A & M Tool, M Division, Inc., Arden, NC; Notice of Termination of Investigation

Pursuant to section 221 of the Trade Act of 1974, as amended, an investigation was initiated on February 18, 2004, in response to a petition filed by a company official on behalf of workers of A & M Tool, M Division, Inc., Arden, North Carolina.

The investigation revealed that the subject firm did not separate or threaten to separate a significant number or proportion of workers as required by section 222 of the Trade Act of 1974. Significant number or proportion of the workers means that at least three workers in a firm with a workforce of fewer than 50 workers would have to be affected. Separations by the subject firm did not meet this threshold level. Consequently, the petition has been terminated.

Signed at Washington, DC this 24th day of March 2004.

Fashion Technologies, Gaffney, SC; Notice of Affirmative Determination, Regarding Application for Reconsideration

By application postmarked January 31, 2004, a petitioner requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance, applicable to workers of the subject firm. The denial notice was signed on December 30, 2003, and published in the **Federal Register** on February 6, 2004 (69 FR 5866).

The Department reviewed the request and has determined that the petitioner has provided additional information. Therefore, the Department will conduct further investigation to determine if the workers meet the eligibility requirements of the Trade Act of 1974.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Gateway Sportswear Corp., A Subsidiary of the Production Department, Confluence, PA; Notice of Termination of Investigation

Pursuant to section 221 of the Trade Act of 1974, as amended, an investigation was initiated on February 25, 2004 in response to a petition filed by a company official on behalf of workers at Gateway Sportswear, Confluence, Pennsylvania.

The petitioning group of workers is covered by an earlier petition instituted on February 19, 2004 (TA-W-54,314) that is the subject of an ongoing investigation for which a determination has not yet been issued. Further investigation in this case would duplicate efforts and serve no purpose; therefore the investigation under this petition has been terminated.
