SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-49627; File No. SR-ISE-2004-05]

Self-Regulatory Organizations; Order Approving Proposed Rule Change by the International Securities Exchange, Inc., Relating to Customized Market Data Reports ("ISEMine")

April 28, 2004.

On March 4, 2004, the International Securities Exchange, Inc. ("ISE" or "Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to establish fees in connection with the

preparation of customized market data reports for both members and non-members. The Exchange maintains databases that contain information relating to option contracts traded on the Exchange. The Exchange is proposing to provide members and non-members with the ability to "mine" this data through the use of customized market data reports. The Exchange refers to this service as "ISEmine."

The proposed rule change was published for comment in the **Federal Register** on March 24, 2004.³ The Commission received no comments on the proposal.

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange⁴ and, in particular, the requirements of section 6 of the Act⁵ and the rules and regulations thereunder. The Commission finds specifically that the proposed rule change is consistent with section 6(b)(4) of the Act,⁶ in that it provides for the equitable allocation of reasonable dues, fees, and other charges among ISE members and issuers and other persons using its facilities. Additionally, the Commission finds that the proposed rule change is consistent with section 6(b)(5) of the Act,⁷ in that it is designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating securities transactions, and to remove impediments to and perfect the mechanism of a free and open market and a national market system.

It is therefore ordered, pursuant to section 19(b)(2) of the Act,⁸ that the proposed rule change (SR-ISE-2004-05) be, and it hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁹

April 28, 2004.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 20, 2004, the New York Stock Exchange, Inc. ("NYSE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

NYSE Rule 122 (Orders with More than One Broker) prohibits a member from having orders on the Exchange with more than one broker executable at the same price in the same stock on the same side of the market for the account of the same principal. According to the Exchange, NYSE Rule 122 is intended to negate the possibility that the same customer could have an unequal representation in the auction in parity situations. The Exchange also believes that NYSE Rule 122 provides a deterrent to any attempt to create the appearance that there is greater trading interest in a stock than may be actually present by limiting the representation of agency orders in the market for the same customer to a single agent.

Currently, Floor brokers are able to manually give a portion of an order to the specialist for execution, while

retaining the remainder of such order. Pending technological advances will enable Floor brokers to have the ability to send orders from their hand-held devices directly to the specialist's limit order book. According to the Exchange, this ability will improve a broker's efficiency by allowing greater order management capabilities. As is the case today, brokers may desire to send part of a large order for representation by the specialist while retaining the balance of the order for execution by the broker. For example, a broker with a 100,000 share market "not held" order may determine to electronically "book" (e.g., send to the specialist) 20,000 shares of that order at a limit price of \$20.20, while retaining the 80,000 share balance of the order.

The Exchange proposes to amend NYSE Rule 122 to provide that a Floor broker may send a portion of an order to a specialist either manually or via a hand-held terminal while retaining a portion of the same order as long as the broker does not bid (offer) or execute the retained portion of the order at a price at which the booked order may also be represented in a bid (offer) or executed. The Exchange represents that this proposal does not impose any new requirements or obligations and is consistent with current practice.

Thus, in the above example, the broker could bid on behalf of the retained portion of the order, or take offers, at prices of \$20.21 or above, but could not, on behalf of the retained portion of the order, purchase stock at \$20.20 or lower, unless the "booked" portion of the order had been executed or canceled.

2. Statutory Basis

The Exchange believes that the proposal to amend NYSE Rule 122 to provide that a Floor broker may send a portion of an order to a specialist manually or via a hand-held terminal while retaining the remainder of the order is consistent with Section 6(b) of the Act,⁵ in general, and Section 6(b)(5) of the Act,⁶ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change, as amended,

will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments regarding the proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission will:

(A) By order approve such proposed rule change, as amended, or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-49631; File No. SR-PCX-2004-35]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by the Pacific Exchange, Inc. To Amend the Market Maker Fees Portion of Its Schedule of Fees and Charges in Order To Extend a Temporary Waiver of the Market Maker Fees for Those Market Makers That Utilize More Than One Seat

April 29, 2004.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 19, 2004, the Pacific Exchange, Inc. ("PCX" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The PCX has designated this proposal as one establishing or changing a due, fee, or other charge imposed by the PCX under

section 19(b)(3)(A) of the Act,³ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is proposing to amend the Market Maker Fees portion of its Schedule of Fees and Charges ("Schedule") in order to extend a temporary waiver of the Market Maker fees for those Market Makers that utilize more than one seat. The text of the proposed rule change is available at the PCX and at the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the PCX included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The PCX has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to extend for one month the temporary waiver of the Market Maker fees for those Market Makers that utilize more than one seat. The Exchange is proposing to amend the Market Maker Fees portion of its Schedule in order to extend the previously effective temporary waiver of the Market Maker fees for those Market Makers that utilize more than one seat.⁴

Under the current Schedule, all Market Makers are assessed a fee of \$1,750 per month for each seat for which such Market Maker holds a primary appointment. In connection, PCX Rule 6.35(g)(2) permits Market Makers to increase the number of issues within their primary appointments depending on the number of seats that a Market Maker holds.⁵ Hence, the PCX believes a Market Maker would benefit

from additional issues as a result of holding multiple seats.

The Exchange proposes to extend the temporary waiver of the \$1,750 Market Maker fee for all Market Makers for each additional seat (for which the Market Maker holds a primary appointment) beyond the first seat held by such Market Maker. In other words, a Market Maker will only be assessed one Market Maker fee of \$1,750 per month whether the Market Maker utilizes one seat or multiple seats. The PCX believes that a temporary waiver of the Market Maker fee in this limited circumstance is appropriate to encourage participation by a larger number of Market Makers on PCX Plus.⁶ As PCX Plus continues to expand, PCX believes this temporary waiver will provide Market Makers with an incentive to take on a larger number of issues without incurring additional Market Maker fees. Therefore, the PCX believes the added participation will result in increased liquidity, which, in turn, will further competition. This waiver will remain in effect until May 28, 2004 or such earlier date as determined by the Exchange.

2. Statutory Basis

The Exchange believes the proposal is consistent with Section 6(b) of the Act,⁷ in general, and Section 6(b)(4) of the Act,⁸ in particular, in that it provides for the equitable allocation of reasonable dues, fees, and other charges among its members.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe the proposed rule change will impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has become effective pursuant to Section

⁶ The temporary waiver of the Market Maker fee only applies to Market Makers on PCX Plus, because only Remote Market Makers on PCX Plus utilize multiple seats. See PCX Rule 6.35(g)(2). PCX represents that this waiver has no impact upon floor-based operations. Telephone conversation between Steven B. Matlin, Senior Counsel, Regulatory Policy, PCX, and A.
