The Departments of Commerce and Homeland Security ("DHS") are required to determine whether nonprofit institutions established for scientific or educational purposes are entitled to duty-free entry under the Florence Agreement of certain scientific instruments they import. Without the collection of the information, DHS and Commerce would not have the necessary information to carry out the responsibilities of determining eligibility for duty-free entry assigned by law.

II. Method of Collection

The Department of Commerce distributes Form ITA-338P to potential applicants upon request. The applicant completes the form and then forwards it to the DHS. Upon acceptance by DHS as a valid application, the application is transmitted to Commerce for processing.

Certain Preserved Mushrooms from the People's Republic of China: Notice of Partial Rescission of Seventh New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Partial Rescission of Seventh New Shipper Review.

EFFECTIVE DATE: April 23, 2004.

FOR FURTHER INFORMATION CONTACT: Brian Smith or Terre Keaton, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-1766 or (202) 482-1280, respectively.

SUPPLEMENTARY INFORMATION:

Background

On October 7, 2003, the Department published a notice of initiation of an antidumping duty new shipper review on certain preserved mushrooms from the People's Republic of China ("PRC") with respect to the following two PRC companies: Nanning Runchao Industrial Trade Company, Ltd. ("Nanning Runchao") and Guangxi Hengxian Pro-Light Foods, Inc. ("Guangxi Hengxian"). See *Certain Preserved Mushrooms from the People's Republic of China: Initiation of Seventh Antidumping Duty New Shipper Review*, 68 FR 57877.

On April 7, 2004, Nanning Runchao's counsel notified the Department that the U.S. Food and Drug Administration ("USFDA") had ruled that its U.S. shipment of subject merchandise (*i.e.*, the entry which is the basis for its new shipper review request) was being returned to the PRC because it did not comply with USFDA regulations. As a result, the Department informed Nanning Runchao that it was cancelling the verification which was to commence during April 2004 (*see* April 7, 2004, memorandum from team leader to the file). On April 9, 2004, Nanning Runchao withdrew its request for a new shipper review.

Accordingly, we are rescinding the new shipper review with respect to Nanning Runchao for the reasons mentioned below.

Scope of Order

The products covered by this order are certain preserved mushrooms whether imported whole, sliced, diced,

or as stems and pieces. The preserved mushrooms covered under this order are the species *Agaricus bisporus* and *Agaricus bitorquis*. "Preserved mushrooms" refer to mushrooms that have been prepared or preserved by cleaning, blanching, and sometimes slicing or cutting. These mushrooms are then packed and heated in containers including, but not limited to, cans or glass jars in a suitable liquid medium, including, but not limited to, water, brine, butter or butter sauce. Preserved mushrooms may be imported whole, sliced, diced, or as stems and pieces. Included within the scope of this order are "brined" mushrooms, which are presalted and packed in a heavy salt solution to provisionally preserve them for further processing.

Excluded from the scope of this order are the following: (1) all other species of mushroom, including straw mushrooms; (2) all fresh and chilled mushrooms, including "refrigerated" or "quick blanched mushrooms"; (3) dried mushrooms; (4) frozen mushrooms; and (5) "marinated," "acidified," or "pickled" mushrooms, which are prepared or preserved by means of vinegar or acetic acid, but may contain oil or other additives.¹

The merchandise subject to this order is classifiable under subheadings: 2003.10.0127, 2003.10.0131, 2003.10.0137, 2003.10.0143, 2003.10.0147, 2003.10.0153 and 0711.51.0000 of the Harmonized Tariff Schedule of the United States ("HTSUS"). Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of this order is dispositive.

Period of Review

The period of review ("POR") is February 1, 2003, through July 31, 2003.

Partial Rescission of Review

The Department's regulations at 19 CFR 351.214(f)(1) provide that the Department may rescind a new shipper review "... if a party that requested a review withdraws its request no later than 60 days after the date of publication of notice of initiation of the requested review." Nanning Runchao withdrew its request for new shipper

¹ On June 19, 2000, the Department affirmed that "marinated," "acidified," or "pickled" mushrooms containing less than 0.5 percent acetic acid are within the scope of the antidumping duty order. See "Recommendation Memorandum-Final Ruling of Request by Tak Fat, *et al.* for Exclusion of Certain Marinated, Acidified Mushrooms from the Scope of the Antidumping Duty Order on Certain Preserved Mushrooms from the People's Republic of China," dated June 19, 2000. This decision is currently on appeal.
