the opportunity to comment on proposed regulations. However, these regulations merely reflect statutory changes, make certain technical changes and remove obsolete regulatory provisions. These changes do not establish any new substantive rules. Furthermore, the changes to §§ 600.55 and 600.56 effectuate a recent technical amendment to the HEA. That amendment, in Pub. L. 108–98, has a retroactive effective date and has no adverse effect on substantive rights or obligations of individuals or institutions.

For these reasons, the Secretary has determined that proposed regulations are unnecessary and contrary to the public interest. For the same reasons, the Secretary has determined, under section 492(b)(2) of the Higher

Education Act of 1965, as amended, that the changes should not be subject to negotiated rulemaking.
