

strategy approved by a State under the provisions of § 91.315(e)(2) of this title.

(3) Environmental cleanup and economic development or redevelopment of contaminated properties. Remediation of known or suspected environmental contamination may be undertaken under the authority of section 205 of Public Law 105–276 and section 105(a)(4) of the Act. Economic development activities carried out under sections 105(a)(14), (a)(15) or (a)(17) of the Act may include costs associated with project-specific assessment or remediation of known or suspected environmental contamination.

10. Section 570.483 is amended by revising paragraphs (c)(1)(ii), (c)(1)(iv), and (c)(2) to read as follows:

§ 570.483 Criteria for national objectives.

* * * * *

(c) * * *

(1) * * *

(ii) The area also meets the conditions in either paragraph (c)(1)(ii)(A) or (c)(1)(ii)(B) of this section.

(A) At least 33 percent of properties throughout the area experience one or more of the following conditions:

(1) Physical deterioration of buildings or improvements;

(2) Abandonment of properties;

(3) Chronic high occupancy turnover rates or chronic high vacancy rates in commercial or industrial buildings;

(4) Significant declines in property values or abnormally low property values relative to other areas in the community; or

(5) Known or suspected environmental contamination.

(B) The public improvements throughout the area are in a general state of deterioration. * * *

(iv) The State keeps records sufficient to document its findings that a project meets the national objective of prevention or elimination of slums and blight. The State must establish definitions of the conditions listed at paragraph (c)(1)(ii)(A) of this section and maintain records to substantiate how the area met the slums or blighted criteria. The designation of an area as slum or blighted under this section is required to be redetermined every five years for continued qualification.

Documentation must be retained pursuant to the recordkeeping requirements contained at § 570.490.

(2) *Activities to address slums or blight on a spot basis.* The following activities can be undertaken on a spot basis to eliminate specific conditions of blight, physical decay or environmental contamination which are not located in a slum or blighted area: Acquisition; clearance; relocation; historic preservation; remediation of environmentally contaminated properties; or rehabilitation of buildings or improvements. However, rehabilitation must be limited to eliminating those conditions which are detrimental to public health and safety. If acquisition or relocation is undertaken, it must be a precursor to other activities (funded with CDBG or other resources) that directly eliminate the specific conditions of blight or physical decay.

11. Section 570.703 is amended by revising paragraph (e), the introductory sentence in paragraph (f), and paragraph (l) to read as follows:

§ 570.703 Eligible activities.

* * * * *

(e) Clearance, demolition, and removal, including movement of structures to other sites, of buildings and improvements on real property acquired or rehabilitated pursuant to paragraphs (a) and (b) of this section; remediation of properties with known or suspected environmental contamination. Remediation may include project-specific environmental assessment costs not otherwise eligible under § 570.205.

(f) Site preparation, including construction, reconstruction, installation of public and other site improvements, utilities or facilities (other than buildings), or remediation of properties (remediation can include project-specific environmental assessment costs not otherwise eligible under § 570.205) with known or suspected environmental contamination, which is:

* * * * *

(l) Acquisition, construction, reconstruction, rehabilitation or historic preservation, or installation of public facilities (except for buildings for the general conduct of government) to the extent eligible under § 570.201(c), and including public streets, sidewalks, other site improvements and public utilities, and remediation of known or suspected environmental contamination in conjunction with these activities. Remediation may include project-

specific environmental assessment costs not otherwise eligible under § 570.205.

Revision to the Hawaii State Implementation Plan

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: EPA is proposing to approve a revision to the Hawaii State Implementation Plan (SIP). The revision concerns the air quality surveillance network for particulate matter. We are proposing to approve this revision under the Clean Air Act as amended in 1990 (CAA or the Act).

DATES: Any comments on this proposal must arrive by August 9, 2004.

ADDRESSES: Send comments to Andy Steckel, Rulemaking Office Chief (AIR–4), U.S. Environmental Protection Agency, Region IX, 75 Hawthorne Street, San Francisco, CA 94105–3901, or e-mail to steckel.andrew@epa.gov, or submit comments at <http://www.regulations.gov>.

You can inspect copies of the submitted SIP revisions, EPA's technical support documents (TSDs), and public comments at our Region IX office during normal business hours by appointment. You may also see copies of the submitted SIP revisions by appointment at the following locations:

Hawaii Department of Public Health, Environmental Protection and Health Services Division, 1250 Punchbowl Street, Honolulu, Oahu, Hawaii 96801.

FOR FURTHER INFORMATION CONTACT: Julie A. Rose, EPA Region IX, (415) 947–4126, rose.julie@epa.gov.

SUPPLEMENTARY INFORMATION: This proposal addresses the revision to Section XII, Air Quality Surveillance Network for the Hawaii Department of Public Health. In the Rules and Regulations section of this **Federal Register**, we are approving this revision in a direct final action without prior proposal because we believe these SIP revisions are not controversial. If we

receive adverse comments, however, we will publish a timely withdrawal of the direct final rule and address the comments in subsequent action based on this proposed rule. Please note that if we receive adverse comment on an amendment, paragraph, or section of this rule and if that provision may be severed from the remainder of the rule, we may adopt as final those provisions of the rule that are not the subject of an adverse comment.

We do not plan to open a second comment period, so anyone interested in commenting should do so at this time. If we do not receive adverse comments, no further activity is planned. For further information, please see the direct final action.

Dated: June 15, 2004.

Wayne Nastri,

Regional Administrator, Region IX.

Instructions: Direct your comments to docket ID number OPP-2004-0091. EPA's policy is that all comments received will be included in the public docket without change and may be made available online at <http://www.epa.gov/edocket/>, including any personal information provided, unless the comment includes information claimed to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Do not submit information that you consider to be CBI or otherwise protected through EDOCKET, [regulations.gov](http://www.regulations.gov), or e-mail. The EPA EDOCKET and the [regulations.gov](http://www.regulations.gov) websites are "anonymous access" systems, which means EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send an e-mail comment directly to EPA without going through EDOCKET or [regulations.gov](http://www.regulations.gov), your e-mail address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the Internet. If you submit an electronic comment, EPA recommends that you include your name and other contact information in the body of your comment and with any disk or CD ROM you submit. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment. Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses.

Docket: All documents in the docket are listed in the EDOCKET index at <http://www.epa.gov/edocket/>. Although listed in the index, some information is

not publicly available, i.e., CBI or other information whose disclosure is restricted by statute.
